9. Remedial Details for Artificial Intelligence Techniques
10. Remedial Details for Fundamentals of computer networks

Identification of Remedial Class Students

The Remedial Class Students are identified with the following criteria

1. Students with attendance less than 50%.
2. Students having fail marks in Continuous Internal assessment like UT1, MT1 and absentees also.
3. Students with more number of Backlogs in the semester Results.
4. Students with lack of attention and participation in the class, identified by the faculty.
5. Students, who are all not having depth knowledge about the course topics.
6. Students, those who are all lately registered the courses.

Follow up of Remedial Class Students are done with the following

1. Remedial classes are provided for all subjects, to rectify lacking student's doubts in person.
2. Remedial classes students are encouraged and guided, how to prepare well for upcoming Continuous Internal assessment exams
3. Remedial classes students are guided to prepare well for End semester Exams by providing most important and repeated questions in previous year SEE
4. Remedial classes students gained depth knowledge about all concepts of the course.
