Official invitation
to the 19th World Festival of Youth and Students

Dear Ashish Kumar!

I hereby inform you that you have successfully passed the competitive selection and you are invited to participate in the 19th World Festival of Youth and Students (hereinafter referred to as the Festival) that will be held from 14 until 22 October 2017 in the Russian Federation.

The forthcoming Festival is a grandiose youth event of a world scale with a seventy-year history and its own traditions. For many years young people from all over the world gather together under the aegis of this event, united by the ideas of solidarity, peace and friendship. It is expected that more than 20 thousand young people from 150 countries of the world will attend the Festival this year.

Within the framework of the Festival, there will be events of discussion, cultural and sports programs. Participants will have a unique opportunity to meet like-minded people from all over the world, exchange opinions and share experiences, establish friendly and partnership relations. The focus of discussions at the Festival is to discuss the global challenges facing modern youth and to form the image of the future.

In 1957 and 1985 the participants of the Festival were received in Moscow. This time, the main venue for gathering participants and hosting the Festival will be the Olympic city of Sochi - the Black Sea pearl of Krasnodar Region of the Russian Federation.

The Russian side will take care of your living expenses and food. In addition, for participants of the Festival there is a simplified procedure for obtaining a visa to enter the territory of the Russian Federation. You can show this invitation in the consular office of the Russian Federation at the place of permanent residence together with a pack of documents submitted for a Russian visa in a simplified procedure.

We will be glad to see you among the participants of the 19th World Festival of Youth and Students!
