Dear Tanmay Surana

EXTENSION AS A NON-GRADUATING RESEARCH STUDENT (SHORT-TERM RESEARCH PROJECT)

I am pleased to inform you that your extension as a non-graduating research student at Temasek Laboratories@NTU (TL@NTU) has been approved.

1. Extension is granted to **Tanmay Surana** (Matric No: N1900230H) Undergraduate student from **Val Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology** as a non-graduating research student.
2. Your extension as a non-graduating student is for a duration of six months starting from January to June 2021.
3. During your attachment, you will conduct a research project titled 'ISCAP' under the supervision of A/P Chng Eng Siong from TL@NTU. You are required to submit a progress report by end of your attachment to the Centre.
4. **Please make online payment for the following miscellaneous fees** (in Singapore Dollars) once you receive an email confirmation. After payment, an email will be sent to you to acknowledge receipt of payment. **Please forward the payment acknowledgement email to the Centre.**

Miscellaneous Fees for Non-Graduating Students for, AY2020/21	
Non-Lab-based Programme (Total)	S\$207.00

Note: Misc fees are chargeable per semester and subject to revision every academic year. Fees paid are also non-refundable.

5. You will be paid financial support of **SGD750.00** monthly allowance during your attachment in TL@NTU.

Thank you.

Yours sincerely

A/P Teo Hang Tong Edwin
