EVENT MISSION:

Republic Day is a public holiday in India, when the country marks and celebrates the date on which the Constitution of India came into effect on 26 January 1950, replacing the Government of India Act 1935 as the governing document of India and thus, turning the nation into a newly formed republic. The Constitution was adopted by the Indian Constituent Assembly on 26 November 1949 and came into effect on 26 January 1950 with a democratic government system, completing the country's transition towards becoming an independent republic. 26 January was chosen as the date for Republic day because it was on this day in 1930 when the Declaration of Indian Independence (Purna Swaraj) was proclaimed by the Indian National Congress in lieu of the Realm status as a Dominion later instated by the departing British Regime.

EVENT :

All the NSS volunteers joined the meeting through MS Team and the Republic Day event started with the National song 'Vandemataram' sung by the volunteers. This was followed by a webinar on Republic Day and Indian Constitution presented by the volunteers. The NSS Programme Officer and Coordinator then shared their views on Republic Day. Preceding the event, there was a quiz competition conducted with interested students divided into groups. With a two days prior to the event, the volunteers also conducted a drawing competition through a google form for students to upload their drawing on the theme- "Republic Day". The awards for the competitions were then announced in the meeting. The event thus successfully concluded with the National anthem – "Jana Gana Mana" sung by the NSS volunteers.
