Vel Tech is known for its excellent and unique National Facilities such as Center of Excellence for Manufacturing Facilities, High Speed Bearing Test Facility, Automotive Engine Test Facility and E Waste Management, to mention a few . Global Alliances of Vel Tech has International Relations with more than 390 Institutions across 30 countries and has entered in the Memorandum of Understanding (MoU) with more than 210 Institutions. NIDHI Centre of Excellence at Vel Tech Technology Business incubator programme supported by DST promotes entrepreneurship, innovation and venture development.

Campuzone – Digitalizing the schools Campuzone is a startup focusing on enhancing the students of all sections, students can improve their career and talent. The team of IIT'ian having several years of industrial and teaching experience and who are dedicated to innovatively contributing to society. During the pandemic period, the academic environment faces several challenges, After analyzing the situation, it was realized that the schools are lacking in digital infrastructure, to encounter the problem, the team Campuzone generated several ideas, innovation, brainstorming and analysis, the team come with a solution, which is long term impact and benefits to the society. The initiation taken by the Campuzone teams is to digitilize the schools and it will bring quality educational exposure to all the corners of students.

It is agreed by and between ADI and VEL TECH as under:

1. ADI will identify student projects, both at UG and PG level and provide guidance to student groups and assist in carrying them out successfully.
2. ADI will organize in plant training every year in the summer and winter vacation for a group of 5 to 10 students from Vel Tech. Date of visit and the batch size will be decided well in advance by mutual consultations.
3. ADI will assist VEL TECH by providing inputs to curriculum design to improve their relevance to the needs of the industry by nominating an expert to join the appropriate Board of Studies of the University.
4. Vel Tech will invite experts from ADI to deliver specialized credit course on the emerging technologies to the students of Vel Tech for which Vel Tech would take care of the travel expenses and the remuneration to the expert
5. VEL TECH in consultation with ADI will identify areas of research in contemporary technology appropriate to the respective products manufactured by them.
6. Work that is done by the University on behalf of the Industry will be treated in confidence between the two parties and any intellectual property that may be developed out of such collaborative work will be held jointly by both the parties.
7. This agreement will be in effect initially for a period of 5 years from the date of signing of this MOU by both the parties and will be renewed further if mutually agreed. Either party may terminate the agreement by written notification signed by the appropriate official of the Institution initiating the notice. Such notice must be received by the other party six months prior to the effective termination date.
