

Memorandum of Understanding

between

National Chin-Yi University of Technology

and

Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology

National Chin-Yi University of Technology

In order to advance friendly relations between Taiwan and India, National Chin-Yi University of Technology and Vel Tech Dr. Rangarajan Dr. Sagunthala R&D Institute of Science and Technology join in the following agreement on the promotion of education and academic exchanges between the two universities.

Both institutions will make every reasonable effort to encourage research cooperation and interaction between their colleges, departments, research institutes, faculty members, and students to the extent that they are able, under provisions of this agreement, and endeavor to cooperate in the fields with which both parties are concerned.

Both universities agree on the following general forms of cooperation:

- 1 · Mutual exchange and visit of faculty members for academic activities
- 2 · Mutual exchange of graduate and undergraduate students for study and research
- 3 · Joint degree programs for students at graduate and undergraduate levels
- 4 · Collaborative research activities
- 5 · Joint academia-industry cooperation programs

Themes of joint activities and conditions for utilizing the results and arrangements for specific visits, exchanges and other forms of cooperation will be negotiated for each specific case.

Both universities understand that all the financial arrangements should be negotiated and will depend upon the availability of funds.

It is understood that the implementation of this agreement will commence upon the signing date and that this agreement will continue thereafter for five years, subject from time to time to revision or modification by mutual agreement. The possibility and the terms of a renewal of the agreement will be discussed by the representatives of the two universities no less than six months prior to the natural termination of the current agreement.

National Chin-Yi University of Technology

The agreement for the academic exchange program shall be signed under the Memorandum of Agreement between National Chin-Yi University of Technology and Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, India, as it relates to the exchange of full-time students, shall be implemented in the following terms:

Article 1

The student participating in the exchange program under this memorandum shall be selected initially by the home university, and the host university shall make final admission decisions in each case.

Article 2

Each year, students can be exchanged officially as non-degree seeking students at the partner university. The number of students and the duration of study can be modified based on mutual consent in advance.

Article 3

The period of enrollment of the students shall not exceed two academic semesters or customized time frame.

Article 4

The host university shall waive tuition fees for exchange students. The students will be responsible for the round-trip airfare, accommodation fees, medical insurance, airport pick up and drop off fees and living allowances.

Article 5

The host university shall provide each student with an appropriate field of study, course of study, and qualified advisor.

Article 6

Each student shall meet the sufficient language requirement (host country language and English) requested by the host university. If students fail to meet the language requirement, necessary language enhancement coursework and the fee shall be implemented by mutual consultation in advance.

Article 7

Both home and host universities agree to provide letter of invitation, official documentation, record, or transcript of coursework completed by the students.

Article 8

The host university shall be responsible for students' on-campus housing arrangement. For off-campus housing, the host university shall provide necessary assistance in finding appropriate housing near the campus. Accommodation costs for the either on-campus and off-campus housing shall be borne by students.

Article 9

Both home and host universities agree to provide necessary advise and communication in terms of students' academic performance.

Article 10

This memorandum shall be effective for five years. The memorandum is subject to review, revision, modification or renewal by mutual written agreement. Either party may terminate the agreement by written notice submitted before the end of June each year. Termination would not affect students who are already engaged in the agreement.
