

MEMORANDUM OF UNDERSTANDING

**BETWEEN VEL TECH RANGARAJAN DR. SAGUNTHALA R&D INSTITUTE
OF SCIENCE AND TECHNOLOGY AND**

SAINT PETERSBURG ELECTROTECHNICAL UNIVERSITY "LETI"

I. Introduction

The two institutions herewith enter into a Memorandum of Understanding to enhance the relationship between them and to possibly develop new collaborative undertakings in the years to come. This agreement is intended to help facilitate a meaningful and mutually beneficial relationship between the two institutions.

II. Purposes

Both Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology and Saint Petersburg Electrotechnical University "LETI" wish to pursue a collaborative relationship to the greatest extent possible through student exchanges, Faculty exchange, research projects, and joint programs.

III. Specific Activities

The two institutions may develop specific activities to implement the mutual understanding set forth in this agreement. These shall in every case be subject to mutual consent and the availability of adequate resources, and shall be set forth in supplementary sub-agreements or protocols.

IV. Communication between the Institutions

Both institutions shall communicate with each other on a need basis, for Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology through its International Relation Office and for Saint Petersburg Electrotechnical University "LETI" through its International Academic Mobility Office.

V. Duration of the Agreement

The agreement shall take effect upon approval by both parties and shall remain in effect for an initial period of five years. Thereafter it shall be automatically renewed from year to year; however, after the initial period either university may terminate the agreement at the end of a given year by providing six months notice in writing of such intent. Termination of the agreement will not affect faculty or students from either institution participating in an exchange so that they may complete the agreed-upon duration of their participation.

Dear Colleagues at ETU!!!

Greeting!!!

Hope this emails you in good health.

Let me introduce myself, I am Dr S Sivaperumal, Director for International Relations. I will be contact point for our relationship and i would like to sincerely request your support towards strengthening our collaboration.

Herewith i am attaching a call for proposal under BRICS. Kindly let us know, any of the faculty members are interested to work on this call. We are eager to initiate some collaborative works.

You may note that, we are very successful in Internationally collaborated R&D such as Indo - Germany, Indo - France, Indo - Korea, Indo - Taiwan and Indo - Canada, for all these both the government had funded.

Also we are defending call under Indo - Spain.

Thanks and Regards

Dr.S.Sivaperumal

Dear partners and friends,

We are delighted to invite you to attend ETU PARTNER DAY which will be held in Saint Petersburg, Russia on 20 September 2019.

We are sure you will take this amazing opportunity to learn more about us and to experience what it is like for your students to study at our university and to live in Saint Petersburg.

This event will comprise presentations, campus tour, along with networking opportunities with faculties and departments.

Please be sure to visit the brilliant former capital of the Great Russian Empire and explore one of the most beautiful cities in Russia.

Save the date, 20 September 2019 in Saint Petersburg, Russia, just before EAIE Conference Helsinki (one hour flight or speed train "Allegro" to get there).

More detailed information can be found here:

<https://partners.etu.ru/2019/en/>

No registration fee is applied.

Enrolment by: 1 August 2019

We are looking forward to welcoming you at ETU "LETI". Hope to see you in September!

Should you have any questions, feel free to contact me.

Dear Colleagues,

Greeting!!!

Hope this email finds you well.

We'd like to acknowledge our joint accomplishments and treasured memories.

We are very happy to share the **7th issue** of the **Bulletin** from **Directorate of International Relations at Vel Tech**. This Bulletin summarises the activities of the Directorate from **October 2019 to March 2020**.

This issue could be accessed at <https://www.veltech.edu.in/newsletter-bulletin-7/>

This issue covers

1. Founder's Foreign Scholarship for Student Mobility & Higher Studies
2. Student Mobility (Incoming & Outgoing)
3. TECC, Chennai - Visit
4. Taiwan Visit
5. Participation in Study in India Partner Institute Workshop
6. DAAD Chennai Meetings
7. 2020 Chinese Rat New Year Celebration at TEC - SRM
8. MITACS Skype Interview (Final) - Guidance Session
9. International Promotion and Awareness Activities
10. Short Courses by International Visiting Faculty Members
11. Faculty Mobility - Outgoing
12. International Professors Interaction with Faculty Members
13. Memorandum of Understandings (MoUs) signed
14. International Delegates Visit
15. Achievements - Highlights

All the other Issues since **October 2016** (Issues 1 to 6) also could be found at <https://www.veltech.edu.in/international-relation/>

Your views and suggestions are highly appreciated.

Directorate of International Relations at Vel Tech wishes you all the best and looking forward to continuing cooperation! We hope that our partnership will reach new heights in this forthcoming year!!!

Thanks,

With kind regards

Dear Professor,

Greetings from Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology.!!!

It is some time since we have exchanged emails and I am sure this finds you safe and in good spirits.

One of our faculty Mr.R.Prasanna, Assistant Professor from Electronics and Communication Engineering department is keen to collaborate with professors from your esteemed organisation for Joint Research Proposal titled **"Design and Development of Graphene Based Nano Composite Coating Encapsulation Technique for Enhancing Performance of Airborne Antenna Structures"** for Indo-Russian call.

Attached Concept Note for Indo-Russian call for your kind perusal.

Looking forward to hearing from you soon.

Thanks,

With kind regards

Dear Colleague,

We are glad to announce the **2nd International Conference on Cyber-Physical Systems and Control (CPS&C'2021)** which will be held from 29 June to 2 July, 2021 in St. Petersburg, Russia.

The Conference is jointly organised by **Peter the Great St. Petersburg Polytechnic University; City, University of London, UK, and Leibniz University Hannover, Germany.**

The Conference will be held both in online and in-person modes and the participants will be able to choose their preference at the point of registration.

The Local Organizing Committee has revised Conference Fees for those participants who will participate online. This is due to extraordinary times attributable to the current COVID-19 pandemic.

Please visit the Conference website for full details at <http://cpssc.spbstu.ru>.

CONFERENCE SCOPE

Authors are invited to submit papers under the three main thematic areas (theoretical fundamentals, technologies and applications of CPS and Control), including but not limited to the following topics:

Fundamentals

- Control Theory, System Analysis
- Paradigms, Models and Architectures
- Methods and Algorithms, Components and Structures
- Knowledge Base and Knowledge Management

Technologies

- Engineering, Industrial Internet of Things
- Artificial Intelligence and Machine Learning
- Neural Network Modelling
- Cognitive Systems
- Real-Time Systems
- Safety and Security Systems

Applications

- Smart Manufacturing
- Mechatronics and Robotics
- Human-Digital Interfaces
- Networking and Telecommunications
- Metrology of CPS
- Transport and Logistics
- Energy and Smart Grid
- Medical and other CPS

PROGRAMME

The CPS&C'2021 Conference Programme will include keynote and plenary talks, sessions and discussions.

A Special Session on **'Global Smart Manufacturing'** by RWTH Aachen University is planned; as well as a Special Session on **'Cybersecurity'** by Peter the Great St. Petersburg Polytechnic University.

PAPER SUBMISSION

Original contributions, 6-10 pages long and in IMRaD format are requested which will be peer-reviewed. Authors should follow the guidelines on the Conference website for preparation and submission of their papers.

KEY DATES

10 May 2021: Deadline for paper submission (the deadline has been extended)

31 May 2021: Deadline for registration and fee payment

08 June 2021: Deadline for arrival confirmation

30 June 2021: Deadline for in-person registration

PROCEEDINGS

All accepted papers will be published in a book of Conference Proceedings in the “Communications in Computer and Information Science” series, Springer (<https://www.springer.com/series/7899>).

CPS&C'2021 Proceedings will be indexed in Scopus.

In addition, a subset of papers will be selected for further substantial extension and modification. Such modified and extended papers could then be considered for publication in Scopus-indexed journals.

For further information about the **CPS&C'2021** Conference, please contact the Local Organising Committee at cpssc@spbstu.ru
