Annexure 1

Cooperation Agreement

Between

CentraleSupélec (France)

And

Vel Tech Dr. RR & Dr. SR Technical University (India)

The Cooperation Agreement covers the cooperation in the areas of:

- Student Exchange,
- Faculty and Researcher Exchange, and
- Joint Research Projects

1. Student Exchange Program

1.1 Student from Vel Tech:

Undergraduate (B Tech) Students & Masters (M Tech) Students:

Kind of Stay: Academic and/or placement

Registration: Student will be candidate to attend courses in English and/or do placement (To carry out Project work or Thesis work) in a laboratory at **CS**.

CS Faculty Member will supervise the Placement.

Duration: One Semester to two semesters.

English Level required: B2 Recommended.

Note: Placement mobility is normally combined with Academic mobility.

1.2 Student from CS:

Undergraduate & Masters level:

Kind of Stay: Academic and/or placement

Registration: Student will be candidate to attend courses in English and /or do Placement (To carry out Project work or Thesis work) in a laboratory at **Vel Tech** or in a local company selected by **Vel Tech**. **Vel Tech** Faculty Member will supervise the Placement.

Duration: One Semester to two semesters.

English Level required: B2 Recommended.

Note: The student may enroll only for Placement for a semester duration.

1.3 Students from **CS** and from **Vel Tech** will be considered as Exchange Students and will be non-degree seeking in the Host Institution. The recognition of the work carried out and the credits obtained by the students during the Exchange Program will be transferred to the Home Institution.

1.4 The student candidate for Student Exchange Program has to be selected by the Home Institution well in advance and validated by the Host Institution according to the eligibility and selection requirements.

1.5 Each Institution can receive up to 3 students from the Partner Institution per year.

1.6 The exchange students will remain enrolled at their Home Institution. The students will be enrolled at the receiving Institution (provided they possess the minimum necessary entry requirements).

Exchange Students will pay their tuition fees in the Host Institution conformingly to the published list of price. Students are not required to pay fees to the Host Institution for Placement semester. In addition they will have to purchase Medical Insurance locally. All other expenses related to travel, accommodation, subsistence etc. will be borne by the students.

1.7 The receiving Institution will assist the students in their search for accommodation.

2. Faculty and Researcher Exchange

CS and **Vel Tech** express their desire to periodically exchange Faculty and Researchers in relevant subjects of mutual interest.

Well in advance, each Institution will inform the other on Faculty and Researcher Exchange and mutually decide the necessary administrative and funding procedure to be followed. The Agreement for this type of Exchange will be dealt with on a case by case basis between both Institutions.

3. Joint Research Projects

CS and Vel Tech express their desire to participate in Joint Research Projects, including those called by Government funding agencies under Indo – French (like CEFIPRA) or Indo – EU or similar co-operations. The Agreement for Joint R&D will be dealt with on a case by case basis, depending on the specific nature of the announcement by the funding agency.

4. Intellectual property

All intellectual property solely conceived and/or developed by **CS** during the course of this Agreement shall be owned by **CS**.

All intellectual property solely conceived and/or developed by **Vel Tech** during the course of this Agreement shall be owned by **Vel Tech**.

Intellectual property jointly conceived and /or developed by **CS** and **Vel Tech**, subject to protection and, if appropriate, application of such intellectual property for commercial use or other purposes, shall be negotiated in good faith between the parties on mutually acceptable terms.

5. Confidentiality:

CS and **Vel Tech** undertake not to disclose in any way or publish any information, which one may receive from the other in the course of performance of this Agreement, unless:

- the said information has fallen into the public domain, or
- the prior written approval has been obtained.

Publication or disclosure of any research output jointly conceived or developed will be only with the mutual consent of both the Institutions.

6. Duration of the Cooperation

This agreement comes into immediate effect from the date on which it is signed by both parties. It will remain valid for a period of 5 years and it may be renewed for a similar period with the written consent of both Universities. It may be revised with the consent of both Institutions, or terminated at the initiative of any one Institution with a written six months' notice. However such a termination will not affect the on-going programs, to protect the interest of the students and researchers.

7. This Agreement is executed in English in two originals and each Institution will retain one original.

Dear Professor!!!

We feel immense felicity and proud to share that Veltech Dr.RR & Dr.SR University, Chennai, India has been **Ranked #43 by THE (Times Higher Education) Asia University Ranking 2017.**

Times Higher Education (THE), which released its Asia University Rankings 2017 on March 15, listed 33 Indian universities in the top 300. Wherein, Indian Institute of Science (IISc) was at 27, Indian Institute of Technology (IIT) Bombay was ranked 42 and **Chennai-based private institute Veltech University** was a joint 43 in the top 50.

Among the 33 Indian institutions ranked by THE Asia University Ranking 2017, Veltech Dr.RR & Dr.SR University **secured 3rd (Third) position leaving First and Second positions to IISc, Bangalore and IIT, Bombay respectively.**

There are only two institutions in top 100 from the state of Tamil Nadu in the list of THE Asia University Ranking 2017. Of the two, Veltech University secured First position and IIT-Madras is Second.

Kindly visit THE Asia University Ranking 2017 (https://www.timeshighereducation.com/world-university-rankings/2017/regional-ranking#!/page/0/length/50/sort_by/rank/sort_order/asc/cols/scores) for more details.

In this regard, we would like to thank you for your kind support and expressing your valuable opinion on Veltech Dr.RR & Dr.SR University by taking part in the Times Higher Education Asia University Ranking survey 2017. Veltech University is looking forward to continue active collaborations with you.

Please find the attachment for the 33 Indian Universities listed in THE Asia University Ranking 2017.

Dear Prof. Mark Zolver,

I am happy to send to you the second issue of the Bulletin issued by Veltech International Directorate. Kindly circulate to your colleagues.

Our plans to further strengthen international cooperation and exchange programs would like to seek your continued support.

I understand from Dr. P. Sarasu, Director Industry Relations that students from your University have been invited for the Bonjour India Program at Veltech (22 & 23rd Jan., 2018) organized along with French Embassy. Veltech looks forward to receiving them.

With kind regards,

Thanks and Regards

Dear Prof. Marc Zolver,

Greetings from Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology.

I am sending this mail in connection with Vel Tech Visiting Faculty program, wherein we invite Professors and Experts from partner Universities to take one week long course in their area of expertise in Engineering Disciplines.

We are now planning the tentative schedule for the courses to be offered by Visiting Faculty during academic year 2018 - 19. . From our academic calendar, course delivery in any week(s) during July to October, 2018 is fine with us.

We are very keen to receive Professors / Experts from Centrale Supélec to deliver courses at Vel Tech. I request you to bring this to the notice of the concerned Faculty members.

For your kind reference, further details on the program are given below:

Topic: To be mutually decided based on Professor's expertise; Topic & course content to be approved by Vel Tech Academic Council.

Lectures: One week (20 hours); In English

Examination: To be conducted and the student performance to be evaluated. Type of exam to be mutually decided.

Students: Undergraduate or Masters programs.

Student strength: Around 40.

Course Material: Lecture Notes in English to be made available to the students.

Entitlements: Vel Tech will take care of:

- i. Travel by economy class to Chennai and back;
- ii. Hospitality at Chennai including stay at Vel Tech Guest House, food arrangements and internal travel at Chennai;
- iii. Honorarium at INR 3000 per hour of lecture; and
- iv. Hospitality for spouse at Chennai, if he / she desires to accompany.

May I in addition to inviting you, also request you to bring this to the notice of your concerned colleagues and request them on our behalf to consider our proposal. The minimum requirement for Visiting Faculty is PhD. The course details and the suitable time slot may be informed to us.

Looking forward to your reply and with kind regards,

Thanks,

With kind regards

Prof. Marc Zolver,

Dean, International Affairs & Partnerships,

CentraleSupélec,
France.

Dear Professor,

Greetings from Veltech International Relations Department!

I am sending this mail to you to explore the possibility of short courses in Engineering discipline being offered by Professors / Experts with PhD from Centrale Supélec in their area of expertise to our students at Veltech campus . This proposal is in line with the MoU and Cooperation Agreement signed between our Universities.

Kindly note that we have already sent a mail to Prof. Jean Claude Vannier on this issue and this mail is being addressed to you with a request to bring this to the notice of other faculty members at Centrale Supélec. The course is intended to expose our Undergraduate engineering students to new areas.

Other details are given below:

Likely time slots:

1. Aug. 28 to Sep. 08, 2017
2. Sept. 11 to Sept. 22, 2017
3. During Jan. - March, 2018 (Dates to be mutually decided)

Lectures in English: 4 hours per day spread over one week (20 Hrs)

Examination: To be conducted and the student performance to be evaluated. Type of exam to be mutually decided.

Students: During Aug. - Sept. slot 5th / 7th Semester Undergraduate students (UG Program is 8 semesters long);
During Jan. - March slot, 4th / 6th Semester Undergraduate students; Student strength around 40.

Course Material: Lecture Notes in English to be made available to the students.

Entitlements: Veltech will take care of:

- i. Travel by economy class to Chennai and back;

- ii. Hospitality at Chennai including stay at Veltech Guest House, food arrangements and internal travel at Chennai;
- iii. Honorarium at INR 3000 per hour of lecture; and
- iv. Hospitality for the spouse at Chennai, if the spouse desires to accompany.

I shall be extremely thankful if you can bring this to the notice of your colleagues to find out their interest in our proposal. They may kindly let us know the preferred time slot & duration. They may also suggest one or more course topics and we will decide in consultation with the Academic Council.

Looking forward to your reply and with kind regards,

Thanks and Regards
