We are happy to share every year Vel Tech sends more than 10% of Final Year students to its partnering university for one / two semesters of project work under the exchange programme and half the students were offered admission for their master's Programme after completion of Exchange. In this regards, Vel Tech is very eager and enthusiastic to nominate its students to your esteemed university under the exchange programme. We would be very much happy to receive a fact sheet to nominate our students to your university. Our students will be nominated for one or two semesters (Sep. to Dec. and/or Jan. to May). We started the process of nominating students for the winter semester (Jan. 2020 to May 2020). Also, if there is any funding mechanism for the exchange students, kindly share the details of the same also.

3. Faculty Exchange Incoming (Your university Faculty to Vel Tech)

Vel Tech will be happy to invite your faculty member as visiting faculty for offering courses at Vel Tech for 1 or 2 weeks with complete funding from Vel Tech to offer a short course by exposing the students
