

**Memorandum of Understanding
Between
T.C. Beykent University, Turkey
and
Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science And
Technology, (Veltech Dr. RR & Dr. SR University), India**

T.C. Beykent University, Turkey (further referred to as Beykent University) and Veltech Dr. RR & Dr. SR University, India (further referred as Veltech) recognize the benefits to be gained by both institutions through a mutual agreement aimed at the promotion of international education exchange programmes for faculty and students (further referred to as IEFS) and hereby commit themselves to cooperation with the following agreement:

Purpose

Beykent University and Veltech agree to cooperate in the exchange of Students in Engineering and Management fields.

Students will take part in courses, research seminars, and practicum. Research fellows/faculty members will give courses, hold seminars, supervise and conduct/collaborate in research. This protocol will also allow both universities to collaborate in the common projects.

Admission Requirements

Beykent University and Veltech shall each be responsible for the selection of their students to participate in the exchange. Participating students seeking admission to the host university under terms of the prospective agreement shall meet the admission requirements of the host university.

Recognition of Qualification of Courses

Both institutions agree to grant full recognition to the study undertaken at the partner institution.

Accommodation and Other Services

Beykent University and Veltech will help students in finding rented accommodation or provide lodging for exchange students on-campus if available. The full cost of accommodation and other services are the sole responsibility of the exchange student and payable directly to those providing the service. The same applies to research fellows/faculty members.

All the services that are normally available to foreign students enrolled at the host university shall be provided to exchange students under this memorandum of understanding. These include adequate orientation, academic counseling, assistance with housing and access to recreational and academic facilities. The specific assignments and functions available for proposed research fellows/faculty exchanges will be negotiated on a case by case basis. In general research fellows/faculty members shall have access to the same facilities and services as their colleagues at the host institution. The host university's academic code of conduct applies to participants.

University will provide reciprocal services within the IEFS programmes in regards to student and faculty exchange which includes providing access to materials and publications from Beykent University and Veltech libraries.

Regulations

Participants in the programme shall be subject to the regulations of the host institution in force at the time. Home institution may impose additional requirements on its students that are not in conflict with the host institution's regulations.

Liaison and Administration

Beykent University and Veltech shall each appoint a coordinator for this exchange program protocol and keep the other part informed as to the name and address of that person.

Advertising

Each institution is responsible for advertising the exchange program known to students on its campus.

Travel and Immigration

Travel arrangements and expenses will be the exclusive responsibility of each exchange students or research fellows/faculty.

Each exchange student is responsible for obtaining a Student Visa / Residence Permit required for study in the country of the host institution. The host institution shall provide students selected to study there with any university documents needed to obtain a student visa / residence permit for the full period of the exchange. Similarly, research fellows / faculty members have to obtain the necessary permits required by the immigration authorities in the country of the host institution.

Financial Arrangement

Students will pay tuition at their home institution for the period they are attending the host institution. Students participating in the program will be responsible for insurance costs, charges for the use of miscellaneous material (photocopies etc.)

The salary for research fellows/faculty members for the exchange period is paid by their home institution.

Both parties agree to seek financial support from national and international organizations for the cooperative activities to be undertaken as stated under the terms of the exchange protokol.

All incoming students and research fellows/faculty are required to carry adequate health insurance (if not, they are obliged to get health insurance in the host country) and to provide proof to the host institution that this insurance will cover the cost of health care for the full period of the exchange.

Reciprocity of Student Exchange

Deviations concerning the number of students and exchange period can be negotiated. The institutions agree to accept students on the nomination of the home institution without selection procedure.

The specific assignments and procedures required for proposed research fellows/faculty exchanges will be negotiated on a case by case basis.

Duration of the Exchange Program Protocol

This exchange protocol shall be effective for five (5) years from the date assigned and after having approved by the Turkish Higher Education Council and is to be automatically renewed on an annual basis thereafter, unless terminated or replaced with a new protocol.

The exchange protocol may be terminated by either party by written notice at least six (6) months in advance. Such notice of termination will not interfere the cooperation programmes currently underway. Such programmes will be allowed to continue until their conclusion.

This protocol can be modified or extended at any time by mutual written consent and by the approval of Turkish Higher Education Council.

Signatures

The exchange protocol will be produced in English (two copies) and (two copies). All four copies will be authentic. The following signatures are affixed as acknowledgement and notification of the terms of this exchange program protocol :

Dear Professor

Greeting!!!

Hope you are doing good.

We take immense pleasure in Inviting you to the University's 7th Convocation Day to be held on **10th June 2017**.

Professor Takaaki Kajita, 2015 Nobel Laureate in Physics, Director, Institute for Cosmic Ray Research, University of Tokyo, Japan has given his consent to be the Chief Guest to Deliver Convocation Address and award degrees & present gold medals to the Graduants.

The University feels proud in informing you that Honorary Doctorate, Doctor of Science (honoris causa) is being conferred on **Professor Takaaki Kajita** on this occasion for his contribution to the Scientific Developments in terms of discovery of neutrino oscillations, which show that neutrinos have mass.

Thanks and Regards

Dr.S.Sivaperumal

Dear Professor!!!

We feel immense felicity and proud to share that Veltech Dr.RR & Dr.SR University, Chennai, India has been **Ranked #43 by THE (Times Higher Education) Asia University Ranking 2017.**

Times Higher Education (THE), which released its Asia University Rankings 2017 on March 15, listed 33 Indian universities in the top 300. Wherein, Indian Institute of Science (IISc) was at 27, Indian Institute of Technology (IIT) Bombay was ranked 42 and **Chennai-based private institute Veltech University** was a joint 43 in the top 50.

Among the 33 Indian institutions ranked by THE Asia University Ranking 2017, Veltech Dr.RR & Dr.SR University **secured 3rd (Third) position leaving First and Second positions to IISc, Bangalore and IIT, Bombay respectively.**

There are only two institutions in top 100 from the state of Tamil Nadu in the list of THE Asia University Ranking 2017. Of the two, Veltech University secured First position and IIT-Madras is Second.

Kindly visit THE Asia University Ranking 2017 (https://www.timeshighereducation.com/world-university-rankings/2017/regional-ranking#!/page/0/length/50/sort_by/rank/sort_order/asc/cols/scores) for more details.

In this regard, we would like to thank you for your kind support and expressing your valuable opinion on Veltech Dr.RR & Dr.SR University by taking part in the Times Higher Education Asia University Ranking survey 2017. Veltech University is looking forward to continue active collaborations with you.

Please find the attachment for the 33 Indian Universities listed in THE Asia University Ranking 2017.

Veltech Dr.RR & Dr.SR University

(Estd. u/s 3 of UGC Act, 1956)

Greeting from Veltech Dr. RR & Dr.SR University, Chennai, India - For Delivering Short Course

1 message

Director International Relations Veltech, Chennai <dint@veltechuniv.edu.in>

22 June 2017 at 11:37

To: osmanpalamutcuogullari@beykent.edu.tr

Kind Attn: Prof. Dr. Osman PALAMUTÇUOĞULLARI, Professor, Electronics and Communication Engineering, T.C. Beykent University, Turkey.

Dear Professor,

Affable Greeting from Veltech Dr. RR & Dr.SR University, Chennai, India.

We are writing this email with reference to the MoU signed with your esteemed University. Hope the information about this visiting faculty proposal would have reached you already. Again we would like to contact you if you are interested. Kindly Excuse, if the email is sent to you multiple times and if you are not interested.

For your kind information, Let me introduce our institution, Since inception in 1997, Veltech has been offering quality UG & PG programmes in the disciplines of CSE, IT, EEE, ECE, Aero, Auto, Mech, Civil and management with industry-integration and internationalization in the campus located at Avadi, Chennai. Veltech has laid importance on outcome oriented teaching-learning practices that resulted in multiple cycles of **NBA** accreditation for various engineering programmes and **NAAC "A"** for the entire institution. In **Times Higher education (THE) Asia Rankings 2017**; Veltech was ranked **First** among the Indian private institutions, third among the Indian institutions and **43rd among the Top Asian Institutions** and also **Ranked 74th in THE Young University ranking 2017**. This exceptional ranking is a testimony to the high quality practices of Veltech in various important functions including internationalization, research, academics, industry relevance and citations. Veltech Dr. RR & Dr.SR University is the first to become the member of **CDIO** (Conceive Design Implement and Operate) constituted by the world's top institutions.

We have established a dedicated technology business incubator for fostering entrepreneurship. Our research facility is accorded the status of Scientific & Industrial Research organization (SIRO) by DSIR, Govt. of India. Till date we have worked with agencies like DRDO, DAE, NID, DST and many manufacturing and engineering industries to provide concerted solutions in different domains connected with UAVs, 3D printing, electronics, new materials and e-bikes.

We have imbibed several initiatives related to enhancement of domain knowledge, problem solving skills, soft skills and tea play into our eco system to transform our students into industry ready resources. Consistently our students have won laurels on both national and international platforms for their outstanding work in product design and development. Our institution has received multiple recognitions including - DQ-CMR Best Tech Schools Survey 2016 securing 24th Rank among top 100 private T – Schools; 2nd Rank in Chennai / 11th Rank in South INDIA / 55th Rank in all over India by the survey conducted by Times - i3RC and NIDHI center of Excellence by DST.

Every year more than 50 students are being placed at university abroad for one/two semester to undertake courses / Project works. Also, **we invite Eminent Researchers to deliver short course on emerging areas of Engineering & Technology. In this regard we request eminent Professors from illustrious academia like you to deliver a course on your academic expertise. The duration specifics are highlighted below.**

The course objective is to expose the students and faculty to new topics / latest technologies in Engineering and also to identify areas of possible joint research by interaction with Veltech researchers and we will feel more privileged if you could accept our invitation.

The course may be for the duration of 20 hours. Depending on the Course Title, awarding of credit may be decided.

Further details on the program are given below:

Topic: To be mutually decided based on Professor's expertise; Topic & Course content to be approved by Veltech Academic Council.

Lectures: 4 hours per day spread over 1 Week (20 hours).

Examination: To be conducted and the student performance to be evaluated. Type of exam to be mutually decided.

Students: 2nd, 3rd & Final Year Undergraduate's and 1st, 2nd & 3rd Semester Masters (Masters is of 4 Semester long); Student strength around 40.

Course Material: Lecture Notes in English to be made available to the students.

Interaction with faculty: Our faculty will interact to identify areas of mutual interest for further R&D and Academic collaborations.

Entitlements:

Veltech will take care of,

- i. Travel by Economy class to Chennai and back via shortest route.
- ii. Hospitality at Chennai including stay at Veltech Guest House, food arrangements and internal travel at Chennai
- iii. Honorarium at INR 3000 per hour of lecture
- iv. Hospitality for spouse at Chennai, if he / she desire to accompany.

I shall be extremely thankful if you can consider the above proposal and confirm to us the possibility of offering the course.

Looking forward to your reply,

Thanks and Regards

Dr.S.Sivaperumal

Kind Attn: Prof. Dr. Selim ŞEKER*, Professor, Electronics and Communication Engineering, T.C. Beykent University, Turkey.

Dear Professor,

Affable Greeting from Veltech Dr. RR & Dr.SR University, Chennai, India.

We are writing this email with reference to the MoU signed with your esteemed University. Hope the information about this visiting faculty proposal would have reached you already. Again we would like to contact you if you are interested. Kindly Excuse, if the email is sent to you multiple times and if you are not interested.

For your kind information, Let me introduce our institution, Since inception in 1997, Veltech has been offering quality UG & PG programmes in the disciplines of CSE, IT, EEE, ECE, Aero, Auto, Mech, Civil and management with industry-integration and internationalization in the campus located at Avadi, Chennai. Veltech has laid importance on outcome oriented teaching-learning practices that resulted in multiple cycles of **NBA** accreditation for various engineering programmes and **NAAC "A"** for the entire institution. In **Times Higher education (THE) Asia Rankings 2017**; Veltech was ranked **First** among the Indian private institutions, third among the Indian institutions and **43rd among the Top Asian Institutions** and also **Ranked 74th in THE Young University ranking 2017**. This exceptional ranking is a testimony to the high quality practices of Veltech in various important functions including internationalization, research, academics, industry relevance and citations. Veltech Dr. RR & Dr.SR University is the first to become the member of **CDIO** (Conceive Design Implement and Operate) constituted by the world's top institutions.

We have established a dedicated technology business incubator for fostering entrepreneurship. Our research facility is accorded the status of Scientific & Industrial Research organization (SIRO) by DSIR, Govt. of India. Till date we have worked with agencies like DRDO, DAE, NID, DST and many manufacturing and engineering industries to provide concerted solutions in different domains connected with UAVs, 3D printing, electronics, new materials and e-bikes.

We have imbibed several initiatives related to enhancement of domain knowledge, problem solving skills, soft skills and tea play into our eco system to transform our students into industry ready resources. Consistently our students have won laurels on both national and international platforms for their outstanding work in product design and development. Dear Professor

Greeting!!!

Hope this email finds you well.

The Directorate of International Relations at Vel Tech brings out its Bulletin of its activities for every six months. Now we have come up with the **5th edition** which covers the activities during October 2018 to March 2019. This issue could be accessed at <https://www.veltech.edu.in/newsletter-2019-issue-5/>

The issue covers

1. Student Mobility / Exchange
2. International Visiting Faculty Members
3. Founder Foreign Scholarships Awarded for Semester Abroad and Higher Studies
4. Awareness and Cultural Events Organised: Chinese New Year Celebration, International Info Day, Russian Cultural Festival and International Students Meet
5. New Memorandum of Understanding (MoUs) signed
6. Alumni Meets Abroad (Taiwan and France)

All the other Issues since October 2016 (Issues 1 to 4) also could be found at <https://www.veltech.edu.in/international-relation/>.

Your views and suggestion are highly appreciated.

Thanks,

With kind regards

Dr. S. Sivaperumal
Director International Relations

Dear Professor

Kind Attention to: Prof. Dr. Can RAZBONYALI, Professor, T.C.Beykent University, Turkey.

Greetings from Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Chennai, India!

Let me introduce our institution, Since inception in 1997, Vel Tech has been offering quality UG & PG programmes in the disciplines of CSE, IT, EEE, ECE, Aero, Auto, Mechanical, Civil and management with industry-integration and internationalization in the campus located at Avadi, Chennai. Vel Tech has laid importance on outcome oriented teaching-learning practices that resulted in multiple cycles of **NBA** accreditation for various engineering programmes and **NAAC "A"** for the entire institution. In **Times Higher education (THE) Asia Rankings 2017**; Vel Tech was ranked **First** among the Indian private institutions, third among the Indian institutions and **43rd among the Top Asian Institutions** and also **Ranked 74th in THE Young University ranking 2017**. This exceptional ranking is a testimony to the high quality practices of Vel Tech in various important functions including internationalization, research, academics, industry relevance and citations. Vel Tech is the first to become the member of **CDIO** (Conceive Design Implement and Operate) constituted by the world's top institutions. Every year more than 80 students are being placed at university abroad for one/two semester to undertake courses / Project works.

We would like to invite you for offering short courses at Vel Tech under International Visiting Faculty programme and the details are as follows:

We invite Eminent Researchers to deliver short course on emerging areas of Engineering & Technology.

Objective: To expose the Vel Tech students and faculty to new topics / latest technologies in Engineering and also to identify areas of possible joint research through interaction with Vel Tech researchers.

Course topic and content to be mutually decided based on visiting faculty expertise area.

Course duration:

15 Hrs x 2 courses (1 Week) – 1 credit each

20 Hrs x 2 Courses (2 Weeks)- 1 credit each

Students: From Undergraduate and / or Masters, based on the topic / course content.

Evaluation: Evaluation has to be conducted at the end of the course and grades to be provided for the award of credits.

Course Material: To be made available to students in English.

Period: One week (or) two successive weeks during
January 21- April, 2019. The exact period to be decided based on your availability.

Entitlements: Vel Tech will take care of,

- i. Flight ticket to Chennai and back by economy class
- ii. Hospitality at Chennai including stay at Vel Tech Guest House, food arrangements and internal travel at Chennai
- iii. Honorarium at INR 3000 per hour of lecture

I shall be extremely thankful if you can consider the above proposal and confirm to us the possibility of offering the course.

Eagerly looking forward to hear from you.

Thanks,

With kind regards

Dr. S. Sivaperumal

Dear Colleagues,

Greeting!!!

Hope this email finds you well.

We'd like to acknowledge our joint accomplishments and treasured memories.

We are very happy to share the **7th issue** of the **Bulletin** from **Directorate of International Relations at Vel Tech**. This Bulletin summarises the activities of the Directorate from **October 2019 to March 2020**.

This issue could be accessed at <https://www.veltech.edu.in/newsletter-bulletin-7/>

This issue covers

1. Founder's Foreign Scholarship for Student Mobility & Higher Studies
2. Student Mobility (Incoming & Outgoing)
3. TECC, Chennai - Visit
4. Taiwan Visit
5. Participation in Study in India Partner Institute Workshop
6. DAAD Chennai Meetings

7. 2020 Chinese Rat New Year Celebration at TEC - SRM
8. MITACS Skype Interview (Final) - Guidance Session
9. International Promotion and Awareness Activities
10. Short Courses by International Visiting Faculty Members
11. Faculty Mobility - Outgoing
12. International Professors Interaction with Faculty Members
13. Memorandum of Understandings (MoUs) signed
14. International Delegates Visit
15. Achievements - Highlights

All the other Issues since **October 2016** (Issues 1 to 6) also could be found at <https://www.veltech.edu.in/international-relation/>

Your views and suggestions are highly appreciated.

Directorate of International Relations at Vel Tech wishes you all the best and looking forward to continuing cooperation! We hope that our partnership will reach new heights in this forthcoming year!!!

Thanks,

With kind regards
