

**Academic Cooperation Agreement
between
Feng Chia University, Taiwan
and**

**Vel Tech Rangarajan Dr. Sagunthala
R&D Institute of Science and Technology, India**

Between Feng Chia University, Taichung, Taiwan, R. O. C. and Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Chennai, India (herein after called "Vel Tech") an agreement has reached concerning the enhancement of academic exchange and cooperation, as well as the promotion of greater knowledge and understanding of each State's history, culture, economics, and social life.

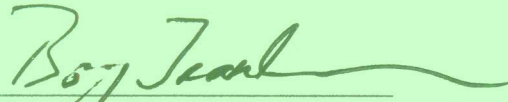

The conditions to this Agreement are as follows:

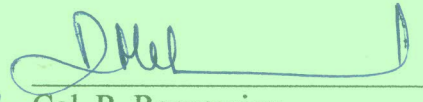

1. The academic faculty members of both universities, upon invitation, will lecture and conduct seminars or research in the host institution. Such members' duration of stay, academic activities, remuneration, and other expenses will be arranged in accordance with the conditions of Feng Chia University and Vel Tech.
2. Both Universities agree to send students to the other University to pursue advanced studies and research. The number of exchange students and financial arrangements shall be defined in a separate written agreement between the two institutions.
3. Both Universities agree to develop a cooperative program to exchange publications, academic theses, and information in fields of interest.
4. Both Universities further agree to promote other academic exchange projects.

This Agreement shall take effect on the date of signing and shall be valid for an initial period of five years. This Agreement shall be automatically renewed for additional five-year periods unless either party provides the other with a written notice that it wishes to terminate. This Agreement is subject to revision, and cancellation by mutual consent at least six months in advance in writing given by either party to the other.

STUDENT EXCHANGE AGREEMENT

Between

**Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and
Technology**

And

Feng Chia University

Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology and Feng Chia University have reached the following agreement to facilitate and enhance the academic cooperation through student exchange.

1. The parties agree to exchange students for the length of one semester or one academic year. On a one-to-one basis, a maximum of 3 students will be exchanged per academic semester or per academic year. The amount of students for exchange may be amended by mutual agreement between the two institutions.
2. Neither party to the exchange agreement shall levy tuition or other state fees on guest students. However, there may be other incidental fees required by the host institution including the application fee and any relevant course fees, gym fees and computer room service fees.
3. In the event of the number of interested students of either university exceeding the limits of the exchange agreement, those students may opt to apply as visiting students. In this case, visiting students pay tuition fees to the host institution.
4. Transportation and living expenses, costs of accommodation and health insurance, and other study costs (e.g., contributions to the local student welfare organization) shall be borne by the guest students (i.e., including exchange students and visiting students). Guest students are required to participate in the student health plan offered or approved by the host institution. Parties to the agreement shall undertake efforts to locate housing for the guest students.
5. The home institution shall propose students qualified for the exchange to the host university no later than three months prior to the beginning of the following academic semester. The host university retains the right to review the students nominated as exchange students and visiting students and to make the final decision concerning the admission.
6. Guest students shall be registered as full-time students at the host institution and have the same rights and duties as host institution students.
7. The student exchange programs to the agreement shall be open to undergraduate students. The programs shall be developed according to the following general guidelines:

- a. Academic achievements at the host university shall be recognized by the home university according to the latter's standards and procedures. Specifics of each exchange student's course of study must be clarified and mutually agreed upon before the beginning of the student's exchange experience.
 - b. The respective host university shall appoint a faculty or staff member who is familiar with course equivalencies, and who shall provide guidance to exchange students.
 - c. Exchange students must meet the admissions criteria of the host university. Prospective exchange students shall submit their qualifications to the host university and clarify the academic program for their stay with the appointed faculty member at the host institution. Formal acceptance of each student by the host institution must precede the student's enrollment at the host institution.
8. Guest students shall be responsible for obtaining any necessary visas and otherwise complying with all immigration laws and regulations of the country of the receiving institution. The receiving institution shall cooperate in such efforts, but shall not have any responsibility to assure the granting of any visas, permits or approvals.
 9. Guest students shall be subject to all regulations, rules and standards of academic performance and personal conduct of students at the host institution. Guest students who violate any such regulations, rules or standards are subject to expulsion from the exchange program, and if expelled, must immediately return to their home country. The expulsion shall not abrogate the agreement or the arrangements regarding other guest students.
 10. This agreement shall be effective for five (5) years from the date of signing.
 11. Amendments to this Agreement may be made at any time by written correspondence, and only when agreed upon by both universities. Any amendments shall be added to the terms as appendices.
 12. Either university may terminate this agreement by giving the other party no less than six (6) months advance written notice. Any students who have enrolled study at the host institution before the date of termination shall not be affected by the termination of the agreement.
 13. The two universities shall carry out a review of the agreement six (6) months prior to its expiration to decide whether to renew the agreement.

To: "Director International Relations Vel Tech, Chennai" <dint@veltech.edu.in>

Dear Dr. S. Sivaperumal,

Thank you so much for your email.

I apologize that we only have a TEEP@AsiaPlus Program.

If have chance, may be we can have a collaboration in the future.

Thank you.

Best Regards,
Jane

2018-03-20 12:08 GMT+08:00 Director International Relations Vel Tech, Chennai <dint@veltech.edu.in>:

Kind Attn.: Ms. Jane Kwan, Master's Program of Green Energy Science and Technology, Feng Chia University, Taiwan

Dear Ms. Jane Kwan

Greeting from Vel Tech, Chennai, India!!!

I am writing this email with reference to the announcement of **TEEP@Asia programme**. This is one of the greatest initiatives of Taiwan Government towards encouraging the students from India and Asia to come to Taiwan. We have been nominating our students (more than 100) to Taiwan since 2012 and most of them got admitted to the Masters programme / Ph.D programmes. **During the AY 2017 – 18 (at present), more than 46 students of Vel Tech are at Taiwan for their research Internship and 37 of them were funded under TEEP@India programme at NTU, NCTU, NFU, NIU, NUU and Tamkang).**

Now, more than 200 of Undergraduate Engineering Students and Post Graduate Management students are ready to take up Internship for period of **4 to 10 months** during **Jun. 2018 to April 2019**. This Internship is mandatory requirement for the award of degree by Vel Tech. We understand that, you have vacancies for the Internship Positions (***in the areas of Green Energy, promoting sustainability awareness, Micro, Small, and Medium Entrepreneurship (MSME)***) and we are eager to explore the possibility of nominating our Students for those positions. In this regard, we would be highly thankful, if you can accept to take our students and provide us the following details. I will assure that, best student only will be nominated after screening at our side.

No. of students required	
Duration of the Internship	
Preferred period (tentative months / dates)	
Last date of reporting	
Requirement of students expertise	

Deadline for Nomination	
Support (Monthly Stipend and Accommodation support, if any)	

Vel Tech has very strong partnership with Taiwan Universities. Please find below the few highlights

1. MoUs with 18 Universities (NTHU, Tamkang, NCKU, NIU, Taipei Tech, NFU, NUU, NCHU, NCCU, STUST, NKNU etc.,)
2. More than 100 students were deputed for Project Work / Internship during the last Four Years and most of them have completed / pursuing their Masters in Taiwan Universities.
3. During the Academic Year 2017 – 2018, more than 46 students were deputed for one semester project work and 37 of them are under TEEP Support.
4. Four Professors from Taiwan were invited to offer courses to Vel Tech students at Chennai.
5. Mandarin teacher was appointed through the TECC India for offering language courses and from Academic Year 2017 – 2018, this language courses were with Credits to students.
6. One Indo – Taiwan R&D Projects was completed which is funded by the both the government of Indian and Taiwan.

Let me also introduce our institution, Since inception in 1997, Vel Tech has been offering quality UG & PG programmes in the disciplines of CSE, IT, EEE, ECE, Aero, Auto, Mech, Civil and management with industry-integration and internationalization in the campus located at Avadi, Chennai. Vel Tech has laid importance on outcome oriented teaching-learning practices that resulted in multiple cycles of **NBA** accreditation for various engineering programmes and **NAAC "A"** for the entire institution. In **Times Higher education (THE)** Asia Rankings 2017; Vel Tech was ranked **first** among the Indian private institutions, third among the Indian institutions and **43rd among the Top Asian Institutions** and also Ranked **74th in THE Young University ranking 2017**. This exceptional ranking is a testimony to the high quality practices of Vel Tech in various important functions including internationalization, research, academics, industry relevance and citations. Vel Tech is the first Institution in India to become the member of **CDIO** (Conceive Design Implement and Operate) constituted by the world's top institutions.

Thanks,

With kind regards

Dear Partner,

Greetings from Feng Chia University Office of International Affairs! We hope this e-mail finds you well.

In preparation for Spring 2020 Student Exchange Program recruitment, we would like you to confirm regarding information.

Please kindly find the attachment to fill out our survey sheet and send it back to us **before June 10th**.

If you would like to provide us your own Fact Sheet, please still let us know the student quota that you can host from FCU.

We greatly appreciate your continued support of our exchange programs and warm support to our students.

We are looking forward to welcoming your students in the near future.

Thank you again for your kind cooperation in advance, and look forward to hearing from you soon.

Sincerely,

Valerie Sun 孫 婷

Dear professor,

We are writing to you as an important stakeholder of our university. We value our ongoing engagement with you and would like to be certain that we are not using your information for any purpose that you would prefer us not to. For the purposes of an important global survey of academic opinion, we would like to seek your permission to pass on your contact details (name, job title, institution and email address) to the QS Intelligence Unit (QSIU). We feel that your impartial responses would contribute to the insight and precision of the survey's outcomes.

If you consent to your contact details being passed to QSIU for this purpose exclusively, please reply to this email by Jan. 10, 2020, and fill in the following or the attached contact details in English.

Title :

First Name :

Last Name :

Job Title :

Department :

Institution :

Location :

Email :

Phone (Optional) :

If we do not hear from you by this date, we will assume that you do not want your contact details to be passed on.

If you agree, you should be contacted by QSIU in the next few months with an invitation to participate in the annual QS Global Academic Survey, along with a maximum of three reminders. Their email will come from rankings@qs.com please add to your safe senders and check your spam.

The resulting data will be used in aggregate form only, QSIU will not contact you for any other reason, or for more than two editions of their annual survey, without supplementary or separate consent. Your responses will be combined with those of many others around the world to form academic reputation indicators used in the QS World University Rankings at global, regional, subject and program levels where relevant. Detailed information can be found here:

Academic : <http://www.iu.qs.com/university-rankings/indicator-academic/>

Many thanks in advance for your cooperation.

Kind regards,

Dear partners,

Greetings from Feng Chia University and wish all you have a great new year in 2020!

We are glad to introduce our International Summer School is going to take place in **July 2020**.

This is a three-weeks summer program with two different theme courses in **Taiwanese Culture (including Marketing courses/2-credits) and Chinese Language/1-credit**.

Students can take not only an academic course taught by English at Feng Chia University but also a Chinese language & culture learning with various activities and field trips.

Assessment will take place throughout the classes and successful students will be awarded **3 credits (3 ECTS)**.

It also offers an opportunity to make new friends around the world!!

Please see the enclosed document for further details about our summer school in 2020 and register NOW at: <https://reurl.cc/b6pmgr>

We appreciate if you can help us to forward the information to your students and sincerely welcome your students to come in 2020 Summer.

Sincerely,

Office of International Affairs

2020 FCUISS (Summer Program).pdf

788K

2020 FENG CHIA UNIVERSITY

INTERNATIONAL SUMMER SCHOOL

This is a three-weeks summer program. We provide two courses this year! You will have the chance to take the Taiwanese Culture course and Chinese Language course. We offer academic courses including cultural classes and field trips. This is a great opportunity for you to make new friends around the world.

TAIWANESE CULTURE: The culture of Taiwan is a blend of aboriginal cultures, Taiwanese folk cultures, Chinese classical culture, and Western-influenced modern culture, which are often perceived in both traditional and modern understandings. Over four-fifths of Taiwanese are descendants of Han Chinese settlers from southeastern China. The island's original inhabitants, who are related to Malayo-Polynesian peoples of Southeast Asia, have lived on the island for thousands of years. Through the lectures, students will learn the history, life styles, religions, architectures, traditional & modern arts, foods in Taiwan. Marketing is a business science concerned with the completion of transactional exchange. It provides an integrated overview of commercial resources, while providing an in-depth look at quality of life and the creation of products that enhance quality of life and are perceived as of value in the marketplace. Students are expected to learn about cross-cultural and international marketing through the courses.

CHINESE LANGUAGE: This introductory course in Chinese language provides the basic communication skills in the Modern Standard Chinese. This course is designed for the students who have had no prior experience to Chinese language and are interested in learning basic Chinese language as well as culture. Throughout the course, students will develop their listening, speaking, reading, and writing skills. However, the emphasis in this course will be on building up students' communicative competence in oral and aural skills. Reading and writing will be minimally introduced along with speaking and listening skills. Students will be able to communicate verbally in Chinese language within given situations.

Theme	TAIWANESE CULTURE	CHINESE LANGUAGE
Lectures	● Introductions of Taiwan's History and Culture ● Taiwanese Tea Culture ● Taiwanese Food Culture ● Indigenous Peoples and Culture in Taiwan ● Taiwanese Music ● Marketing for Service Business ● Consumer Behavior ● Marketing Image and Form Expression ● AI Digital Marketing ● Brand and Fashion ● Image Creation and Visual Marketing	● Pronunciation basis ● Distinguish the differences between the four tones in Chinese & Mandarin ● Use simple daily conversations by Mandarin ● Compare and contrast the differences between English and Chinese grammars ● Introduce yourself by Mandarin ● Order your food by Mandarin
	Note: The course and schedule may subject to change	
Chinese Art	1.Taiji and Qigong 2.Rice Dough Figure	
Field Trips	1.Taichung City Bus Tour 2.National Museum of Science 3. National Taiwan Museum of Fine Art	

Expenses

Details & Price for Summer Course		Non-Partner Universities	Partner Universities	FCU Students
Tuition	Taiwanese Culture Course (2-credits)	\$600 USD	\$475 USD	\$5000 NTD
	Chinese Language Course (1-credit)			\$2500 NTD
Housing	Dormitory (Double Room)	\$160 USD	\$160 USD	N/A
One-Way TPE Airport pick-up service		\$20 USD	\$20 USD	N/A
Welcome Party & Farewell Party Chinese Art Classes		free		

Airport pick-up service will be arranged on 5th of July and departed by 16:00 from TPE Airport (Taiwan Taoyuan International Airport). Please arrive to TPE Airport before the bus departure time if you need the airport pick-up service.

Period

Culture & Language Courses: July 6-22, 2020

RE: From Vel Tech, Chennai, India - Reg. 2020 TEEP Opportunities for our Students at your Esteemed University

1 message

鄭經華 <chengch@fcu.edu.tw>

11 February 2020 at 05:42

To: "Director International Relations Vel Tech, Chennai" <dint@veltech.edu.in>

Dear Dr. Sivaperumal:

I would like cooperation with your university. I will take consideration first from your recommendation.

No. of students required	1-2
Duration of the Internship	3month from Mid. of Aug. or early of Sep., 2020
Preferred period (tentative months / dates)	
Last date of reporting	Before one week of the program
The requirement of students expertise	Strong willing and motivation in research
Deadline for Nomination	As soon as possible, as there are several candidates in my waiting list now
Support (Monthly Stipend and Accommodation support, if any)	I will give each student, 10,000NT/Month, totally. Which can cover the general life spent in FCU. I will help them to find a cheap student's dormitory.

No Flight Tickets covered.

1. The name Lidar, now used as an acronym of light detection and ranging, Lidar sometimes is called **3D laser scanning**, a special combination of a **3D scanning** and **laser scanning**.

2. **Autonomous vehicles** may use Lidar for obstacle detection and avoidance to navigate safely through environments, using rotating laser beam.

3. The **time-to-digital converter** (TDC) is a **time digitizer** which is used to measure a time interval and convert it into digital (binary) output. In our Lab, we have successful developed several TDC chips. We apply these TDC chips with **single-photon avalanche diode (SPAD)** that developed by NCTU and can accurate measure the distance.

4. In this project, you will learn to use a microprocessor to connect a **time-to-digital converter** (TDCs) by GPIO ports. The microprocessor system you can choose from Raspberry, Arduino and other Microprocessor/FPGA boards.

5. You can focus on software programming by C/Perl or other your familiar language and microprocessor. You will focus on the signal-processing technique for getting the correct signal response time from TDC chip under a huge-light noisy environment.

The project description as follows:

Subject: From Vel Tech, Chennai, India - Reg. 2020 TEEP Opportunities for our Students at your Esteemed University

Kind Attn.: Professor Ching-Hwa Cheng, Department of Electronic Engineering, Feng Chia University, Taiwan.

Dear Professor Ching-Hwa Cheng,

Greeting from Vel Tech - Directorate of International Relations, Chennai, India!!!

I am writing this email with reference to the announcement of **2020 TEEP programme**. This is one of the greatest initiatives of the Taiwan Government towards encouraging the students from India to come to Taiwan and utilize this fabulous opportunities for their carrier fortification. We have been nominating our students (more than 200) to Taiwan since 2012 and **most of them got admitted to the Master's** programme/Ph.D. programmes. Here below we have updated the status of Vel Tech students in Taiwan.

Academic Year	No of students went to Taiwan for final year project work under Exchange	No of students went to Taiwan for project work under TEEP Programme	No of students got Masters at Taiwan	No of students Received MoE Scholarship from Vel Tech
2019-2020	37	17	Currently applying	Currently applying

2018-2019	22	17	29	9
2017-2018	9	37	32	8

Now, more than 200 of Undergraduate Engineering Students and Post Graduate Management students are ready to take up Internship for a **minimum duration of 4 months and maximum up to 9 months starting from August 2020 (any period between August 2020 to May 2021)**. This Internship is a mandatory requirement for the award of the degree by Vel Tech. We understand that you have vacancies for the Internship Positions (FCU: Lidar System Design and Validation) and we are eager to explore the possibility of nominating our Students for those positions. In this regard, we would be highly thankful if you can accept to take our students and provide us the following details. Based on our experience, most of these students would prefer to join Masters at your University.

I will assure that the best student only will be nominated after screening at our side.

No. of students required	
Duration of the Internship	
Preferred period (tentative months / dates)	
Last date of reporting	
The requirement of students expertise	
Deadline for Nomination	
Support (Monthly Stipend and Accommodation support, if any)	

Eagerly looking forward to hear from you.

Thanks,

With kind regards

Dr. S. Sivaperumal

Kind Attention: Ms. Amanda Chen, Secretary, Office of International Affairs, Feng Chia University, Taiwan.

Dear Partner,

Greeting from Vel Tech (Deemed University), Chennai, India!!!

Hope you are doing great and this mail finds you in good health.

At the outset, I take this opportunity to thank you for being our International Partner and we really value the same. Now, I am writing this mail towards strengthening our partnership through the following activities.

1. Student Exchange Incoming (Your University Students to Vel Tech)

We are happy to share that every year Vel Tech receives and hosts more than 25 students from partnering university for their one-semester course work and course-related project work (Research Internship). In this regards, Vel Tech is very much eager and looking forward to hosting students from your university with tuition fees waiver and also good scholarships towards covering their living expenses (accommodation and meals). The fact sheet, the incoming Application form is enclosed for your kind reference and FAQ link is as follows <https://www.veltech.edu.in/faq-incoming-exchange-students/>

Importantly, One Scholarship is exclusively allotted to your University and through which the complete living expenses will be covered by Vel Tech (No Accommodation Charges and No Charges for Food). Would be happy to host students from your University.

2. Student Exchange Outgoing (Vel Tech Students to Your University)

We are happy to share every year Vel Tech sends more than 10% of Final Year students to its partnering university for one / two semesters of project work under the exchange programme and half the students were offered admission for their master's Programme after completion of Exchange. In this regards, Vel Tech is very eager and enthusiastic to nominate its students to your esteemed university under the exchange programme. We would be very much happy to receive a fact sheet to nominate our students to your university. Our students will be nominated for one or two semesters (Sep. to Dec. and/or Jan. to May). We started the process of nominating students for the winter semester (Jan. 2020 to May 2020). Also, if there is any funding mechanism for the exchange students, kindly share the details of the same also.

3. Faculty Exchange Incoming (Your university Faculty to Vel Tech)

Vel Tech will be happy to invite your faculty member as visiting faculty for offering courses at Vel Tech for 1 or 2 weeks with complete funding from Vel Tech to offer a short course by exposing the students and faculty to new topics / latest technologies in Engineering and also to identify areas of possible joint Research by interaction with Vel Tech researchers. This is one way of attracting our students to your University for Exchange / Higher Studies.

Depending on the Course Title, awarding of credit may be decided. 30 hours of teaching will be most preferred and could be one course or two independent courses.

Entitlements by Vel Tech:

- i. Travel by economy class to Chennai & back.
- ii. Hospitality at Chennai including the stay at Vel Tech Guest House, Food arrangements and Internal travel at Chennai.
- iii. Honorarium

More Details at: <https://www.veltech.edu.in/visiting-faculty/>

4. Faculty Exchange Outgoing (Vel Tech Faculty to Your university)

Similarly, we would be happy to nominate our faculty to your university for delivering courses/research attachments. Terms can be discussed on mutual acceptance. If there is any such a Programme, kindly share the same.

If you are not responsible for these activities, I request you to share the correct members' contact for each of these activities.

Eagerly looking forward to hearing from you

Thanks,

With kind regards

Dear Sir,

I am glad to receive your invitation for keynote speech and to deliver short term course to your student.

I accept your invitation to be keynote speaker and to deliver the course.

I have attached the required information in this mail which gives the details about my visit to Vel Tech.

I request you to send me official Invitation letter for further process.

Thank you

Dear Professor Lung Mao Hung

Greetings from Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Chennai, India.

We are writing this email with reference to the discussion with our student Mr. Bibek Gupta who is carrying out project work at FENG YU COMPANY, Taiwan. We are very much delighted and thankful with the opportunity favoured to Mr. Bibek Gupta.

We would like to invite you to deliver the short course to our civil Engineering students during March/ April 2020. Also Department of Civil Engineering organising the International Conference in Novel Innovations and Sustainable Development during 31st March to 1st April 2020 has expressed their desire to invite you for keynote speaker. If you are ok with our proposal, please share the following

1. Updated CV
2. Course Title with content (15 Hours)
3. Possible dates for delivering short course at Vel Tech
4. Keynote Title for Conference

Entitlements

- 1.Round Trip Economy Class Flight Tickets (For Exclusive Visit to Vel Tech)
2. Course Honorarium(INR 3000 per Hour)
3. Accommodation at our International Guest House
4. Airport and Local Transfers

Looking forward to hearing from you.

Thanks,

With kind regards

Dear professor Sivaperumal and K Jagajjanani Rao,

Warm greetings from Feng Chia University, Taiwan.

I would like to inform you that I will leave the Office of International Affairs from April 30, 2021. It was certainly a great experience for me to work in this field of international education with your kind support. I would like to take this opportunity to appreciate everyone for your cooperation and friendship. If you have any further question, please kindly contact my colleagues as follows: Contact : oia@fcu.edu.tw (FCU) or shchu@fcu.edu.tw (secretary)

Thank you very much for everything!

Dear Miya Yang,

Thank you very much for your email.

With reference to the below email, I am connecting with **Dr. K Jagajjanani Rao, Associate Professor, Department of Bio-Technology** who will be associating with you for further discussions.

Herewith we have enclosed our areas of expertise in PPT based on "Green Technology & Environmental Biotechnology" for your kind perusal. We have tried to convey our areas, experience, collaboration, department facilities @ VelTech for research. Please let me know your inputs and suggestions so that we can incorporate further.

Regarding the same, we may plan an online meeting in upcoming days.

Looking forward to hearing from you.

Dear professor Sivaperumal,

Thank you for your swift reply.

Please allow me to introduce myself. I am Crystal who is in charge of agreement signing procedure and inbound exchange program. We're eager to establish a consolidated cooperation with more specific program. According to your information, we will contact and communicate with our related Colleges and professors to figure out what we could do in the future. Please kindly allow us to get connection with them first, then we will arrange an online meeting with you afterwards.

Besides, apart from academic cooperation and student internship, we're also very interested in student exchange program. Would you mind providing us with more details about your current exchange program with scholarship?

Thank you for your patience and assistance. Hope you have a wonderful weekend!

副本: 朱樹萱; 賴文祥; 賴珮珊

主旨: Re: Proposal for an Online Meeting - From Vel Tech, India.

Dear Miya Yang,

Thank you very much for your positive reply.

We have consolidated your queries and we can discuss elaborately in an online Meeting.

1. The college or department that you might be interested in the virtual internship or project work.

We are keen to explore the possibilities of virtual internship or project work to the Undergraduate students of Final Semester Engineering programs in the following departments.

1. Mechanical Engineering
2. Aeronautical Engineering
3. Civil Engineering

2. For the joint research project, what kind of project that your students might prefer to join in?

The Joint Research Project is not for students. We are interested to explore the possibility of research collaboration with the research faculty in your esteemed university in the following areas.

S. No	Research Areas	S. No	Research Areas
1	Unmanned Aerial Vehicles	14	Green technologies
2	Additive Manufacturing	15	Multifunctional nanoparticles
3	Thermal energy storage	16	Metabolic Engg. & Biochemical Engg.
4	Artificial intelligence	17	CFD
5	Metal forming	18	Advanced manufacturing processes
6	Optical chemo sensors & Biosensors	19	Composite Structures
7	Bio nanotechnology	20	Finite Element Method
8	Interfaces & nanomaterials	21	Expert system design
9	Microbial pigments	22	Nature- Inspired Computing
10	Environmental biotechnology	23	Microstrip Patch Antenna
11	Recommender Systems	24	Graphene Antennas
12	Big Data	25	Graphene printed electronic circuits
13	IoT		

3. About the duration of the virtual or project work, do you think it is more appropriate for 2~4 weeks, or it could be lasted for a summer vacation?

1. The duration of Virtual project work is a Minimum of 4 Months (Feb 2021 to Jun 2021) and it is mandatory for the credit requirement at Vel Tech and the student should submit a thesis at the end of their Internship/project work to defend viva voce examination at Vel Tech. There will also be an Internal Guide from Vel Tech to mentor them as per the requirement.

2. Short Term (2~4 weeks) virtual project work may be planned for present 3rd Year students at Vel Tech.

4. The future plans of internship or project work for the forthcoming students.

1. We are eager to know about Internship/project work with funding support under TEEP Program.

2. Vel Tech will also be happy to accept your students under Exchange and there are scholarships available for Incoming Exchange Students. We have already hosted students from Taiwan.

Apart from this, we are eager to discuss the Possibility of Dual Degree Programs (3.5+2) and Joint PhD programs.

We are eagerly looking forward to the meeting schedule.

Thanks,

With kind regards

Dear Dean of International Relations,

It's a great honor to receive a letter from you and Happy Chinese New Year! Sorry for the late reply due to the Lunar Chinese New Year was celebrating in Taiwan during the middle of February.

Also, we're interesting in your tentative agenda, but before the online meeting, we would like to know about the detail or issues as below:

1. The college or department that you might be interested in the virtual internship or project work.
2. For the join research project, what kind of project that your students might prefer to join in?

3. About the duration of the virtual or project work, do you think it is more appropriate for 2~4 weeks, or it could be lasted for a summer vacation?
4. The future plans of internship or project work for the forthcoming students.

We're going to have a small meeting with our Dean, Prof. Lai, with your promotion first next week and then arranging an online meeting with you within the next two weeks with possible time and date.

We're looking forward to having a reply from you soon as well.

Thank you!

Sincerely,

Miya Yang

Dear Prof. Dr. Lai Wenxiang,

Chinese New Year Greetings from Vel Tech University (Formally Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science & Technology), Chennai, India!!! ***Have a prosperous and auspicious year in 2021.!!!***

Hope you are doing great and this mail finds you in good health. We deem that you and your family members & colleagues are healthy regardless of pandemic situation.

At the outset, I take this opportunity to thank you for being one of our successful partner universities.

I recently took charge as Dean of R&D and International Relations.

I am writing this email towards fortifying our cordial relationship and also to get in connection with you after a long time, since it has been while we have exchanged emails and I am very confident that we will resume our activities very soon.

I am exploring the possibility of providing virtual internship/Project work to our students under the guidance of professors at your esteemed university for the duration (Feb 2021 to June 2021). The internship/Project work offered is mandatory for the credit requirement at Vel Tech and the student should submit a thesis at the end of their Internship/project work to defend viva voce examination at Vel Tech. There will also be an Internal Guide from Vel Tech to mentor them as per the requirement. If any opportunity is there, we will circulate the information among our final year students and we will nominate potential students.

I would also like to have the opportunity of having an Online meeting (Zoom / MS Teams / Google Meet / Skype etc.,) to have one to one interaction with you and / or your Officials on your convenience, any time during the next two weeks, towards strengthening our ties. Kindly let us know the possible date and time.

My WhatsApp number is +91 96000 40255.

The tentative agenda of this online meeting are

1. To have interaction with the members of Office of International Relations
2. To discuss about the forthcoming student mobility
3. Towards inviting your Faculty members as Visiting Faculty to Vel Tech
4. To discuss the possible areas of Join Research (including the recent Bilateral Call)

Looking forward to hearing from you.

Dear professor,

We are writing to you as an important stakeholder of our university. We value our ongoing engagement with you and would like to be certain that we are not using your information for any purpose that you would prefer us not to. For the purposes of an important global survey of academic opinion, we would like to seek your permission to pass on your contact details (name, job title, institution and email address) to the QS Intelligence Unit (QSIU). We feel that your impartial responses would contribute to the insight and precision of the survey's outcomes.

If you consent to your contact details being passed to QSIU for this purpose exclusively, please reply to this email by **December 17th**, and fill in the following or the attached contact details in English.

Title :

First Name :

Last Name :

Job Title :

Department :

Institution :

Location :

Email :

Phone (Optional) :

If we do not hear from you by this date, we will assume that you do not want your contact details to be passed on.

If you agree, you should be contacted by QSIU in the next few months with an invitation to participate in the annual QS Global Academic Survey, along with a maximum of three reminders. Their email will come from rankings@qs.com please add to your safe senders and check your spam.

The resulting data will be used in aggregate form only, QSIU will not contact you for any other reason, or for more than two editions of their annual survey, without supplementary or separate consent. Your responses will be combined with those of many others around the world to form academic reputation indicators used in the QS World University Rankings at global, regional, subject and program levels where relevant. Detailed information can be found here:

Dear Prof. Dr. Lai Wenxiang,

Chinese New Year Greetings from Vel Tech University (Formally Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science & Technology), Chennai, India!!! ***Have a prosperous and auspicious year in 2021!!!***

Hope you are doing great and this mail finds you in good health. We deem that you and your family members & colleagues are healthy regardless of pandemic situation.

At the outset, I take this opportunity to thank you for being one of our successful partner universities.

I recently took charge as Dean of R&D and International Relations.

I am writing this email towards fortifying our cordial relationship and also to get in connection with you after a long time, since it has been while we have exchanged emails and I am very confident that we will resume our activities very soon.

I am exploring the possibility of providing virtual internship/Project work to our students under the guidance of professors at your esteemed university for the duration (Feb 2021 to June 2021). The internship/Project work offered is mandatory for the credit requirement at Vel Tech and the student should submit a thesis at the end of their Internship/project work to defend viva voce examination at Vel Tech. There will also be an Internal Guide from Vel Tech to mentor them as per the requirement. If any opportunity is there, we will circulate the information among our final year students and we will nominate potential students.

I would also like to have the opportunity of having an Online meeting (Zoom / MS Teams / Google Meet / Skype etc.,) to have one to one interaction with you and / or your Officials on your convenience, any time during the next two weeks, towards strengthening our ties. Kindly let us know the possible date and time.

My WhatsApp number is +91 96000 40255.

The tentative agenda of this online meeting are

1. To have interaction with the members of Office of International Relations
2. To discuss about the forthcoming student mobility
3. Towards inviting your Faculty members as Visiting Faculty to Vel Tech
4. To discuss the possible areas of Join Research (including the recent Bilateral Call)

Looking forward to hearing from you.

Thanks,

With kind regards

Dr. S. Sivaperumal

Dean - R&D and International Relations

Dear partner,

Feng Chia University Chinese Language Center offer online courses for students who want to learn Mandarin. With the internet and a laptop/tablet, you can learn Mandarin at home. Choose the class you are interested in. Open the link in your email at the appointed time, and then you can learn Chinese online with teachers.

For detailed information, please visit our website. <https://sites.google.com/view/fcuclonlinecourse-1/%E9%A6%96%E9%A0%81>

逢甲華語中心現在推出線上華語課程了!只要家裡有網路及平板或筆電，就可以在家跟我們中心的老師學中文。你可以選擇有興趣的課程。報名成功之後，只要點開電子郵件的連結，就可以和老師一對一學習。

報名方式及課程細節可以參考我們的網站：
