Dear Dr. S. Sivaperumal,

Greetings from the Politécnico de Leiria, Portugal!

Following our MoU signed in 2019, it is a pleasure to share with you some ways students from your University can study in the Politécnico de Leiria in 2020.

As a credit mobility student

Students are able to study abroad for a limited period of one semester for which credits are obtained.

After the mobility phase, the students return to their sending institution to complete their studies.

In the link <http://www.ipleiria.pt/international/exchange-students/#incoming>, you can find all information you need about deadlines, subjects/academic offer and language, documents, accommodation and other useful information for mobility students for studies.

You will see that the information is for Erasmus programme, but we deal with all mobility students in the same way.

If you need to clear up something or specify any procedure, you can contact directly the responsible colleague for cooperation with India, Naide Martins (naide.martins@ipleiria.pt).

As a degree student

This option is involving students who are enrolled to complete a full degree in an abroad university.

For this option, our online applications for 2020/2021 are now open until April, 22nd.

You can find in attached a document with all the information you will need for the students applications.

Regarding the first-year applicants concerns, all information can be found on [our Future Student Webpage](#).

So, we give you just a glance about what you can expect on our website:

1. Browse our International students [webpage](#).
2. Check the master [calendars](#).
3. Apply online [here](#).
4. Check [Portugal](#) and Leiria Cost of Living.
5. [Submit Visa](#) Application and Supporting Documents.
6. Find out [quick time saving tips](#) for international students.
7. Apply for Scholarships [here](#).
8. Quiz: International Students have the chance to win a 500€ enrolment fee waiver. Know how [here](#).

If you have any questions, please feel free to email us.

Warm regards,

Dina Amaro
