

MEMORANDUM OF UNDERSTANDING

BETWEEN

NATIONAL TAIWAN UNIVERSITY OF SCIENCE AND TECHNOLOGY, TAIWAN

AND

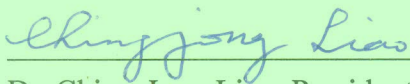

**VEL TECH RANGARAJAN DR.SAGUNTHALA R&D INSTITUTE OF SCIENCE AND
TECHNOLOGY
INDIA**

This Memorandum of Understanding is made by and between National Taiwan University of Science and Technology and Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology, hereinafter referred to as "Taiwan Tech" and "Vel Tech."

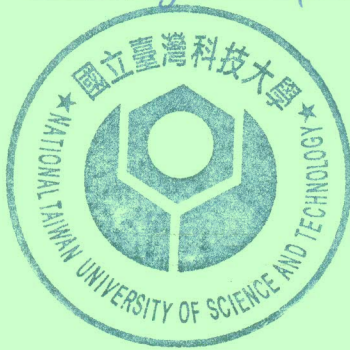

1. Taiwan Tech and Vel Tech hereby agree to encourage academic cooperation through research and study in furtherance of the advancement of learning as stated below:
 - (a) To encourage visits by faculty from one university to the other for the purpose of engaging in research;
 - (b) To facilitate the admission of qualified students from one university to the other for the purpose of enrolling in undergraduate and graduate programs, and in the case of advanced graduate students, participating in research;
 - (c) To foster the exchange of academic publications and scholarly information; and
 - (d) To promote other academic activities which enhance the aforementioned mentioned goals.
2. Both universities acknowledge that the visit by faculty and students from one university to the other shall be subject to the entry and visa regulations of Taiwan and India and shall comply with the regulations and policies of Taiwan Tech and Vel Tech.
3. Both universities agree that all expenses, including research material, international and domestic travel, per diem, honoraria and all other costs, shall be the responsibility of the participating scholars and determined on a case-by-case basis and agreed upon a mutual written consent of the parties. However, each side will make its best efforts to make available university accommodation to visiting faculty and students.

4. This Memorandum of Understanding shall be executed on the date of signature and remain in effect for five (5) years. It shall be extended automatically for an additional period of five (5) years at each expiration date unless either party gives six (6) months' advance notice in writing to terminate this Memorandum of Understanding.
5. Both universities agree that this Memorandum of Understanding is incorporated into, and will provide the foundation and framework for, projects developed by academic and administrative units from the two universities and documented in other subsequent Agreements.

AGREEMENT FOR ACADEMIC INTERCHANGE
BETWEEN
VEL TECH RANGARAJAN DR.SAGUNTHALA R&D INSTITUTE OF SCIENCE AND
TECHNOLOGY
AND
NATIONAL TAIWAN UNIVERSITY OF SCIENCE AND TECHNOLOGY

This Agreement is made by and between the National Taiwan University of Science and Technology (hereafter referred to as Taiwan Tech) and Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology (hereinafter referred to as "Vel Tech"). Both parties, desiring to promote and develop cooperation in research and education, intend by this Agreement to establish a program of educational cooperation and student and faculty exchange.

I. The REPRESENTATIVES

- 1.1 Specific publicity, recruitment of students and other collaborative projects involving both universities will be agreed between each university's representatives. For Vel Tech its representatives shall be Director -- International Relations For Taiwan Tech its representatives shall be the Dean of Office of International Affairs.
- 1.2 Collaborative activities may be subject to additional terms and conditions agreed in writing between the parties' representatives.

II. STUDENT EXCHANGE PRINCIPLES IN RECIPROCITY

- 2.1 Exchanges shall be reciprocal and balanced over the duration of this agreement.
- 2.2 Each university may send up to 2 full-year students per year, or 4 one-semester students, as the number shall be calculated in terms of "student semesters/terms" (e.g., one student for one academic year equals two student semesters/terms). However, this number may vary in any given year, provided a balance of exchanges is obtained over the term of the Agreement. The normal exchange period shall be one semester or one academic year.
- 2.3 In the event of an anticipated imbalance, either party may suspend or reduce intake or outflow of students to maintain the balance.
- 2.4 Exchange students will not be charged for application or tuition fees at the host institution.
- 2.5 Exchange students will be accorded the rights and privileges of regular attendance at the host institution, excluding the rights to matriculate and /or earn degrees at the host institution.
- 2.6 The exchange program shall be administered through Directorate of International Relations at Vel Tech and the Office of International Affairs at Taiwan Tech.

III. APPLICATION AND ADMISSION

- 3.1 Students who wish to participate in the exchange shall submit applications to the international programs coordinator (or other designated official) of their home institution.
- 3.2 Exchange students shall be nominated on the basis of criteria determined by the home institution. However, all students must have completed at least two semesters of study at the home institution before beginning the exchange period and have demonstrated superior academic achievement and meet a language proficiency requirement, defined as the capability for students to succeed academically at the host institution. The host institution reserves the right to review these students and to make the final decision concerning their admission.
- 3.3 The applications, together with other required documents, will be sent to the host institution by its designated deadline.
- 3.4 The host institution international programs coordinator retains the right to review these students and to make the final decision concerning their admission. Lack of availability of desired classes may result in denial of otherwise qualified applicants.

IV. FEES AND SCHOLARSHIPS

- 4.1 Exchange students shall pay tuition and fees to their home institution while tuition and fees will be waived at the host institution. Neither university shall charge exchange students for tuition or application fees.
- 4.2 Exchange students may apply for available scholarships at the host institution.
- 4.3 The host institution may collect certain mandatory fees (e.g., health services) from incoming students which are not required from outgoing students. All such fees will be specified in advance.

V. REGISTRATION AND RECORDS

- 5.1 All exchange students must register on a full-time basis.
- 5.2 Records will be established for exchange students as if they were regularly matriculated students of the host institution. An official transcript of course work and grades will be mailed to the Registrar of the home institution on the completion of each semester of attendance.
- 5.3 Any academic credit that exchange student receives from the host institution may be transferred back to the home institution in accordance with procedures determined by the home institution.
- 5.4 An exchange student who wishes to participate in a foreign language program in addition to the courses taken during the exchange semester may do so upon payment of established session fees to the host institution.

VI. STUDENT OBLIGATIONS

- 6.1 Exchange students will be responsible for ensuring their own international transportation arranged either individually or by the sending institution. Travel costs will be the responsibility of the individual exchange students.
- 6.2 Exchange students are responsible for their own financial support, and the host institution bears no responsibility for providing funds to an exchange student for any purpose.
- 6.3 Exchange students are responsible for securing their own housing accommodations, but the host institution will provide assistance and support in locating appropriate housing.
- 6.4 Exchange students are required to be covered by health insurance valid in the host country, and buy the health insurance before go to the host country.
- 6.5 The obligations of the two institutions under this Agreement are limited to the exchange students only and do not apply to partners or dependants. Expenses of accompanying partners/dependants are the responsibility of the exchange students.
- 6.6 Each university reserves the right to dismiss any participating student at any time for academic or personal misconduct in violation of established regulations of the host institution and the host country. The dismissal of a participant shall not abrogate the agreement for the arrangements regarding other participants. Exchange students are subject to the same rules and regulations as local students.
- 6.7 Upon completion of the exchange period at the host institution, the participating students must return to their home university. No extension of stay will be authorized unless otherwise specified by the home institution.

VII. FACULTY EXCHANGE

- 7.1 Both participating universities agree to encourage the development of a mutually-beneficial visiting faculty program. Faculty members in this type of exchange may be invited to participate in lectures, workshops, symposia, research and special projects, as well as offer short courses. Visitation lengths, course curricula, and compensation will be determined on a case by case basis.

VIII. PERIOD OF AGREEMENT & REVISION

- 8.1 This Agreement shall be executed on the date of signature and remain in effect for five (5) years. It shall be extended automatically for an additional period of five (5) years at each expiration date unless either party gives six (6) months' advance notice in writing to terminate the Agreement.
- 8.2 Both Taiwan Tech and Your Institution shall engage in mutual consultation and negotiation in the event(s) any major issue(s) arise in connection with this Agreement.
- 8.3 In the case of any irresolvable problems arising from this Agreement, either institution may terminate with six (6) months' prior notice, provided that exchanges in progress, or agreed to, are not interrupted. In addition, articles of this Agreement may be revised upon mutual consultation of both the parties herein.

For this purpose, the responsible parties will be the (President/Rector/Vice Chancellor) of the (your institution) and the President of the National Taiwan University of Science and Technology.

Dear Prof. Ray-Guang Cheng

Greeting from Vel Tech, Chennai, India!!!

I am writing this email with reference to the announcement of **TEEP@Asia programme**. This is one of the greatest initiatives of Taiwan Government towards encouraging the students from India and Asia to come to Taiwan. We have been nominating our students (more than 100) to Taiwan since 2012 and most of them got admitted to the Masters programme / Ph.D programmes. **During the AY 2017 – 18 (at present), more than 46 students of Vel Tech are at Taiwan for their research Internship and 37 of them were funded under TEEP@India programme at NTU, NCTU, NFU, NIU, NUU and Tamkang).**

Now, more than 200 of Undergraduate Engineering Students and Post Graduate Management students are ready to take up Internship for period of **4 to 10 months** during **Jun. 2018 to April 2019**. This Internship is mandatory requirement for the award of degree by Vel Tech. We understand that, you have vacancies for the Internship Positions (**in the areas of Internet-of-Thing (IoT), 5G, OpenAirInterface**) and we are eager to explore the possibility of nominating our Students for those positions. In this regard, we would be highly thankful, if you can accept to take our students and provide us the following details. I will assure that, best student only will be nominated after screening at our side.

No. of students required	
Duration of the Internship	
Preferred period (tentative months / dates)	
Last date of reporting	
Requirement of students expertise	
Deadline for Nomination	
Support (Monthly Stipend and Accommodation support, if any)	

Vel Tech has very strong partnership with Taiwan Universities. Please find below the few highlights

1. MoUs with 18 Universities (NTHU, Tamkang, NCKU, NIU, Taipei Tech, NFU, NUU, NCHU, NCCU, STUST, NKNU etc.,)

2. More than 100 students were deputed for Project Work / Internship during the last Four Years and most of them have completed / pursuing their Masters in Taiwan Universities.
3. During the Academic Year 2017 – 2018, more than 46 students were deputed for one semester project work and 37 of them are under TEEP Support.
4. Four Professors from Taiwan were invited to offer courses to Vel Tech students at Chennai.
5. Mandarin teacher was appointed through the TECC India for offering language courses and from Academic Year 2017 – 2018, this language courses were with Credits to students.
6. One Indo – Taiwan R&D Projects was completed which is funded by the both the government of Indian and Taiwan.

Let me also introduce our institution, Since inception in 1997, Vel Tech has been offering quality UG & PG programmes in the disciplines of CSE, IT, EEE, ECE, Aero, Auto, Mech, Civil and management with industry-integration and internationalization in the campus located at Avadi, Chennai. Vel Tech has laid importance on outcome oriented teaching-learning practices that resulted in multiple cycles of **NBA** accreditation for various engineering programmes and **NAAC "A"** for the entire institution. In **Times Higher education (THE)** Asia Rankings 2017; Vel Tech was ranked **first** among the Indian private institutions, third among the Indian institutions and **43rd among the Top Asian Institutions** and also Ranked **74th in THE Young University ranking 2017**. This exceptional ranking is a testimony to the high quality practices of Vel Tech in various important functions including internationalization, research, academics, industry relevance and citations. Vel Tech is the first Institution in India to become the member of **CDIO** (Conceive Design Implement and Operate) constituted by the world's top institutions.

Thanks,

With kind regards

Dear Professor Ray-Guang Cheng

Greeting from Vel Tech, Chennai, India!!!

I am writing this email with reference to the announcement of 2019 **TEEP@Asia programme**. This is one of the greatest initiatives of the Taiwan Government towards encouraging the students from India and Asia to come to Taiwan to utilize this fabulous opportunities for their carrier fortification. We have been nominating our students (more than 200) to Taiwan since 2012 and **most of them got admitted to the Master's programme /Ph.D. programmes**.

During the **AY 2018 – 19** (at present), more than **30 students of Vel Tech are at Taiwan** for their research Internship/ final year project and **17** of them were funded under **TEEP** programme at NCTU, NFU, and Tamkang).

During the **AY 2017 – 18**, more than **46 students** of Vel Tech are at Taiwan for their research Internship and 37 of them were funded under TEEP@ India programme at NTU, NCTU, NFU, NIU, NUU, and Tamkang). **32 students** got admitted to **Masters** in Taiwan for the Academic Year 2018 - 19 and **8 of them got Ministry of Education, Taiwan** scholarship.

Now, more than 200 of Undergraduate Engineering Students and Post Graduate Management students are ready to take up Internship for a **minimum duration of 4 months and maximum up to 9 months starting from August 2019 (any period between August 2019 to May 2020)**. This Internship is a mandatory requirement for the award of the degree by Vel Tech. We understand that you have vacancies for the Internship Positions (**5G, IoT, Machine- Learning**) and we are eager to explore the possibility of nominating our Students for those positions. In this regard, we would be highly thankful, if you can accept to take our students and provide us the following details. Based on our experience, most of these students would prefer to join Masters at your University.

I will assure that the best student only will be nominated after screening at our side.

No. of students required	
Duration of the Internship	
Preferred period (tentative months / dates)	
Last date of reporting	
The requirement of students expertise	
Deadline for Nomination	
Support (Monthly Stipend and	

Accommodation support, if any)

We have appended the brief profile of our University. Eagerly looking forward to hear from you.

Thanks,

Dear Ms. Cameo Hsu,

Greeting from Vel Tech- Directorate of International Relations!!!

Hope you are doing good.

We are delighted to share that every year our partnering universities in Taiwan especially NCKU, Tamkang University, STUST, NTHU, NIU, NFU, NUU, Taipei Tech, NCHU, NCCU, NSYSU, NYUST together hosted around 30 students under students exchange particularly for one or Two Semesters of Project work. Besides, many students have enrolled their Masters after completion of the project work.

With reference to the collaboration agreement signed between our Universities, I am writing this mail with reference to great exuberant and enthusiasm showed by our B. Tech Pre-final year Engineering students currently pursuing 6th Semester for undertaking **One or Two Semester project work** under the guidance of Professor at your esteemed institution under **student exchange**. The students will join at National Taiwan University of Science and Technology for the fall semester starting from September 2020 for their project work.

The project work is mandatory for the credit requirement at Vel Tech and the student should submit a thesis at the end of their project work to defend viva voce examination at Vel Tech.

The students are ready to take care of their accommodation and living expenses by themselves for their duration of stay.

In this Regards, we request you to check with the possibility of providing an opportunity for our students for one or two-semester project work at your esteemed university. If so, kindly send the fact sheet and application forms to be submitted by our students for nominations. Also kindly share the deadline for the applications to be submitted and the maximum number of students can be nominated.

Looking forward to hearing from you.

Thanks,

With kind regards

President – National Taiwan University of Science and Technology

Taipei, Taiwan, R.O.C.

Dear Professor

Greeting from your **Partner University - Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science & Technology, Chennai!!!**

At the outset, I take this opportunity to thank you for being one of our **successful partner university**. We are proud and happy to present you the highlights of our partnership with Taiwan.

• MoU's with **21 Taiwan Universities..!**
(NTHU, Tamkang, NCKU, NIU, Taipei Tech, NFU, NUU, NCHU, NCTU, NCCU, STUST, NKNU, NSYSU, etc.,)

MoU's

• More than **200 students** were deputed for **Project Work/Internship** including many under **TEEP** during the last Four Years and most of them have completed / pursuing their Masters & Doctorate in **Taiwan Universities**

Student Mobility

• **Ten Students** of Vel Tech awarded **Ministry of Education, Taiwan** Scholarship for higher studies during **2019 - 20**. Totally 45 scholarships for South Asian Countries [India, Bhutan, Bangladesh, Sri Lanka & Nepal]

MoE Scholarship

Highlights - Vel Tech partnership with Taiwan

• **Nine Professors** from various **Taiwan** Universities were invited to offer courses to Vel Tech students at Chennai

Visiting Faculty

• **Mandarin Teacher** was appointed through the TECC India for offering language courses since 2015 - 16 and this language courses were with Credits to students

Mandarin Language

• One **Indo - Taiwan R&D** Projects was completed which is funded by the both the government of Indian and Taiwan

R&D Projects

Now, I am writing this email towards further strengthening our current partnership with your esteemed university through the following activities.

Student Mobility:

Vel Tech nominates more than 100 students every year to its partner universities (more than 80% to Taiwan) for their Final Semester Research Project work. Most of these students get admitted to Masters/Ph.D. in the same university.

Vel Tech will also be happy to accept your students under Exchange and there are scholarships available for Incoming Exchange Students. We have already hosted students from Taiwan.

More Details at: <https://www.veltech.edu.in/students-exchange-programme/>

Faculty Mobility:

Vel Tech will be happy to invite your faculty member as visiting faculty with complete funding from Vel Tech. This is one way of attracting our students to your university.

More Details at: <https://www.veltech.edu.in/visiting-faculty/>

Similarly, we would be happy to nominate our faculty as visiting faculty. Terms can be discussed on mutual acceptance.

We are also happy to present you our activities of International Relations as bulletin and these are available at <https://www.veltech.edu.in/international-relation/>. You can note that most of activities are more specific to Taiwan.

I have also copied this email to Ms. Meng-Jiy Wang, Dean, Office of International Affairs and others Members of International Affairs Office.

Vel Tech is proud of its relationship with your esteemed university and the students who have been benefitted from the partnership between the two institutions. Vel Tech seeks to instill a global perspective in its students.

We take this opportunity to invite you and your Leadership Team to Vel Tech. Looking forward to hear from you.

Thanks,

Dear Prof. Meng-Jiy Wang,

Chinese New Year Greetings from Vel Tech University (Formally Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science & Technology), Chennai, India!!! ***Have a prosperous and auspicious year in 2021!!!***

Hope you are doing great and this mail finds you in good health. We deem that you and your family members & colleagues are healthy regardless of pandemic situation.

At the outset, I take this opportunity to thank you for being one of our successful partner universities.

I recently took charge as Dean of R&D and International Relations.

I am writing this email towards fortifying our cordial relationship and also to get in connection with you after a long time, since it has been while we have exchanged emails and I am very confident that we will resume our activities very soon.

I am exploring the possibility of providing virtual internship/Project work to our students under the guidance of professors at your esteemed university for the duration (Feb 2021 to June 2021). The internship/Project work offered is mandatory for the credit requirement at Vel Tech and the student should submit a thesis at the end of their Internship/project work to defend viva voce examination at Vel Tech. There will also be an Internal Guide from Vel Tech to mentor them as per the requirement. If any opportunity is there, we will circulate the information among our final year students and we will nominate potential students.

I would also like to have the opportunity of having an Online meeting (Zoom / MS Teams / Google Meet / Skype etc.,) to have one to one interaction with you and / or your Officials on your convenience, any time during the next two weeks, towards strengthening our ties. Kindly let us know the possible date and time.

My WhatsApp number is +91 96000 40255.

The tentative agenda of this online meeting are

1. To have interaction with the members of Office of International Relations
2. To discuss about the forthcoming student mobility
3. Towards inviting your Faculty members as Visiting Faculty to Vel Tech
4. To discuss the possible areas of Join Research (including the recent Bilateral Call)

Looking forward to hearing from you.

Thanks,

With kind regards

Dr. S. Sivaperumal
