

Schedule 2 - Agreement

End User	Vel Tech Dr.RR & Dr.SR Technical University, India
-----------------	--

QUT will provide the End User with the Package(s) specified below for the Term on receipt of payment of the Hosting Fees below and provided that course and class details are recorded in the University Competence Center, Queensland University of Technology website at <http://selfservice.ucc.qut.edu.au/>

TERM

From July 15, 2016 until July 14, 2017 inclusive.

PACKAGES

Package	Description of Package	Hosting Fees
Standard Entry Package	Basic Access Rights implemented as below: No of clients: 1 x dedicated client. Dataset: GBI2.40 SAP University Alliances approved curriculum: Introduction to SAP ERP using GBI2.40 System: Shared system access	\$AUD5000 plus regional taxes where applicable
	Named User accounts: 400 - only users teaching or enrolled in courses provided through Vel Tech Dr.RR & Dr.SR Technical University, India. Concurrent user accounts: 100 - only users teaching or enrolled in courses provided through Vel Tech Dr.RR & Dr.SR Technical University, India.	
	TOTAL FEES	\$AUD5000 plus regional taxes where applicable

Basic Access Rights

1. The Basic Access rights are available in the Standard Entry Package as described below.
2. Basic Access Rights have the following properties:
 - a. Access to SAP ECC shall be provided via a dedicated client in SAP Business Suite which will be configured in one of the following ways:
 - i. only to support the agreed exercises supported by IDES;
 - ii. only to be able to support the Fitter Snacker Dataset developed by Brett Wagner;
 - iii. only to be able to support the Global Bike Incorporated (GBI) Dataset;
 - iv. only to be able to support the Fly-a-Kite Dataset;
 - v. only to be able to support the Business Process Integration (BPI) Dataset;
 - vi. only to be able to support the QUT-Grand Valley set of exercises; or
 - vii. a bare client for sole use by the customer university.
 - b. Will not support configuration activities which are not in the agreed and provided University Alliances educational dataset.
3. The Basic Access Rights are intended solely to support the functional exercises in SAP Business Suite on the assigned educational dataset.
4. If the UAP member elects to use standard IDES as part of their service package, the End User is not permitted to alter the cross-client configuration of the system, and further, QUT makes no warranty that exercises developed by the institution on this IDES dataset will be possible.
5. In a shared system environment, NO configuration activity is supported which changes the installed master data or configuration data.
6. The Basic Access Rights will include lecture demonstration access of the extended range of SAP Products supported by the UCC in a shared system, but does not include use by students in individual instruction, practical classes or workshop environments. Such access will not support configuration activities; it will only support transaction execution.
7. The physical environment provided as part of the Basic Access Rights
 - a. is shared with other organisations as well as the Institution;
 - b. the maximum number of concurrent users is 100 at any one time; and
 - c. the maximum per client is 400 depending on the dataset described in the table on page one (1) of this agreement
8. The systems backup for Basic Access Rights provided for this shared service shall be conducted weekly by QUT.

PAYMENT

Payment will be by electronic funds in **Australian Dollars** as described in the invoice provided by QUT (irrespective of which currency is referenced, Euro or \$AUD) into the following account. The End User must identify itself by using the End User's name

Account Name:	QUT Operating Account
Bank Name:	National Australia Bank
Bank Address:	308 – 322 Queen Street, Brisbane QLD 4000 Australia
Account Type:	Cheque
BSB Number:	084-004
Account Number:	518486682
Swift Code:	NATAAU3304B International Payments

CONTACT DETAILS FOR TECHNICAL AND ADMINISTRATIVE MATTERS**QUT contact details:**

Name:	John Sargent
Position:	Contracts Manager

Postal Address:	Science and Engineering Faculty Queensland University of Technology GPO Box 2434 Brisbane Queensland 4001 Australia
------------------------	---

Phone number:	+61 7 3138 1932
Email address:	contracts.ucc@qut.edu.au

End User contact details:

Name:	K.Silambarasn
Position:	Assistant Professor

Postal Address:	42 Avadi – Alamathi Road Chennai Tamilnadu 600062 India.
------------------------	---

Phone number:	+918754484209
Email address:	vtu@veltechuniv.edu.in

Advanced Access Rights

9. Advanced Access Rights are needed to provide classes requiring cross client access or configuration, development, Net Weaver or Basis Administration rights or dedicated use in small classes of an advanced products such as Business Warehouse (BI) or Advanced Planning and Optimisation (APO) or Customer Relationship Management (CRM) can only be provided as an additional product to the Standard Entry Package.
10. Any other access to SAP products not described in the Basic Access Rights or the Advanced Access Rights above must be negotiated for inclusion in the Advanced Product Access rights.
11. The physical environment provided as part of the Advanced Access rights
 - a. the maximum number of clients for cross client configuration is 2;
 - b. the maximum number of concurrent users for cross client configuration is 50 concurrent users;
 - c. the maximum number of named users for cross client configuration is 100;
 - d. the maximum number of concurrent users for the HEC ERP Simulation Game is 208;
 - e. the maximum number of named users for the HEC ERP Simulation Game is 208;
 - f. for TERP10 the maximum number of concurrent users is 25;
 - g. for TERP10 the maximum number of named users is 25;
 - h. for all other Advanced Access Rights the maximum number of concurrent users is 100;
 - i. for all other Advanced Access Rights the maximum number of named users is 100.
12. The systems backup for Advanced Access rights provided for this service shall be conducted weekly by QUT. Any increase in backup frequency is subject to additional charges.

In all cases

- UAP faculty will be responsible for unlocking accounts and resetting passwords.
- Additional SAP products may be provided at additional charges in the Standard Entry Package only.
- All course and class details that use the package or SAP products described in the table on page 1 of this Schedule are to be recorded in the University Competence Center, Queensland University of Technology website at <http://selfservice.ucc.qut.edu.au/>
- The End User must ensure that the packages are only used within the parameters (e.g. specific locations, schools, courses) specified in the packages table.

This Schedule 2 Agreement may be signed and faxed by the parties in counterparts. The signed counterparts taken together (whether the originals or faxed copies) will be deemed to constitute the Schedule 2 Agreement.

**SAP UNIVERSITY ALLIANCES
INVITES YOU TO ATTEND:****Train the Trainer Workshop on
Introduction to MACHINE
LEARNING****DATE:** 30 Nov 2017**TIME:** 10:00 AM – 5:00 PM**TRAINER:** Sanju Walia (SAP Labs
Gurgaon)**Venue:**

SAP Labs Gurgaon

Flexi Room A, Tower A, Vatika Towers

Sector 54, Golf Course Road

Gurgaon-122002

India

Dear Prof Kumaran,

The SAP University Alliances Program has sponsored an initiative for the development of curriculum materials by experienced university academics. It is a major, global undertaking with the aim of developing a library of downloadable courses for member universities

We are extremely happy to offer this One Day TTT workshop on the exponential technology- Machine Learning. The trainer for this workshop is Sanju Walia from our SAP Labs Gurgaon office. Sanju has more than 8 years of industry experience on diverse topics viz. SAP Hybris, IS-Retail, GRC & Fashion Management Solution, he is currently working as **Principal Consultant – Development**, primarily as an Automation architect for innovating, designing and developing frameworks for effective business scenario automation. Plz find attached his profile.

This session will give an overview about the latest trends in technology world viz Big Data, Internet of Things & Machine Learning, followed by the Industry perspective (SAP) on these technological paradigm with examples of different use cases being developed and innovated across diverse lines of business

Last Date to Register: 20 November 2017

How to Register: Please send an email to r.sachdev@sap.com with the following

- Name of the nominated Professor & University
- Email id of the professor
- Contact number of the Professor

Target Audience: University Professors

Pre requisites: None

Please note that you will have to make your own accommodation and travel arrangements. There is no registration fee for this workshop. Certificate of Participation will be provided to all the participants after successfully completing the training.
