Memorandum of Understanding (MoU)

Between

Veltech Dr.RR & Dr.SR University

(Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology)

[Deemed to be University u/s 3 of UGC Act, 1956]

and

ARAI[®]

Progress through Research

THE AUTOMOTIVE RESEARCH ASSOCIATION OF INDIA (ARAI), PUNE

and

GLOBAL AUTOMOTIVE RESEARCH CENTRE (GARC), CHENNAI

[Handwritten signatures and initials]

The Veltech Dr.RR & Dr.SR University, is a Deemed University u/s 3 of UGC act 1956 located at Avadi, Chennai (hereinafter referred to as **Veltech**), The Automotive Research Association of India, a Registered Society and an Industrial Research Organization formed by the Indian Automotive Industries and the Ministry of Heavy Industries & Public Enterprises, Government of India, located at Pune (hereinafter referred to as **ARAI**) and the **Global Automotive Research Centre**, a unit of NATRIP, Registered Society and an Industrial Research Organization under the Ministry of Heavy Industries & Public Enterprises, Government of India, located at Oragadam, Chennai (hereinafter referred to as **GARC**) having recognized the need for graduates required for the tasks of working with high quality and skills in Automotive and allied Industries, have, on 18th May 2017 entered into this agreement, Which witnesseth as follows:

1 The three Institutions recognize that-

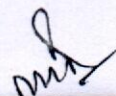

- 1.1. ARAI has embarked upon a program of building up human resource by commencing educational programmes in automotive engineering since 2004. Veltech is offering two-year M Tech Programmes in various areas in collaboration with ARAI & GARC since past few years. The success of this collaboration has prompted Veltech, ARAI & GARC to look into the development of B. Tech Programme.
- 1.2. Rapid globalization and economic liberalization have led to a phenomenal growth of Automotive and allied industries in India and upward trend continues, requiring more and more engineers in manufacturing and R&D sectors.
- 1.3. The existing graduate curricula in mechanical and Automotive Engineering streams in the country is not able to meet the new challenges and needs to equip the students with appropriate theoretical knowledge and practical training relevant to the automotive and allied industries
- 1.4. Thus there is a need to develop a new engineering curriculum dedicated to addressing the growing needs of a resurgent automotive sector.
- 1.5. Complex issues in the field of emissions control, aerodynamic styling, vehicle dynamics, vehicle performance, fuel economy, noise & vibration, electronics, materials and manufacturing can be resolved adequately only by skilled and knowledgeable automotive engineers.
- 1.6. A joint industry-academia venture is necessary for educating and training automotive engineers who meet the industry's needs, and can propel the sector into the next millennium.
- 1.7. Veltech has a pool of qualified faculty capable of imparting theoretical knowledge in aforementioned and allied engineering subjects. It has world class infrastructure and laboratories and also Central Library and a Computing center.

- 1.8. ARAI & GARC have state-of-the-art facilities and experts specialized in various areas of Automobile engineering.
- 1.9. ARAI is already conducting B Tech courses in collaboration with other Universities and has established a strong methodology for B Tech Programmes. It also has around 15 faculties from ARAI Academy, who can teach various subjects.
- 1.10. GARC has the state of art infrastructure for automotive testing and R&D activities and it is already conducting a Post graduate programme in Automotive Mechatronics in collaboration with Veltech.
2. VELTECH, ARAI & GARC, therefore, agrees to pool their resources and collaboratively offer a **four year Bachelor of Technology (B. Tech) Programme in Mechanical Engineering with specialization in Automobile Engineering**, which is specially designed to meet the current requirement of the industries, Veltech further agree that this particular B. Tech programme is a joint venture therefore this programme with the specialization will not be offered independently.
3. **This agreement further witnesseth that**
- 3.1. The curriculum for this B. Tech programme would be evolved jointly as per the academic norms of Veltech. An Advisory Council will be established to design / modify course curriculum and the evaluation procedure, which will be subsequently approved as per the procedure of VELTECH from time to time. Faculty from Veltech, ARAI, GARC and members from automotive & allied industries (in India and abroad) and academia would be the part of the council.
- 3.2. The admission to this programme is based on performance in the entrance examination conducted by Veltech and counselling as per the Veltech admission procedure. The application forms, dates of application and dates of examinations will be informed by Veltech from time to time. Veltech will be responsible for the overall admission Process. Veltech will advertise admission related information in newspapers and / or VELTECH website. Applications for admission to the programme will be issued by Veltech. Process for selection and admission of students to the programme will be carried out by Veltech in accordance with its regulations. Candidates willing to join the course will apply directly to Veltech. Counselling of all the students for this course will be conducted at VELTECH in the presence of ARAI & GARC officials.
- 3.3. Minimum marks of 60% would be required in Class XII (or equivalent) Mathematics, Physics and Chemistry to qualify students for admission into this program.

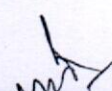

- 3.4. The students admitted to this programme will spend their first three years at Veltech and their remaining one year at GARC under the supervision of ARAI. During the seventh semester, theory subjects, practical and In-plant training will be offered at GARC. The students will spend a minimum of one week internship at ARAI for specialized training at ARAI Academy.
- 3.5. During the eighth semester, the project work of students will be identified and assigned by ARAI & GARC in consultation with Veltech. The project will be carried out either at ARAI, GARC, and Veltech or at industry depending upon nature of the project. The project will be carried out under the overall supervision of Veltech at ARAI / GARC/ industry. If needed a guide from ARAI, GARC or the sponsoring industry will be co-opted.
- 3.6. The seventh semester examinations will be conducted at Veltech as per its rules and procedures. The eighth semester project viva-voce examinations will be conducted at Veltech along with the nominee from ARAI / GARC as per the rules and procedures. If required, the demo may be conducted at Veltech or at the location of the project.
- 3.7. ARAI will depute some of their full time faculty members or visiting faculty members for delivering guest lectures to the second and third year students of this program in person or through WEBEX.
- 3.8. The initial intake of students for this programme would be up to 60, which can be reviewed on mutual consent. The students fees paid every year will be in two categories as follows:
- 70 % students will pay full fees as per University regulations. This includes 2 wards each of ARAI & GARC permanent Employees nominated by ARAI & GARC management respectively as per its merit criteria.
 - 30% students will pay management quota fees.
- 3.9. Veltech will be responsible for the overall administration of the student's work and the examination process. The courses registered during the study at Veltech will be taught at Veltech by faculty members from Veltech. The courses registered during the study at GARC will be taught by the expert members (Executives from ARAI or GARC) at GARC. GARC will provide dedicated class room and laboratory, to accommodate 60 students of 4th year, along with teaching aids. GARC also will provide an orientation program for incoming students. Veltech shall prepare class schedule for the courses for which students register after the discussions with the expert members of ARAI, GARC and Veltech. Assessment of student progress should be performed in accordance with the academic regulations of the Veltech. ARAI & GARC shall provide hands on experience to the students by exposing the students to the facilities and laboratories at GARC.

- 3.10. ARAI will depute one of its faculty members as Resident Faculty Member at its cost for coordinating and delivering lectures to the students of this program at Chennai, in person or through WEBEX. VELTECH as well as GARC would offer an exclusive faculty-room to ARAI faculty at their respective location on free of cost basis. ARAI faculty, while in VELTECH or GARC campus, will be allowed to use existing facilities such as telephone, computer, internet, AC, etc. free of charge and shall be bound by the Staff Regulations of VELTECH & GARC including but limited to matters of attendance, discipline, code of conduct and ethics. VELTECH will provide staff accommodation in its hostel for resident faculty of ARAI at its Avadi campus, as well as provide food on subsidized payment basis, which will be paid by the resident faculty for him.
- 3.11. Veltech will be responsible for conducting the end semester examinations. Question papers for the examinations will be moderated and set by Controller of Examinations Office, Veltech. For the courses conducted at GARC, question paper will be prepared by Veltech /GARC/ARAI. An E-Mail will be sent by Controller of Examinations, Veltech to ARAI and GARC at the beginning of the semester requesting to nominate the question paper setter for courses conducted at GARC along with the question paper setting policies. Examination fee will be collected by Veltech and the entire expenses for the examinations would be borne by Veltech. Successful candidates, on completion of the programme, would be awarded the degree by Veltech, mentioning collaboration of ARAI & GARC. Logos of ARAI & GARC shall be engraved on the Degree Certificate.
- 3.12. **Veltech, ARAI & GARC will share the tuition fees collected from the students every year, in the ratio of 40:30:30 respectively.** The fees will be collected by Veltech from each student during admissions, before commencing the curriculum of the course. Veltech will send ARAI& GARC's share within 30 days of receipt of the fees. Caution deposit, examination fee and any other fee will be collected as per Veltech norms. Tuition fee for counselling and Management quota will be decided by Veltech in consultation with ARAI and GARC

Sr. No.	Item	Amount for B Tech Programme	Payment method
1	One Time Caution deposit	Rs.5000/-	Student to VELTECH
2	Consolidated Annual Course Fees per candidate	Rs. 150000 (As detailed in Article 3.8)	Student to VELTECH
3	Examination Fees per year per candidate	Rs. 7500/-	Student to VELTECH
4	ARAI Academy Alumni Association (AAAA) Fees per candidate one time	Rs. 750/-	Student to ARAI through VELTECH

3.13. Job placement for the graduates of this programme will be facilitated jointly by the parties.

3.14. The student will normally graduate at Veltech upon meeting the terms and regulations of Veltech.

3.15. The entire process will be reviewed by all the parties every 5 years before going for an extension of the agreement. All the parties have rights to inspect the progress of courses at Veltech & GARC without any prior notification.

3.16. **Coordinators:** The Parties identify following coordinators to ensure proper implementation of the B. Tech

Veltech : Dean, School of Mechanical & Constructional Engineering

ARAI : Deputy General Manager, ARAI Academy, Pune

GARC : Deputy Director, GARC Academy

In case of any escalations, reference shall be made to following officials:

Veltech : Director, Industry Relations

ARAI : Head, ARAI Academy & Sr. Deputy Director

GARC : Head, GARC Academy & Deputy Director.

4. Intellectual Property

4.1 The Parties recognize the intellectual property rights of each other in the materials to be delivered in connection with the programs to be carried out and agree not to publish any paper, file any patent / copyright, trademark, design registration application in its own name or in the name of its associates on any matter relating to details supplied / disclosed by the other party, nor take any other action that may prejudicially affect such intellectual property rights.

4.2 The ownership of the intellectual property rights in the works carried out under the programme shall be mutually agreed.

5. This agreement will be in force for a period during which five batches of students would complete their study, **commencing from June 2017 and ending in June 2025**. This will be reviewed before the Start of the 5th academic year. Any further extension or modification of the Agreement can be done with mutual consent.

6. General

6.1. Neither party is an agent of, partner of, employee of or in joint venture with the other. Neither party has the right to bind the other party to any third party, or to the fulfillment of any

condition not expressly provided for herein, or to any agreement or obligation, expresses or implied, between the other party and third party

6.2. No extension, alternation, modifications or addition to this MoU, or any waiver of any of the terms hereof, shall be valid unless made in writing and signed by the authorized representative of the respective parties.

6.3. The MoU shall in no way become hindrance for carrying out any activities not stated in the agreement by the parties in pursuance of their respective constitutions.

7. Notice

Any notice, consent or other communication authorized or signed by authorized representative required to be given here under shall be deemed to be given if sent by telex/fax/Email and confirmed immediately by registered air mail to the respective address of the parties first above mentioned, or such address as either party may notify to the other for use in future and shall be deemed to be operative on the working day next after the first communication by telex or fax or registered air mail is received.

8. Force Majeure

Neither party shall be held responsible for non-fulfillment of their respective obligations under this agreement due to the exigency of one or more of the force majeure events such as but not limited to the acts of God, war, flood earthquake, strikes, lockouts, epidemics, riots, civil commotion, scarcity of water, electricity or such other basic facilities etc. provided on the occurrence and cessation of any such event the party affected thereby shall give a notice in writing to the other party within one month of such occurrence or cessation. If the force majeure conditions continue beyond six months, the parties shall jointly decide about the future course of action.

9. Arbitration

Any dispute or difference arising out or in connection with this MoU shall be settled by the parties by mutual negotiations. Any unsettled dispute or difference shall be referred to the arbitration of a sole arbitrator, who shall be jointly appointed by the Parties. The provisions of the Arbitration and Conciliation Act 1996 shall regulate the arbitration and the venue of the arbitration shall be in Chennai, India. The language of arbitration shall be English.

10. Applicable Law

The governing laws for the purpose of this agreement shall be the laws of India and the court at Chennai shall have exclusive jurisdiction.

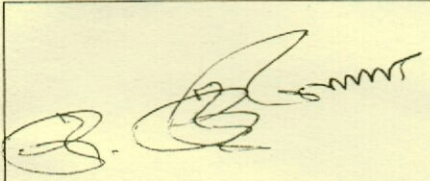

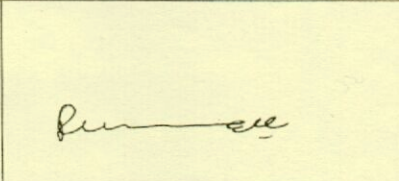

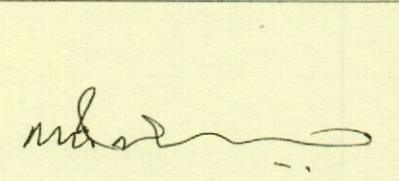

11. Assignment

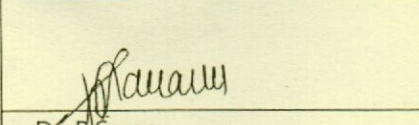

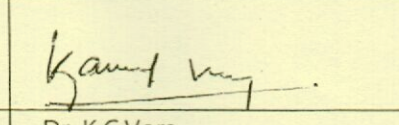

The MoU is personal to the parties hereto and may not be assigned in whole or in the part by either party without the written consent of the other party.

In witness whereof the parties have caused this MoU to be signed by their duly authorized representatives the day and year first above written.

Signed today, the 18th May 2017
