VEL TECH Rangarajan Dr. Sagunthala R&D Institute of Science and Technology a Deemed University located at #42&60, Avadi-Veltech Road, Chennai, Tamilnadu (hereinafter referred to as **VEL TECH**) and Boston IT Solutions (India) Private Ltd, (hereinafter referred to as **BTA**), having its registered office at Unit 64, Ground floor, Railway Parallel Road, Kumara Park West, Bengaluru, Karnataka 560020, India having recognized the importance to Industry Oriented Training have, on this 11th day of Jan 2021, entered into this agreement which witnessed as follows:

PREAMBLE

VEL TECH is an Institution deemed to be University offering Undergraduate, Post Graduate and Doctoral Programmes in Engineering, Management and Science. For more than two decades, Vel Tech has been carrying out academic and high-quality research activities in diversified technology domains in association with national partners like DRDO / DST / ARAI / FCRI and international partners from Taiwan, USA, Korea Germany and France.

Vel Tech is known for its excellent and unique National Facilities such as Center of Excellence for Manufacturing Facilities, High Speed Bearing Test Facility, Automotive Engine Test Facility and E Waste Management, to mention a few. Global Alliances of Vel Tech has International Relations with more than 390 Institutions across 30 countries and has entered in the Memorandum of Understanding (MoU) with more than 210 Institutions. NIDHI Centre of Excellence at Vel Tech Technology Business incubator programme supported by DST promotes entrepreneurship, innovation and venture development.

BOSTON TRAINING ACADEMY: BTA

Boston Training Academy (BTA), is an education initiative of Boston Ltd. Since its founding in 1992 in London UK, Boston has expanded its operations globally and has been providing training in IT solutions and AI training for a long time. Its high performance, mission-critical server and storage solutions are tailored for each specific client, helping create ideal solutions. From the initial specification, solution design and even full custom branding – Boston Limited helps clients solve toughest business challenges simply and effectively. Following on from the successful launch of Boston IT Solutions India in 2009, Boston launched Boston Server & Storage Solutions GmbH in Germany a year later, with offices also opening on the West and East coast, USA in 2012. Boston Limited has been providing cutting edge technology. With a vision to make world class education accessible to aspiring business leaders through strategic collaborations.

OBJECTIVE

The objectives of this interaction are many and would evolve with time and the quality of inputs provided by both the parties. At the outset the following can be envisaged.

a) This MoU is intended to cover & specific collaborative effort between BTA & **VELTECH** under the Boston training Academic, will work towards developing and designing and/or providing industry specific application oriented courses ("Boston Designed Course(s)") as per Annexure A.

b) To provide interactions with the industry practitioners so as to have an understanding of industry expectations for the fresh graduates.

c) To provide for regular knowledge exchange between institute and industry experts.

d) To create opportunities to carry out Joint research & Consultancy for mutual benefit in areas where deemed necessary by both.

Hence BTA & VEL TECH agree

- BTA agrees to design and develop BOSTON collaborated Course(s) identified in the Annexure A. The final choice of BOSTON collaborated Course to be offered by the VEL TECH to its students will be jointly agreed between BTA and the VEL TECH.
- There would be no linkage with student admission/ enrolments, campus placements as part of this program as these are two distinct activities. The enrolments & placement activities are separate and the participation of the institution for the BOSTON designed course(s) has no bearing on enrolments & Placement activities as Boston conducts at college and university each year.
- Outstanding students' contributions in all possibility will be show-cased by BOSTON at industry level forums and will be arranging Internship with maximum level along with due acknowledgement to the students concerned.
- At the end of the course, BOSTON may at its option, reward / recognize individual students for exemplary achievements based on participation, discussion, contribution, assignment submission etc. during the course work.
- BOSTON at this point will be providing AI course design, content and delivery sessions as per the Annexure A as a part of BOSTON efforts to

promote industry & Academia collaboration benefiting the society and stakeholders. certification to students on successful completion of a course

- Both parties shall not use the name of the other in any advertisement or make any public announcement without the prior written approval of the other.
- Each party shall respect the others Intellectual Property Rights (IPR) and shall not use any trademark, copyright, design, symbol or designation belonging to the other, without prior written approval of the other party.
- VELTECH agrees that BTA is not obliged on account of this MOU to recruit/hire or train any fixed number of students from VEL TECH.
- Both the parties shall maintain confidentiality in respect of any information, course material, plans, discussions, strategies or any material which shall be deemed to be confidential and shared between the parties. Further, VEL TECH agrees that BTA may request students who undertake training to execute confidentiality agreements in order to protect any information exchanged by BTA with such students in this regard.
- It is acknowledged by the VEL TECH that the confidential information furnished by BTA will not be disclosed, either in whole or in part, to any third party, either directly or indirectly, by agent, student, employee or representative. However the confidential information furnished may be disclosed only to those faculties of VEL TECH connected with the activities pertaining to this MOU and they will be directed by VEL TECH to treat such information in accordance with the terms of this MOU. The provisions pertaining to confidentiality shall continue even after the termination of this MOU.
- VELTECH shall ensure availability of all requisite facilities, infrastructure, cooperation, software's required to seamlessly deliver the Collaborated Course(s) / Curriculum to the applicable students.
- BTA & VEL TECH hereby warrants, covenants, and undertakes that at any point of time during this MOU or after termination thereof they shall not use the name of BTA / VEL TECH and related trade names of the BTA / VEL TECH in any internal or external media or publications without obtaining the prior consent of BTA / VEL TECH in writing. Media for the purpose of this clause shall include any visual representation, records, ledgers, letter heads, audio, internet, websites, brochures, pamphlets, etc.

- VEL TECH or its affiliates hereby warrants, covenants and undertakes that at any point of time during this MOU or after termination thereof it shall not use the name of BTA and related trademarks, logos or any other name used by in any internal or external media or any publications without obtaining the prior consent of BTA in writing. Media for the purpose of this clause shall include any visual representation, records, ledgers, letter heads, audio, internet, websites, brochures, pamphlets, application forms, prospectus, catalogues, press releases etc.
- VEL TECH hereby covenants that it will not indicate, directly or indirectly, in its brochures, prospectus or any other media that students enrolling in the courses conducted by VEL TECH will qualify for any employment or training in units of BTA.
- All publications whether through print or any other media connected with the activities pertaining to this MOU will be done after review and express approval of VEL TECH and BTA. Any release and use of the publications shall be done only upon express written approval of the VEL TECH and BTA.
- **To organize Guest Lectures, Joint seminars/workshops/conferences.** This will be organized as and when required on mutually acceptable terms and conditions.
- **To jointly engage in Curriculum & Syllabi development**
- BTA will extend its support to VEL TECH in framing curriculum & syllabi for courses, where BTA deems fit. In such a case BTA will nominate its industry experts to be members in the Board of Studies of VEL TECH.

Exclusivity: It is expressly understood and agreed between the parties that the partnership under the provisions of this MOU shall be non-exclusive in nature. BTA shall have the unqualified and unfettered right to enter into similar nature of business at any time during the term of this agreement. VELTECH agrees that it shall provide the product-course module exclusively to BTA and shall not, directly or indirectly, be involved in or concerned or associated with, independent or individual assignments during the subsistence of this agreement which is/are similar to the programs provided herein and for a period of this MoU.

Fees Sharing:

The fee structure for Data science & AI courses is as per Annexure A. BTA and VELTECH are entering a mutual agreement based on Fee mentioned as per the Annexure A, for any revision of the fee sharing only through a mutual discussion of both the parties and revision will be done yearly once.

Course Fees: It is agreed by the Parties that VELTECH shall have the sole right to determine the Course Fees that will be charged from the Students.

Revenue Data: As promptly as practical but no later than fifteen (15) days following the end of each quarter, Parties will exchange data sufficient to detail and describe the number of Students that had enrolled and payment to be made to the Boston in the prior quarter from the Courses. Such information will be presented in a manner mutually agreed upon by the Parties.

Payment and Delivery:

The fees shall be quoted and payable to BTA at the address specified on the invoice. Unless otherwise agreed by the parties in writing, payment shall be made by VELTECH by wire transfer in advance. **VELTECH shall ensure timely payments to BTA within 30 days of course commencement.** Depending on the specific course nature, if BTA is arranging specific faculties from different geographic location, apart from the location of delivery, VELTECH shall be notified on such cases about costs involved in faculty travel and stay. This shall be payable on actual to BTA.

PAYMENT SCHEDULE:

Payment to the BTA would be made in the following manner:

1. 50% of the BTA Fee to be paid prior to start of the Courses
2. Rest 50% of the BTA Fee to be paid within 30 (thirty) days of commencement of the course.
3. **Taxes:** All payments shall be subjected to applicable taxes deductions at source. BTA , VELTECH agree to reasonably cooperate with each other to enable each to more accurately determine its own tax liability and to minimize such liability to the extent legally permissible.

Boston Solutions (I) Pvt. Ltd. Bangalore

Orders: All orders shall be transmitted by VELTECH to BTA and shall be subject to acceptance in writing by BTA. BTA may (in its sole discretion) refuse acceptance of any order. Conflicting, inconsistent, or additional terms or conditions contained in any order submitted by VELTECH shall not be binding unless BTA specifically accepts such terms or conditions in writing. All expenses arising out of the change or cancellation of an order after acceptance by BTA, including the cost of cancellation or change of location or change of schedule, shall be paid by VELTECH to BTA, on demand.

Legalities of the agreement: Nothing herein shall be construed as creating a legal partnership or joint venture. For the purposes of this MOU the Parties shall be, and shall be deemed to be, independent contractors and not agents or employees of the other Party. Neither Parties shall have authority to make any statements, representations or commitments of any kind, or to take any action which shall be binding on the other Party, except as may be expressly provided for herein or authorized in writing.

Indemnification: VELTECH agrees to indemnify and hold BTA harmless from any and all actions, awards, claims, losses, damages, costs and expenses (including reasonable attorneys' fees) attributable to VELTECH 's breach of this Agreement or to any negligent, grossly negligent, willful or unlawful acts or omissions of VELTECH , its employees, officers, agents, subcontractors, dealers or representatives.

COORDINATORS

One coordinator from each side shall be appointed for effective monitoring & implementation of the action points of this MOU.

DURATION:

This agreement will be for a period of three years from the date of signing of this MOU by both the parties and will be renewed further if mutually agreed. Either party may terminate the agreement by written notification signed by the appropriate official of the Institution initiating the notice. Such notice must be received by the other party three (3) months prior to the effective termination date. However, obligations and commitments already contracted for and involving their parties shall be honored and continued by both parties until such commitments are completed.

Madam,

You are aware that Guest Lectures by experts from Industries are arranged by Universities to expose the students to the ever changing technology developments and the best practices in modern industries.

It is our experience that these guest lecturers of two to three hours can only introduce the topic and give a general outlay but no doubt it generates a lot of interest among the students to know more on such topics taken by Industry experts. It is our endeavor to provide more exposure on these topics and encourage the students to specialize in that topic to the level he is useful and employable in similar industries. We propose to request the

- **Industry experts delivering one credit course (Specialized Course) of 15 hours during the ensuing semester (either on two or three Saturday's or Saturday Sunday continuously).The ensuing semester will start in 3st week of February 2021 and will end in 3st week of June 2021.**

Industry experts may choose any of the following courses. This will also help imparting the expectations by Industries to the student community and thus make the students to improve their technical skills in a variety of domains. We can also mutually decide the dates and times that are convenient to Industry experts.

We request you to give your expert advice on this by email and give your convenient date and time to further discuss on this subject.

The following Specialized courses are listed here for winter semester 2020-2021. As discussed kindly select some of the courses below and send the confirmation.

1. HCL- Cloud software application
2. RUST – Programming language
3. DART - Programming language
4. Kotlin - Programming language

5. Swift - Programming language
6. Ruby - Programming language
7. Haskell – Programming language.
8. OCAML - Multi-paradigm language
9. Pony - open-source, object-oriented, high-performance programming language.
10. Elixir - Programming language.
11. ELM -haications
12. Device Drivers
13. Machine learning and Reinforcement Learning in finance
14. Django – Web framework
15. Spark – Data processing
16. Cyber Threat Intelligence
17. Time service forecasting
18. Angular and React
19. Intelligent Apps
20. Programming for Analytics
21. Neuro imaging

Thanks
