and

KWALITY GROUP OF INDUSTRIES (Electronics and Photonics), located at D-28, Electronic Complex, Kushaiguda, Hyderabad, Telangana 500062 (hereinafter referred to as **KWALITY**) having recognized the need for training high quality specialist personnel required for the tasks of Manufacturing LEDs, LED Displays & Optoelectronic Products have, on this 13th day of oct 2014 entered into this agreement which witnesses as follows:

1. The two institutions recognise that :

VEL TECH has a pool of qualified faculty capable of imparting theoretical knowledge in various fields of engineering and allied engineering subjects. It has also excellent infrastructure with state of art facilities like Automotive Electronics and Embedded System Lab, Dassault PLM Software with CATIA, PROE and SIMULA packages for design, Virtual Instrumentation Lab set with the latest software "LABVIEW" of NI, CAD/CAM, Mechatronics, Engine Testing, Fuels and Lubricants, Two and Three wheeler, Fluid Mechanics, Thermal Engineering, Strength of Materials, Dynamics, Metrology and Measurements, Advanced VLSI, Embedded systems laboratories, Central library and computer centres. VEL TECH has also signed more than 150 Memorandums of Understanding with various research institutes, industries, and universities across the Globe for bilateral and multilateral exchange of resources and to set up Centre of Excellence in the field of Engineering and Technology.

KWALITY, which includes Kwality Electronic Industries and Kwality Photonics Pvt Ltd is India's largest producer of Light Emitting Diodes (LEDs), LED Displays & Opto Electronic Products. Kwality is not only the pioneer, being the first Indian Company to have successfully established LEDs production in India but also commands the highest market share in domestic sales. Kwality is a Technology Leader - able to deliver state of art products, Quality Leader - having obtained ISO 9001:2008 and consistently achieving near 100% yields, and Range leader - offering over 600 types of LEDs, LED Displays & Optoelectronic Products. The current research focus in KWALITY is in fields of LED

Lighting, LED Luminaires, LED Light engines, LED Drivers, LEDs application Automotive Lighting.

2. **VEL TECH** and **KWALITY** agree to:

- **Projects for final year Students.** For this, **KWALITY** will identify Real Time projects in different areas for our students from Electrical, Electronics, Instrumentation, Mechanical and Automobile branches of Engineering and from School of management (the distribution among the branches will be made available well in advance to **VEL TECH**) so that the selection of these students is completed at least two weeks prior to commencement of Projects at **KWALITY**.

- Both the parties can include their name in advertisement.

- **Industrial Visits (IV)** to the unit at D-28, Electronic Complex, Kushaiguda, Hyderabad. The visits will be coordinated by Personnel Manager (HR). Date of visit and the batch size will be decided well in advance by mutual consultations.

- **Guest Lectures** by experts of **KWALITY** on areas of their specialization.

- **In-Plant Training (IPT)** every year for one month for Electrical, Electronics, Instrumentation, Mechanical and Automobile Engineering Students, which will also coordinated by the Personnel Manager (HR).

- **KWALITY** will assist the **VEL TECH** by providing inputs to curriculum design to improve their relevance to the needs of the industry by nominating an expert to join the appropriate **Board of Studies of the University**.

- **VEL TECH** in consultation with **KWALITY** will identify areas of research in contemporary technology appropriate to the respective products manufactured by them. Work that is done by the University on behalf of the Industry will be treated in confidence between the two parties and any intellectual property that may be developed out of such collaborative work will be held jointly by both the parties.

- **Joint Seminars / Workshops / Conferences**

- **Placement** of Electrical, Electronics, Mechanical and Automobile Engineers and Management students subject to their suitability by a selection team of **KWALITY.**

This agreement will be in effect initially for a period of 3 years from the date of signing of this MOU by both the parties and will be renewed further if mutually agreed. Either party may terminate the agreement by written notification signed by the appropriate official of the Institution initiating the notice. Such notice must be received by the other party six months prior to the effective termination date. However, obligations and commitments already contracted for and involving their parties shall be honoured and continued by both parties until such commitments are completed.

In witness whereof, the parties hereto caused this instrument to be executed as of the day, month and the year indicated below:
