This Agreement is entered into at New Delhi on the 14th day of the month of December, in the year Two Thousand and Twelve,

BETWEEN

VEL TECH DR. R.R. & DR. S.R. TECHNICAL UNIVERSITY, a Deemed University under section 3 of UGC Act **having** their registered address as #42, Avadi-Vel Tech Road, Avadi, Chennai-600062, referred to as "**Vel Tech**", represented through **Chancellor** which expression unless repugnant to the context of the meaning thereof shall include its permitted assignees and successors of the **FIRST PART.**

AND

Institute of Rail Transport referred to as "IRT " having its office at 17, Rail Bhawan, Raisina Road, New Delhi – 110 001, represented through **its Executive Director** which expression shall include its permitted assignees and successors of the SECOND PART.

For the following purpose, namely:-

Purpose- Parties to this agreement support academic development programme; in order to encourage the economic and social growth of populations, it is crucial to establish cooperation within the areas of management studies and this Agreement is to confirm the academic relationship between IRT and Vel Tech. Now, therefore in consideration of the mutual understanding and commitment, both parties have deliberated and agreed to launch the programme "MBA (Integrated Logistics Management)". This programme will be offered under this exclusive collaboration only.

For the purpose stated above, parties have decided to seal an academic agreement by subscribing to the following clauses; and

Now, therefore, this Agreement witnesses as follows:

1. **DEFINITIONS-**

"Agreement" means the Academic Development Programme Agreement;

" Vel Tech" means VEL TECH DR. R.R. & DR. S.R. TECHNICAL UNIVERSITY a Deemed University under section 3 of UGC Act established by Vel Shree R. Rangarajan & Dr. Sagunthala Rangarajan Educational Academy Trust registered address as #42, Avadi-Vel Tech Road, Avadi, Chennai-600062.

" Vel Tech" means VEL TECH DR. R.R. & DR. S.R. TECHNICAL UNIVERSITY a Deemed University under section 3 of UGC Act established by Vel Shree R. Rangarajan & Dr. Sagunthala Rangarajan Educational Academy Trust registered address as #42, Avadi-Vel Tech Road, Avadi, Chennai-600062.

"IRT" means the Institute of Rail Transport referred to as "IRT " having its office at 17, Rail Bhawan, Raisina Road, New Delhi – 110 001, a Society under Societies Registration Act 1860 with the following objectives:

- To promote and foster the study of the science and art of various transport system and management with specific focus on rail transport.

- To extend, increase and disseminate knowledge and have exchange of ideas pertaining to transport infrastructure and its development.

to provide a forum for discourse and explore new paradigms and perspectives on logistics, transport technology and other disciplines.

2. **OBJECTIVES – The objective of this agreement is to provide Master's Degree in Integrated Logistics Management. The details of the programme are as under:-**

The programme shall be offered in the following four semesters:

First semester

General Management Principles.

Second Semester

Along with General Management Principles, to provide Logistics orientation to the programme, a paper "Introduction to Logistics" will be introduced. To facilitate the same, papers offered under MBA General in second semester, the subjects Total Quality Management and Operations Management to be merged. Business Application Software to be eliminated to include new Subject.

Project Phase I

This will be for a duration of four weeks during summer vacation at the end of the First year with the preparation of a report for evaluation by Vel Tech.

Third Semester - five core courses and three special courses out of seven Core Courses

(1) Transport Economics

(2) Multi-Modal Transport

(3) Transport Planning and Policy

(4) Legal aspects of Transport

(5) Design of Logistics Services

Special Courses

(1) Mode of Transport – Rail

(2) Mode of Transport – Road

(3) Mode of Transport – Airways

(4) Shipping

(5) Warehousing

(6) Information technology for Logistics Services

(7) Strategic Issues in Supply Chain Management / International Logistics

Fourth Semester

Project Phase II

16 weeks of duration during the semester on a Logistic topic, with a Logistic Industry and Preparation of a Report for evaluation by the Vel Tech.

3. **JOINT CO-ORDINATION COMMITTEE (JCC)**

3.1 For the purpose of seamless execution of the objective, the Parties shall jointly set up a team known as Joint Co-ordination Committee (JCC).

3.2 The JCC would be responsible for the overall administration and implementation of the programmes and would have the power to take any decisions related to the Programme development and would recommend amendment to this Agrteement, if and when necessary.

3.3 JCC will consist of two (2) representatives each from Vel Tech and IRT under the chairmanship of Chancellor of Vel Tech or his/her nominee. JCC will meet at least once a year. The decisions taken by the JCC will be appropriately documented and presented to the Chancellor, Vel Tech

4. **THE ROLES AND RESPONSIBILITIES OF IRT**

IRT will develop the Course Material for their component of courses mentioned above under paras 1.1. These are

Second Semester

(1) Introduction to Logistics

Third Semester - five core courses and seven special courses

Core Courses

(1) Transport Economics

(2) Multi-Modal Transport

(3) Transport Planning and Policy

(4) Legal aspects of Transport

(5) Design of Logistics Services.

Special Courses

(1) Mode of Transport – Rail

(2) Mode of Transport – Road

(3) Mode of Transport – Airways

(4) Information technology for Logistics Services

(5) Strategic Issues in Supply Chain Management/International Logistic

(6) Shipping

(7) Warehousing

4.2 IRT will facilitate the Project Phase I and Project Phase II, by identification of suitable Institutions/organizations and topics for this purpose.

4.3 IRT shall identify suitable visiting faculty, mainly experts in the relevant fields, for delivering lectures on subjects detailed in Para 3.1 above on mutually agreed schedule and remunerations.

4.4 IRT would assist in preparing assignments on the subjects mentioned in para 3.1 above for students as part of their MBA program and their evaluation. Similarly assistance would also be provided for setting of question papers and evaluation of the answer sheets on the subjects mentioned.

4.5 IRT would assist VEL TECH in offering guidance to Vel Tech's permanent faculty for taking over the responsibility of delivering lectures and continuing the programme.

5. THE ROLES AND RESPONSIBILITIES OF Vel Tech

5.1 The delivery of the MBA programme shall be ensured by Vel Tech. This would involve advertisement, publicity, promotion and marketing of the programme and the costs involved therein. Payment to faculty members including visiting faculty will be made by Vel Tech as per the remuneration norms of Vel Tech.

5.2 The cost of preparation of assignments, question papers for examinations, holding of examinations and evaluation of answer sheets will be borne by Vel Tech. The declaration of results etc. will be ensured by Vel Tech.

5.3 The tuition and other fees and charges for this course shall be prescribed by Vel Tech as per their guideline/instructions. Vel Tech shall collect the fee of this course as per their guideline/instructions. Vel Tech shall have all legal, financial or any other liability and responsibility towards the students of this MBA program.

5.4 After collecting the fees Vel Tech shall forward the share of IRT within fifteen days or on a mutually agreed schedule, as per the norms and guidelines of fee sharing mentioned in this agreement under para 7.

5.5 Vel Tech will arrange Printing and Delivery of course materials, that are offered under the program.

5.6 Conduct of semester examinations, evaluation of answer papers, tabulation and declaration of results will be carried out by Vel Tech. Final results will be declared by Vel Tech. However, IRT can assist Vel Tech in these items for IRT's part of the course.

5.7 The hospitality costs of the JCC meetings will be borne by the Vel Tech, which hosts the meetings. The travel costs of Vel Tech members of the JCC will be borne by Vel Tech. The travel costs of IRT members of the JCC will be borne by IRT.

6. JOINT RESPONSIBILITY

6.1 Both the parties shall work as a team for smooth conduct of this program and ensure direct interface with one another without involving an external agency or specialists.

6.2 Both parties should strictly honor the Intellectual Property Rights of each other.

7. FIXATION OF FEE AND SHARING OF FEE

The programme fee for this programme will be decided by Vel Tech as per the provision of para 5.3 of the agreement. Sharing of programme fee between Vel Tech and IRT would be in the ratio of 80:20 respectively. After collecting the fees Vel Tech shall forward the share of IRT within fifteen days or as per the mutually agreed schedule.

8. INTELLECTUAL PROPERTY

8.1 All intellectual property developed by IRT shall be the sole intellectual property of IRT. IRT will have its copyright and Vel Tech will not violate the copyright of IRT, that is, VelTech Shall have the right to use it only for the purpose of this Agreement.

8.2 For Vel Tech component of course, Vel Tech will have its copyright and IRT will not violate the copyright of Vel Tech.

8.3 In case a situation arises where course material is required to be used beyond this programme in Vel Tech, it shall be done under mutually agreed terms.

9. VALIDITY

The agreement will be valid for five years renewable as per the mutual agreement of the parties concerned.

10. TERMINATION

The Agreement can be terminated by either party on one year notice period for the violation of any of the term of this agreement. Should the agreement be terminated for whatsoever reason, the responsibility of each party shall continue to exist till the completion of the programme to which the students have been admitted before the date of serving the notice of termination.

11. SETTLEMENT OF DISPUTES & JURISDICATION

If any dispute or differences arise between the two parties on any point, clause or interpretations thereof, they shall be resolved, in the first instance, by mutual discussions between parties within a period of 60 days. If the difference or the dispute is not resolved by mutual discussions within this period, then;

(i) the same shall be resolved through conciliation by referring it to a panel of two persons (comprising of a representative from each of the parties).

(ii) If the dispute or difference is still not resolved then it shall be settled as per the provisions of Arbitration and Conciliation Act, 1996 **by a sole arbitrator mutually agreed upon by the parties.**

12. MATTERS NOT PROVIDED IN

If any doubt arises as to the interpretation of the provisions of this agreement or as to matters not provided therein, parties to this agreement shall consult with each other for each instance and resolve such doubts in good faith.

13. FORCE MAJEURE

Neither Vel Tech nor IRT shall be liable to each other or to their students for failing to perform or delay in the performance of any of its obligations under this Agreement **to the extent such failure or delay is caused by civil disturbances or by natural disaster.**

14. FURTHER ACTS AND ASSURANCES

Each of the parties agrees to execute and deliver all such further instruments and to do and perform all such further acts and things, as shall be necessary and required to carry out the provisions of this Agreement and to consummate the transactions contemplated hereby.

15. REPRESENTATIONS AND WARRANTIES

The Parties hereby represent and warrant to each other:

15.1 that it is duly established and existing under the laws of jurisdiction stated against its name in this Agreement and has the power and authority to sign this Agreement and implement the programme agreed to herein.

15.2 that it has the requisite legal power and authority to enter into this Agreement, perform and comply with its duties and obligations under this Agreement and the programme.

15.3 That this Agreement constitutes legal, valid and binding obligations enforceable against it in accordance with the terms hereof.

15.4 That the execution, delivery and performance of this Agreement have been duly authorized by all requisite actions and will not

constitute a violation of (i) any statute, judgment, order, decree or regulation of any court, Governmental Instrumentality or arbitral tribunal applicable or relating to itself, its assets or its functions or (ii) any other documents or to the best of its knowledge any indenture, contract or agreement to which it is a party or by which it may be bound.

15.5 That there are no actions, suits or proceedings pending or, to the best knowledge threatened against it before any court, Governmental Instrumentality or arbitral tribunal that restrain it from performing its duties and obligations under this Agreement; and

15.6 That no representation or warranty made herein contains any untrue statement.

16. NOTICES

Any notice, approval, consent and or other notification required or permitted to be given hereunder shall be in writing in English and shall be personally delivered, or transmitted by registered post with postage fully paid or transmitted by fax to the address specified below or to such other addresses as may, from time to time be given by each party to the other party in writing and in the manner herein before provided to :

Dear Sir,

Greetings!

Thanks for your reply. We prefer the experts from Chennai for handling the subjects and also we are recommending the same experts those who handled the subjects last year. Kindly make further arrangement at your end.

Thanking you,

Eagerly waiting for your reply,

With Best Regards,

Dear Sir,

Sub:-Invitation to attend Industry Partnership Meet - 2016

Greetings from Vel Tech Dr. RR & Dr. SR. Technical University!

Vel Tech University commenced its journey in the year 2009 with a vision to be a centre of excellence for education and research in the field of Engineering and Technology.

The Industries, R&D Institutes, and Foreign Universities, have all supported in our endeavor of providing world class education. As on date we have developed contacts with more than 2500 Industries/R&D Institutes/Foreign Universities for various Academic Initiatives.

Vel Tech University had grown immensely during the last 7 years. State of art Facilities and the number of Research Projects had increased many folds. As you may aware that the **University was accredited by NAAC** (An Autonomous Institution of UGC, Government of India) with its highest grade of "**A**" and recognised as **First and Only member in CDIO Worldwide Initiative** (The CDIO: Conceiving - Designing - Implementing – Operating, Initiative is an innovative educational framework for producing the next generation of engineers). The University was also ranked well in various rankings by leading agencies such as **Times Engineering Ranking 2016** (**2nd** Among Private Universities and Colleges in Chennai), **Data Quest** (**Top 25** Private Institution in India) etc., This growth and achievements would not have been made possible without the support of Esteemed Industries / Corporate such as yours.

To honor and thank all Industries and Research Institutes who had extended their support, the university is organizing **"Industry Partnership Meet"** on **22nd October 2016, 10.30 am, at Vel Murugan Auditorium, Vel Tech University Campus**. Your gracious presence will be a great motivation to our students and request you to attend without fail.

In case you are unable to attend due to other engagements, may we request you to nominate a suitable person. A line of confirmation will help us to make all arrangements well in advance and for further coordination you may contact **Mr. Raghavendran.S (+91 8754484207 / +91 44 2684 0605).** Formal Invitation for the function will be sent shortly with the Agenda.

With Best Regards,

Col.Prof.Dr.Vel.R. Rangarajan, B.E.(Elec), B.E.(Mech), M.S.(Auto.E),D.Sc.,

No of Students: 16

Tuition Fee per candidate : Rs.80000

Fee share (20%) to IRT from tuition fee per candidate : Rs.16000

Therefore fees share for 16 candidates to IRT : Rs.16000 * 16 **= Rs 2, 56,000**

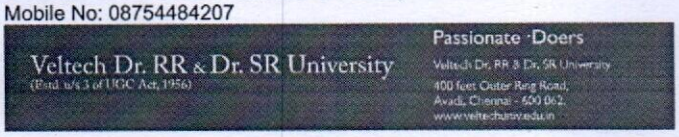

Total amount to paid to IRT = Rs. 2, 56,000 (Rupees Two Lakhs Fifty Six Thousand only)

DD to be drawn in favor of: "Institute of Rail Transport", payable at **Delhi.**

Kindly acknowledge the receipt of the payment.

With Best Regards

Dear Prof. Dr. Beela Satyanarayana,

This is the time of the year when we would like to wish you and your University Faculty, Staff Member's and Student a Very Happy and Prosperous New Year. We hope that the coming year will see the collaboration between your university and our Institute much stronger.

A few days back I had an opportunity to interact with Prof. Raghavendran, I had offered to come down some time in January, like earlier years, and interact with students who are pursuing their MBA course. The objective is to motivate them to do MBA in the Integrated Logistics and Management stream. I hope Prof. Raghavendran had briefed you about this and you will advise us shortly the date.

I had also requested him to send reply to our earlier email date 9th December, 2016 in which we had requested you to send us your proposal for extension of MOU between the two organisations for another five year. This would have to be approved by our Governing Council who shall be meeting shortly. In the meantime, we had also said that since the agreement for running of MBA programme in ILM as well as Short Term course is expiring later this year, proposal for its extension may also be sent. This will ensure that both of them are approved by the Governing Council in the next meeting.

May I also remind you, although I am sure you must be finalizing it, the balance payment of the share of the revenue for running of the MBA(ILM) programme, is due to us. We have already received payment of Rs. 2,56,000/- for the 2nd phase (2014-2016).

With regards,

Pramod Uniyal| Executive Director | Institute of Rail Transport

Dear Prof. Raghavendran,

Thank you so much for calling last week. It is heartening to know that a decision has been taken by VelTech, to extend the MOU executed between it and IRT for another 5 years. You were also kind enough to invite me to VelTech for the signing ceremony with your Chancellor. It was also nice to know that you will give me an opportunity of interacting with the students of the second semester of your MBA programme on the same day.

May I, request you to send a copy of the MoU proposed to be signed so that I can put it upto the Secretary of IRT for information. As time is short, I will get the approval of the Governing Council of IRT ex-post-facto.

I shall be informing you soon about the date of my visit. I shall be flying into Chennai by some early night flight. I will of-course stay at the Southern Railway officers rest house. From there I will take a local train to Avadi and request you to pick me up from there as in the past. I shall leave by the evening flight after lunch and would request you to provide transportation to the Airport as your university has been kind enough to make the arrangements in the past.

I shall of-course be requesting Mr. Suresh Kumar our co-ordinator of IRT in Chennai.to accompany me on that day.

With regards,
Pramod Uniyal
Executive Director/IRT

Dear Prof. Raghavendran,

In continuation of my email dated 30th June, 2017 I am enclosing the sample of one credit course on Multi Modal Transport. This can be taken by, as indicated, both the faculty of Vel.Tech and visiting, from the industry.

As you are aware in the agreement signed between Vel.Tech University and IRT, for Short Terms Courses, five topics have been indicated. Multi Modal Transport is one of the topics. For all the other four topics a similar structure can be prepared and used.

It is hoped that this will generate interest in the graduate students in the Transport and Logistics Sector. Perhaps they would be enthused to take up the MBA Programme, of your university, in Integrated Logistics Management (ILM).

I hope by now more MBA students of the programme 2016-2018 may have opted for ILM. Do let us know.

With best wishes

No. : 2010/IRT/VelTech/Collbtn.

Dear Prof. Raghavendran,

Kindly recall our discussion a few days back. I was hoping that by Tuesday (08.08.2017) you would send us some proposal for the issues we had discussed on that day. Just to recall they were as under:-

1. Due to shortage of students opting for the MBA "ILM" programme, VELTECH was considering including ILM as a dual specialization in their regular MBA programme.
2. Delivery of one credit programme on the pattern of what had been sent by IRT for the module on MMT.
3. The use of modules of MBA ILM programmes other than those 5 listed in the agreement executed between IRT and VELTECH, for short term programmes.

As I had stated, IRT is open to these suggestions provided, the proposal is sent to us, so that necessary corrigendum can be issued to the two existing agreements.

May I, also remind you that VELTECH has to send us the acceptance in principle for extension of the two agreements for a further 5 years beyond December, 2017, on the same terms and conditions.

We are having the Governing Council meeting in September, 2017 and if you send us this in time it will be possible for us to get their approval. This will ensure that the agreement extension is signed well before its expiry.

I look forward an early response from VELTECH.

Regards,

Pramod Uniyal | Executive Director | Institute of Rail Transport | 8586034131

Subject: Greetings from Veltech Dr.RR & Dr.SR University
To: Irt India <irtindia3@gmail.com>

Dear Sir,

In the Batch 2016-18 of MBA, only 2 students are willing for our MBA (ILM) Programme. Due to minimal students we are unable to start the course. When we enquired the reason with the students we came to know they prefer Dual Specialization. As per the discussion with MBA HoD & the faculty we would like to propose the following

- MBA – ILM can be introduced as one of the specialization in General MBA. In the Dual Specialization the students will opt **4 subjects** from each specialization. Specializations proposed to offer with ILM are
  - Human Resource Management (HRM) and ILM
  - Marketing Management and ILM
  - Finance and ILM
  - IT & Systems Management and ILM
  - Production And Operations Management and ILM
- This academic year we are introducing **IT for Logistics** course to the B.Tech(CSE) like a One Credit course, the experts will delivering the course of 15 hours during this semester (either on two or three Saturday's or Saturday Sunday continuously). The remuneration of Rs.25000 will be given to the experts
- We would like to introduce our subjects in the B.Tech course like elective subjects. The subject will be finalized after the Board of studies Meeting (BOS). We would like to invite you for the upcoming BoS meeting B.Tech courses. The date will be intimate later
- We are requesting to provide some of private Logistics Industries for the placement.
- Due to dual specialization, number of course will be reduced so we propose the sharing of fee as follows

S.No	Programme	Existing Fee Share(Veltech:IRT)	New Fee Share(Veltech:IRT)
1	MBA – ILM	80:20	90:10

Eagerly waiting for your reply,

Thanks and Regards

Irt India <irtindia3@gmail.com> Fri, Sep 8, 2017 at 10:41 AM
To: Director R&D <sarasu@veltechuniv.edu.in>
Cc: RAGHAVENDRAN SRINIVASAN <sec25.veltech@gmail.com>, sumitra suresh <sumithra_devi60@hotmail.com>

Dear Dr. Sarasu,

Thank you so much for your email dated 22nd August, 2017. In respect of the various proposals you have indicated in it please find below our comments on them:

a) MBA ILM

i) We understand and share with you the concern of poor patronage of the programme of MBA ILM. We agree with you that below a certain minimum number it would not be desirable to run the programme.

ii) We do appreciate your suggestion for including ILM as a dual specialization in your regular MBA programme. As you have indicated in your email there can be five possible combinations. This suggestion perhaps also meets with the expectations of the students of the MBA programme 2016-2018 with whom IRT had interacted earlier this year.

iii) Your email however, does not clarify how many modules out of the five cores and five elective of the MBA ILM, given by IRT, the students will be asked to opt for in the dual specialization in their third semester. Besides what happens to the other modules of IRT which were included in the first and the second semesters has not been indicated. And will they (students) be asked to take up project work on Logistics in their fourth semester.

iv) As far as, the placement of students in the Logistics Industries is concerned the suggestions given during IRT detailed discussions held with you during my visit earlier this year, should suffice. Incidentally I had documented them in my email to you dated 13.04.2017. Needless to say, IRT will do whatever it can to help you in this regard.

v) As the dual MBA programme proposed by you and acceptable to us in not a part of the agreement signed between VEL TECH and IRT may I suggest that we can insert mutually accepted appropriate Addenda in it. Perhaps this can become a part of the regular agreement which is due for renewal in December, 2017.

vi) You will agree that as IRT had put in its efforts in terms of time and money and was expected to do so in the future, it was mutually agreed, at the time of signing the agreement, that there will be a sharing of 20% of tuition fee. IRT would therefore not consider it desirable that this sharing formula is changed.

b) Short term Course

i) We are happy to know that you are considering introduction of a one credit course on IT for Logistics. We are sure that other modules given by us for the MBA ILM course can also be offered to prospective students by suitable modifications.

ii) Such courses are covered under the agreement signed between IRT and Vel.Tech. However, the agreement specifies 30 hours duration for such courses. IRT suggestion is that this agreement can also be modified by inclusion of mutually agreed appropriate addenda. This agreement is also due for revision in December, 2017 and as above it can become a part of the regular agreement from January 2018 onwards.

iii) As stated in the agreement Vel.Tech has to decide the terms and condition for engagement of experts for delivering the programme. Therefore, we have no comments to make on the amount proposed to be paid by Vel. Tech to them. However, as we have committed, in the agreement we will assist by identifying the expert/s who can deliver this programme. Of course after that it will be between Vel. Tech and Experts to agree to terms and conditions.

iv) We will accept a share of 20% of the tuition fee for such programme as agreed to in the agreement

I am sure you will agree to our above comments on your offer. We will appreciate if you could confirm this at the earliest so that during the Institute's next
