

Memorandum of Understanding

for Vel Tech – Composites Technology Park Academic Tie Up

Between

SOCIETY FOR DEVELOPMENT OF COMPOSITES

(A non- Profit registered R&D society under the Karnataka societies Registration Act of 1960)

&

VEL TECH INSTITUTIONS

#42 & 60, Avadi - Vel Tech Road, Avadi, Chennai 600 062

Represented by

Vel Tech Dr. RR & Dr. SR Technical University

(Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology)

Deemed University u/s 3 of UGC act 1956

#42 & 60, Avadi - Vel Tech Road, Chennai 600 062

Vel Tech Multi Tech Dr. Rangarajan Dr. Sakunthala Engineering College

(Affiliated to Anna University, Chennai)

#42 & 60, Avadi - Vel Tech Road, Chennai 600 062

Vel Tech HighTech Dr. Rangarajan Dr. Sakunthala Engineering College

(Affiliated to Anna University, Chennai)

#42 & 60, Avadi - Vel Tech Road, Chennai 600 062

Vel Tech (Owned by RS Trust)

(Affiliated to Anna University, Chennai)

#42 & 60, Avadi - Vel Tech Road, Chennai 600 062

DR. R. GOPALAN
President
SOCIETY FOR DEVELOPMENT OF COMPOSITES
Kengeri Suburban Township,
BANGALORE - 560 080

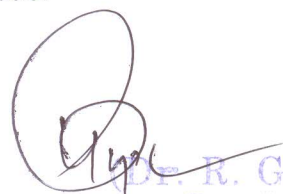

This MOU has been made and entered into this 31th day of May, 2013 between Vel Tech Institutions represented by its Founder & Chancellor **Dr.R.Rangarajan**, who is desirous of providing specialization in advance technologies and create facilities by industry – institution interactions to establish access to its students at various levels and has been identifying such areas of specialization across the globe (hereinafter referred to as '**VEL TECH**' which expression shall unless repugnant to the context or meaning thereof, include its successor in interest and permitted assigns) of the one part.

and

Society for Development of Composites represented by its Executive Director Dr.R.Gopalan, a non- Profit registered R&D society under the Karnataka societies Registration Act of 1960, located at composites Technology Park, No.205, Bande mutt, Kengeri Satellite Township, Bangalore – 560060, Promoted by Karnataka Housing Board and RV – TIFAC Composite Design Center and supported by Govt. of Karnataka and Govt. of India, dedicated for research and development of composite materials, products and process, and technology business incubation, training (hereinafter referred to as **SDC**), has conveyed in principle acceptance for this academic tie up with VELTECH.

WHEREAS Dr. R. Rangarajan, Founder and Chancellor, VEL TECH and Dr. R.Gopalan, Executive Director, SDC reviewed the experience gained in the implementation of the previous agreement signed on 20th November 2009 between VEL TECH and SDC and on detailed assessment of resources concluded to renew the agreement for mutual benefit and for the benefit of the society at large in propagating composites technology as set out herein under:-

1. SDC is dedicated to socio economic development in rural sector through research and development and commercialization of eco-friendly materials and products using natural fibers such as coir, bamboo etc., technology transfer, training and entrepreneur development activities. The SDC is open to offer its resources for students of engineering at Under Graduate, Post graduate and Doctoral levels for doing studies, projects and research in the above areas.

SOCIETY FOR DEVELOPMENT OF COMPOSITES
No. 205, Bande mutt,
Kengeri Satellite Township,
BANGALORE - 560060.

2. SDC is willing to share its resource and make available its facilities for the above to the students and faculties of VEL TECH.
3. SDC agrees to provide services of its faculty for imparting practical training, final dissertation project work and research and for conducting courses in composites materials and technology at its premises for the students and faculty of VEL TECH.
4. SDC agrees to accommodate up to 20 students of VEL TECH for doing project work, In-plant Training and research work at its premises during every academic year, at any given time, for which it will provide access to its library, workshop facilities, faculty guides and furnished accommodation at a nominal charge as indicated below
 - a. For In-Plant Training of 1-2 weeks duration
 - i. Rs.2000 per student
 - b. For Project Work of 4 – 6 months duration
 - i. Rs.10000 per batch of students
5. VEL TECH will collect the fee from the students and pay to SDC before commencing of the In-Plant Training / Project work.
6. SDC to provide all the technical facilities to the students while they are staying at their campus in Bangalore.
7. SDC to provide boarding and lodging facility to the students at reasonable rate.
8. SDC agrees to assist VEL TECH to develop syllabus for specialization in composites technology for the Post Graduate Programmes in VEL TECH and also develop a suitable syllabus and course material as an optional paper for the Mechanical, Civil, and Aeronautical Engineering students of Under Graduate Programme.
9. SDC further will help every Under Graduate students and Post Graduate students to publish Technical papers in Indian journals and in International journals, during the In-plant Training or Project work or course work at SDC.

SOCIETY FOR DEVELOPMENT OF COMPOSITES
No. 27
Kannur Road, Bangalore
Bengaluru - 560009

10. VEL TECH and SDC Will submit joint project proposal to different funding agency.
11. A center of VEL TECH – Composite Technology Park Academic tie up will be established in VelTech Research park
12. Either party may terminate the agreement by written notification signed by the appropriate official of the Institution initiating the notice. Such notice must be received by the other party six months prior to the effective termination date. However, obligations and commitments already contracted for and involving their parties shall be honoured and continued by both parties until such commitments are completed.

Agreed and signed this day the 31st May 2013 by
