VEL TECH[®]
Dr.RR & Dr.SR TECHNICAL UNIVERSITY
University u/s 3 of UGC Act, 1956
VEL TECH RANGARAJAN Dr.SAGUNTHALA R&D INSTITUTE OF SCIENCE AND TECHNOLOGY

**(VEL TECH)****AND**

AACHEN UNIVERSITY OF APPLIED SCIENCES
Dept. of Mechanical Engineering and Mechatronics
(FH AACHEN)

FH AACHEN
UNIVERSITY OF APPLIED SCIENCES

**§ 1; Object of the LoI**

In the interests of expanding opportunities and furthering international understanding, Vel Tech and FH Aachen agree to facilitate the educational exchange of faculty and students. They also agree to promote collaborative research between faculty members and other activities that may improve the relationship between the two institutions.

§ 2; Areas of cooperation

1. Student exchange at undergraduate and master's level
2. Semester abroad program
3. Faculty & researcher exchange
4. Conferences & seminars
5. Technical exchanges & curriculum development.

§ 3; Departments and academic units involved

1. At the initial stage, this Lol will involve the Departments of Mechanical Engineering and Mechatronics.
2. Under mutual consent laid down in annexures to this Lol, cooperation shall be extended to other departments in future.

§ 4; Mode of implementation

1. For each area of cooperation, after further interactions, separate detailed agreements shall be signed, which will become annexure to the Lol.
2. The individual agreements will, inter alia include all administrative, procedural, financial and legal issues.
3. In the case of Joint R&D projects, the agreements will also cover issues related to intellectual property and -patent rights.

§ 5; Student exchange

Student exchanges shall adhere to the following provisions:

1. The exchange will be for course work and / or project work at undergraduate & masters level.
2. Students will be classified as exchange students and will be non-degree seeking in the host university. The recognition of the work carried out and the credits obtained by the students during the exchange program will be transmitted to the home university.
3. Each student will pay his or her regular tuition fees to the home university and will not be required to pay tuition fees to the host university. Each student will be responsible

for paying for travel and housing expenses, health insurance, meal costs, and miscellaneous fees, such as special course fees, key deposits, books, etc. at the host university.

4. Each participant will provide his or her own health and accident insurance. Proof of adequate insurance coverage must be provided to the international office or registrar of the host university.
5. The host university will assist students in advance and upon request to make arrangements for accommodation. The host university shall provide a general orientation and special counselling for incoming students. Each party will appoint an officer or officers who will be responsible for the coordination and administration of all aspects of the exchange including the counselling of the exchange participants.

§ 6; Faculty and researcher exchange

FH Aachen and Vel Tech express their desire to periodically exchange members of the faculty and researchers in relevant subjects.

1. Well in advance, each Institute will inform the other on faculty member and researcher exchange and mutually decide the necessary administrative procedure to be followed.
2. The agreement for this type of exchange will be dealt with on a case by case basis between both universities.
3. Each party will appoint an academic staff member who will be responsible for the coordination and administration of all aspects of the exchange including the counseling of the exchange participants.

§ 7; Validity

1. This agreement shall be in effect for one year from the date of signature by both responsible parties.
2. It will renew automatically for a one-year period unless modified or cancelled six months before the expiry date.
3. However even in case of such termination, the on-going programs will remain in force until their completion. All students who have started to study in one of the established exchange programs will have the possibility to finish their study as intended.

§ 8; Further obligations and liabilities

1. This Lol shall not create any financial obligations between the parties or towards third parties.
2. All disputes arising from this Lol or its annexures shall be solved in a cordial manner.
3. Neither party shall have the authority to assume or create any obligation on behalf or in the name of the other, to accept legal process or to bind the other in any way.
4. Liability between the parties is limited to deliberate and roughly negligent acts.
5. This Lol can be modified or amended only in writing and signed by all parties.
