M1.2. Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology, (hereinafter referred to as Vel Tech) located at No.42, Avadi-Vel Tech Road, Poonamallee - Avadi High Rd, Vel Nagar, Chennai, Tamil Nadu 600062, which expression shall include its successors, legal heirs and assigns on the other part.

M.2. PYROFEROUS TECHNOLOGIES - COMPANY PROFILE

About Us

Pyroferus Technologies is an independent software testing company, delivering topnotch software quality assurance services to businesses around the world.

With humble beginnings in the year 2011, Pyroferus has witnessed a tremendous growth through its distinguished level of services which are reliable, cost-effective and of high quality. Our team consists of highly skilled test engineers, along with competent domain experts. We invest in best practices and latest technologies to deliver the best possible solutions to the clients.

We have successfully delivered our services to clients located around the globe in USA, UK, Canada, Sweden and lot of other countries. We have a vast experience in working across multiple verticals like Banking, Finance, Insurance, and Retail, to name a few and across platforms.

Pyroferus offers a comprehensive range of testing services that includes Independent Testing Group, QA Outsourcing, QA staffing, QA Consulting and QA Training. Our services range from supplementing the existing testing of the clients to full length testing projects. Our expert QA team complements the in-house QA team of the clients, helps them in identifying the gaps and bottlenecks, and provides expert solutions to deliver high quality products and applications. Understanding that the QA experts are our assets, we are committed in creating a challenging and rewarding work environment, which in turn makes them more goal-focused and committed to the client's goals.

We aim in creating a cohesive environment of best practices and strategies to cater to the unique quality assurance needs of the customers.

Our Vision

To reach global standards in quality excellence and establish ourselves as the best independent software testing services provider that help the clients in delivering the quality they believe in.

Our Values and Principles

- Commitment to Quality
- Being agile and responsive to customer needs
- Constructing creative solutions to customer needs, using latest cutting edge technologies
- Being a trusted partner by maintaining high levels of confidentiality

Respected Sir/Madam,

Subject: Request for Final Year Student Projects / Internship (Project 2020-21)
Greetings from Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology, Chennai!!!

At the outset we thank your company for the support and guidance rendered in our endeavor of providing Quality education.

The academic project for the **B.Tech - Computer Science and Engineering / Information Technology** students starts tentatively from **Second week of December 2020 to last week of April 2021**. In this regard we request you to kindly permit the students to carry out projects/Internship in your company/Organization.

We would be happy to associate on research oriented challenging Projects that would yield the desired results. We have a fool proof system of coordinating the Projects by our Professors for continuous interaction with your Guides to ensure that the Projects are completed giving the desired results, a WIN situation to both Industry and Academia.

We will be happy if you could let us know the projects you are Interested in and the number of students you can accommodate for doing the Project work/Internship at your organization.

Eagerly waiting for your reply,

Thanking you,

With Best Regards.

M.Dharmaraj
