

**MEMORANDUM OF UNDERSTANDING
FOR
EDUCATIONAL COOPERATION
BETWEEN
VELTECH Dr.RR & Dr.SR UNIVERSITY
AND
YUAN ZE UNIVERSITY**

In order to promote international educational cooperation and educational exchanges, Veltech Dr.RR & Dr.SR University (Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology) and Yuan Ze University join in the following agreement on educational cooperation.

Both universities will endeavor to cooperate in joint educational programs and research projects. To the extent feasible, both universities will encourage direct contact and cooperation between their faculty members, departments, and research institutes under provisions of this agreement.

Within fields that are mutually acceptable, the following general forms of cooperation will be pursued:

1. Collaboration of faculty and staff for research, lectures, discussions and other academic pursuits.
2. Reciprocal exchange of undergraduate or graduate students for study and research.
3. Exchange of published information.
4. Collaborative educational or training programs.

Arrangements for specific visits, dual degree programs, and other forms of cooperation will be developed jointly and will be agreed upon for each specific case. No monetary consideration will be exchanged between the institutions. Both parties understand all financial arrangements will have to be negotiated and will depend on the availability of funds.

This agreement will become valid upon signed by the appropriate officials of the two institutions. This agreement shall remain in effect until one party notifies the other of its intention to terminate this agreement in writing at least ninety (90) days before the end of the academic year.

IN WITNESS WHEREFORE, this document has been executed on 25th September 2017.

AGREEMENT REGARDING STUDENT EXCHANGE PROGRAMS

BETWEEN

YUAN ZE UNIVERSITY

AND

VELTECH Dr.RR & Dr.SR UNIVERSITY

This Agreement is made as of 25th September 2017 by and between Yuan Ze University, Chung-Li, Taiwan, R.O.C., (hereinafter "YZU") and Veltech Dr.RR & Dr.SR University (Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology), Chennai, India (hereinafter "Veltech") pursuant to the Cooperation Agreement executed between the two universities.

The purpose of this Agreement is to establish the terms and conditions under which the exchange of students between YZU and Veltech shall take place.

Both parties hereby agree that:

1. Program Management

The student exchange program shall be available to students of both universities and shall be administered by YZU and Veltech respectively via the Office of International Affairs of YZU and Veltech.

2. Exchange Student Numbers and Balance

Both universities may send qualified full time undergraduate and/or graduate students to exchange annually. Up to 5 for one academic year or 10 for one semester are accepted. Special permission is given by mutual agreement between two institutions.

3. Exchange Period

The normal period of exchange for each exchange student shall be one (1) or two (2) consecutive semesters with the consent of both universities.

4. Admission Requirements

Exchange candidates must have completed at least one (1) academic year of study at the home university prior to the exchange period, with an overall GPA of 2.5 or higher out of a 4.0 grade scale. Each party will notify the other as quickly as possible if any changes are made to student exchange admission requirements. While it is understood that exchange candidates nominated by the home university will normally be accepted by the host university, the host university reserves the right to review the applications of nominees and make

final decisions concerning their admission.

5. Language Requirements

Nominees must obtain a TOEFL score of 500 and present proof of the score when applying. This requirement will be exempted, in case of language of instruction of degree programme at home university is English. Each party will notify the other as quickly as possible if any changes are made to language requirements.

6. Application Documents

YZU will forward the appropriate application documents to Veltech and Veltech will inform YZU of its final admission decision within thirty (30) days after the application deadline. Veltech will forward the appropriate application documents to YZU and YZU will inform Veltech of its final admission decision within thirty (30) days after the application deadline.

7. Visa

The host university will issue appropriate documents to accepted students for visa purposes in accordance with their respective applicable laws and regulations. It is the responsibility of the individual exchange student to obtain a visa in a timely manner.

8. Courses

Exchange students will be able to take courses regularly offered at the host university and will have all the rights and privileges enjoyed by other students at that university.

9. Credit Transfer

Any academic credit received during the course of the program may be transferred to the home university in accordance with the appropriate regulations of the home university. The host university will inform the home university of exchange students' grade information in a timely manner upon the request of the exchange student or the home university.

10. Tuition and Fees

Exchange students will pay normal tuition and fees to their home university in accordance with the policies of that university. The host university will not charge the home university or the exchange students for application, admission fees and tuition.

11. Miscellaneous Fees

Exchange students will be responsible for making their international travel

arrangements and shall bear all associated costs, including but not limited to, room, board, study materials, local transportation, student health insurance and medical care, personal expenses, and passport/visa application fees. Regarding payment of these expenses, the home university, together with the host university, shall assume responsibility for providing guidance and dealing with situations that may arise so as not to cause undue inconvenience to third parties when exchange students fall into arrears.

12. Liability

During their time at the host university, exchange students will be individually liable for any and all incidents, accidents and damage to third parties resulting from the students' actions where these actions occur in situations beyond the control of the host university and home university. Both parties will not hold each other liable for such incidents.

13. Insurance

It is mandatory for exchange students from both institutes to purchase overseas travel insurance before departure.

14. Accommodation

The host university will assume responsibility for finding suitable accommodation for exchange students. The cost of the accommodation shall be borne by the individual exchange student and shall not exceed the amount paid by students at the home university in the case that the student is living in a university dormitory or other university affiliated accommodations.

15. Student Support

The host university will make every effort to facilitate integration of exchange students into the student life of the host university. The host university will strive to protect the privacy of the student as well as their personal safety in addition to offering orientation sessions and a sufficient support network for everyday life.

16. Emergency Procedures

Both the host university and the home university shall provide the other with emergency contact information and will be responsible for carrying out emergency notification in the event of student illness, injury, or other emergencies.

17. Appropriate Use of Personal Information

When obtaining personal information from the exchange student, it is necessary for both the host university and the home university to inform the student ahead

of time of the purposes for its use and to keep its use to a minimum. Personal information must be managed carefully to prevent its spread to a third party or use for purposes unauthorized by the exchange student.

18. Rules and Regulations

Exchange students shall be subject to the rules and regulations of the host university. Each university reserves the right to dismiss any exchange student at any time for conduct in violation of their established rules and regulations. However, the dismissal of an exchange student shall not adversely affect the agreement and the arrangements regarding other exchange students.

19. Length of Stay

Upon completion of the program at the host university, exchange students are required to return to the home university. No extension of stay will be authorized unless otherwise specifically agreed upon by both universities.

20. Negotiations

Both parties will strive to resolve any misunderstandings out of or in relation to this agreement that arise in a sincere and respectful manner.

21. Agreement Period

This Agreement shall remain in effect from the date of execution for an initial period of five (5) years. Unless either party notifies the other in writing to terminate the Agreement at least six (6) months prior to the date of expiration, the Agreement will be automatically renewed and extended for another five (5) years from the date of expiration. In the case of termination, both universities shall make necessary arrangements to ensure the appropriate completion of ongoing exchanges. This Agreement may be amended by mutual written consent the two of universities through consultation.

The parties hereto have caused this Agreement written in English to be executed in duplicate by their duly authorized representatives as of the date first above written, with each party retaining one original. Each copy is of the same validity and each is recognized as official.

Dear Mr. Sudeep singh

Greetings from Yuan Ze University! Hope this email finds you well.

We are writing to inform you for the 2021 YZU Virtual Internship application was accepted. The program is expected to last until June 2021.

Advisor: Prof. Yi-Jheng Huang, Department of Information Communication, Yuan Ze University

Contact: yjhuang@saturn.yzu.edu.tw

We will provide you with a certificate of achievement after you complete a thesis of your internship/ project work. However, the program is flexible and is typically of a duration of 3-4 months, and it can start or end at a mutually agreement upon date between the mentors in YZU and your university.

You can share what you've done before and what areas you are interested in working on for the program with your mentor in YZU, it would be helpful for our professor to discuss research with you. Hope you have a fruitful achievement.

Finally, we welcome any other questions you may have about the program or Yuan Ze University and would be happy to answer them. Looking forward to your participation and outstanding research results.

Warm Regards,
