EVENT MISSION:

The international day of happiness-The unique thing about Action for Happiness is the link between personal action and social change: our members not only discover ways to increase their own wellbeing, they also do a huge amount to help create happier families, schools, workplaces and local communities.

EVENT :

The volunteers of CPC club members collected the blankets in the hostel rooms and distributed them to the road siders who are facing problems and created a smile on their faces. The motto of the distribution is to see a fundamentally different way of life - where people care less about what they can get for themselves and more about the happiness of others. They had a flying start inside the volunteers and have brought together an amazing movement of people taking action to increase happiness by helping each other.

PARTICIPANTS FEEDBACK:

They said that they felt happy to see the happy faces of the road siders and proud to be a part of the work.

OUTCOME :

The response for the event was more than they expected as it has become a huge success with the help of the coordinators and the volunteers. It served as a great opportunity for helping the people who are needy.
