OFFER OF APPOINTMENT
VIKRAM PANDIMUTHU – CAD ENGINEER

We are pleased to offer you the role of CAD Engineer in our company. This position is based in our Centre of Excellence for Design Engineering, Chennai. You will be appointed initially on probation for a duration of 4 months (extendable to 6 months). On completion of the probationary period, based on your performance, your appointment will be confirmed, with all benefits of permanent employment, as applicable in our company.

Your appointment offer is based upon the fact that all information that you had furnished is true & verifiable. Therefore, we request you to carry all your original certificates of your qualifications & experience, that you have mentioned in your resume. You shall receive the hard copy of the appointment letter in person, after you join on 21 May 2021.
