VISAI is an International Project competition & Exhibition organized by Vel Tech, every year inviting all Academic Institutions. Until 2020 the projects were invited under conventional streams such as Mechanical/Electrical etc. Since 2020, the conventional stream-wise Projects have been changed to themes based on the 8 Sustainable Development Goals (SDG) set by the United Nations, enabling the students to come up with workable ideas/projects in meeting the "Real-world Engineering Challenges". The banner features the Vel Tech logo, the VISAI 2021 logo, and a lightbulb icon. The central text reads: "Hearty Welcome to the Virtual 11th International Project Competition 24th February 2021".
