A World in Motion® (AWIM) is a teacher administered, volunteer-assisted program that brings science, technology, engineering and mathematics (STEM) education to life for students in grades 5th to 9th. Bench-marked to the national standards, AWIM incorporates the laws of physics, motion, flight and electronics into age-appropriate hands-on activities that reinforce classroom STEM curriculum. Help unlock the potential in every child – in your community.

AWIM Means Fun & Challenge designed by the Society of Automotive Engineers (SAE) and supported by Mahindra & Mahindra Ltd. Projects and competitions were held during the event and prizes were distributed to the winners.
