Respected Sir,
Sub: Seeking permission to attend the One Week Faculty Development Programme on "Fiber Reinforced Concrete and its Applications" - Reg.,

I am working as an Associate Professor in Department of Civil Engineering from April 2018. I am very much interested to attend the One Week Faculty Development Programme on "Fiber Reinforced Concrete and its Applications" organized by the Department of Civil Engineering, National Institute of Technology Karnataka, Surathkal, Mangaluru from 18th - 22nd November, 2019.

I have completed my Ph.D. in the area of Fiber Reinforced Concrete. Attending this FDP will further enhance my knowledge in the area of Fiber Reinforced Concrete and useful for me to promote research in the same area. Also helpful to conduct classes effectively for U.G. and P.G. students for the course 'Concrete Technology'.

In this regard, I humbly request you to provide approval for attending this FDP and sanction the special leave for 6 days - 18th to 23rd November, 2019 (including one day for travel on 23rd November, 2019) along with registration fee of Rs. 2630, Travelling Allowance (Approx.)
