To,

The Vice Chancellor,
Vel Tech Rangarajan Dr. Sagunthala R & D Institute of Science and Technology
Avadi, Chennai.

Respected Sir,

Sub: Requesting Permission & sponsor for attend the QIP short term course-Reg.

I am willing to attend the One-week Quality improvement program (QIP) short term course on "FEM SIMULATIONS IN METAL FORMING: FORMATION AND PRACTICAL IMPLEMENTATION" at IIT BOMBAY from 09th to 13th December 2019. The content they are going to discuss in that course are:

- Create an understanding of the concept and formability of materials and its assessment through FEM
- Induce understanding of different FEM formulations to simulate plastic deformation.
- Enable to use commercial FEM programs with proper understanding of the various functionalities.
- Enable to solve an application problem in plasticity using the FEM.

This QIP course will enhance my knowledge in Finite element methods, simulation and metal forming process in Manufacturing field. It will provide the support for my future research work in design and simulations requirements of Manufacturing process and & to publish in journals.

By attending this QIP course, new bonding can be developed in the research platforms which will dd immense value for our university. And by adopting new technologies and methods, the students of our university will be guided in an effective manner in their project works.

So, I kindly request you to permit me to attend this short term QIP course.

Also provide me special leave for those days (09/12/2019 to 14/12/2019) and sponsor me the sum of One thousand rupees only (Rs.1000/-).
