Rangarajan Dr. Sagunthala  
R&D Institute of Science and Technology  
(Deemed to be University Estd. u/s 3 of UGC Act, 1956)

## Scholarly Publications Emerging from Ph.D. Research

Name of the Scholar :  
Reg. No. :  
Department :  
Title of the Thesis :  
Name of the Supervisor :  
Mode of Study : Full Time / Part Time  
Date of Admission :  
Date of Thesis Submission :

Research Output Details (From Date of Admission to Date of Thesis Submission)	Nos.
<i>A. Article Publications</i>	
Articles Published in Web of Science (WoS)	
Articles Published in Q1 Journals (Indexed in WoS)	
Articles Published in Scopus	
Articles Published in Q1 Journals (Indexed in Scopus)	
Articles Published in Google Scholar	
<i>B. Conference Publications</i>	
Conference Proceedings Published in WoS	
Conference Proceedings Published in Scopus	
Conference Proceedings Published in Google Scholar	
<i>C. Intellectual Property Rights (IPR) – Indian Utility Patents</i>	
Indian Utility Patents Granted	
Indian Utility Patents Published	

### Note:

- All details must be filled in by the research scholar and in handwritten form only and duly verified by the research supervisor.
- Publications and patents shall be counted only for the period from the date of Ph.D. admission to the date of thesis submission.
- All publications and patents must be directly and substantially related to the research problem, objectives, methodology or outcomes of the Ph.D. thesis.
- In all publications, either the research scholar or the research supervisor must be the first, second and/or corresponding author.
- For patents, either the research scholar or the research supervisor must be the first or second inventor.
- A maximum of five (5) authors/inventors is permitted for publications and patents; outputs exceeding this limit shall not be considered.
- In the table, for publications, mention the actual count without deduction; for patents, deduct the numbers under “published” and “granted” as applicable.
- Q1 status must be verified using the latest Journal Citation Reports (JCR) and/or Scimago Journal Rank (SJR), and proof of Q1 status must be attached.
- The first page of the WoS / Scopus / UGC CARE / ABDC indexed publication and the patent published or granted certificate must be attached.

Date:

Signature of the Supervisor  
(Checked & verified)

Co-ordinator (Research Studies)

Dean (Research Studies)
