**ABOUT THE  
INSTITUTE**

## ABOUT THE INSTITUTE

Vel Tech is well-known for its renowned educational practices, which has been recognized and endowed with several awards. The founders of the Institution Col. Prof. Vel. Dr. R. Rangarajan, Founder Chancellor & President and Dr. Sagunthala Rangarajan Foundress President believe that education is for all, despite their financial means, which will promote and uplift the society. `Global Alliances of Vel Tech are working on International Relations with more than 390 Institution across 30 countries and have entered in the Memorandum of Understanding (MoU) with 120 Institutions for various Academic and Research exchange activities. Students, Faculty members and Researchers get the collaborative platform for Academic projects to explore best leading practices and Research work with International Universities. Vel Tech believes that there are no boundaries in the pursuit of knowledge. Through these strategic alliances with International Universities, the standard of education at Vel Tech is on par with the standards of best universities in the world.

## ABOUT THE DEPARTMENT

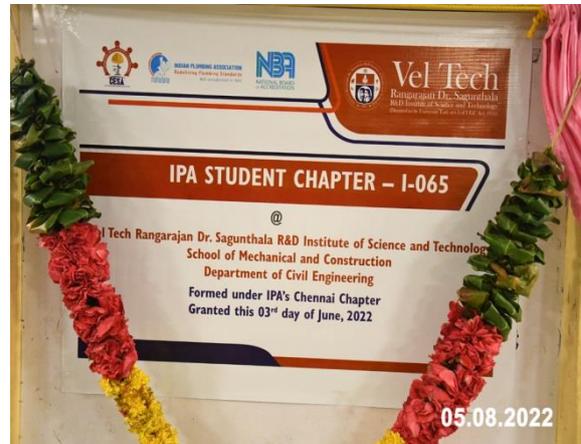

The Department of Civil Engineering was started in the year 2009 and it offers B.Tech. Programme, M.Tech Programme (Structural Engineering and Environmental Engineering), and Ph.D Programme. The department has been accredited by NBA (Tier I). Most of the faculty members are fellow and member of professional bodies in various fields of Civil Engineering covering the areas of concrete, soil mechanics, water resources and remote sensing. Faculty members continuously update their knowledge by interacting with IITs, IISc and other premier Institutions. Active participation of the faculty members in research, consultancy services & sponsored research activities help them to interact with industries and demonstrate the application of concepts in field and improve the teaching learning activities of the department.
