**Summer Semester 2024-2025**

The parents are the important stakeholders of the B.Tech Computer Science and Engineering Programme. In the Summer semester 2024-2025, suggestions were collected in the form of structured feedback from the parents of B. Tech CSE students. We have received 38 feedbacks from parents on the curriculum, and the major suggestions are listed below:

1. Recommended to include ReactJS and AngularJS in the curriculum to help students develop dynamic, responsive web applications.
2. Suggested to include the introduction part of Internet of things in the curriculum.
3. Parents requested increased focus on foundational coding skills and exposure to emerging technologies such as AI, IoT, and cybersecurity.
4. They emphasized the need for soft-skills development, including communication, teamwork, and problem-solving.
5. Parents suggested integrating industry certifications and workshops to enhance students' employability.

Dr. Murali Dhar. M.S  
Head of the Department  
Computer Science & Engineering

**Action Taken: Summer semester 2024-2025, Curriculum Feedback**

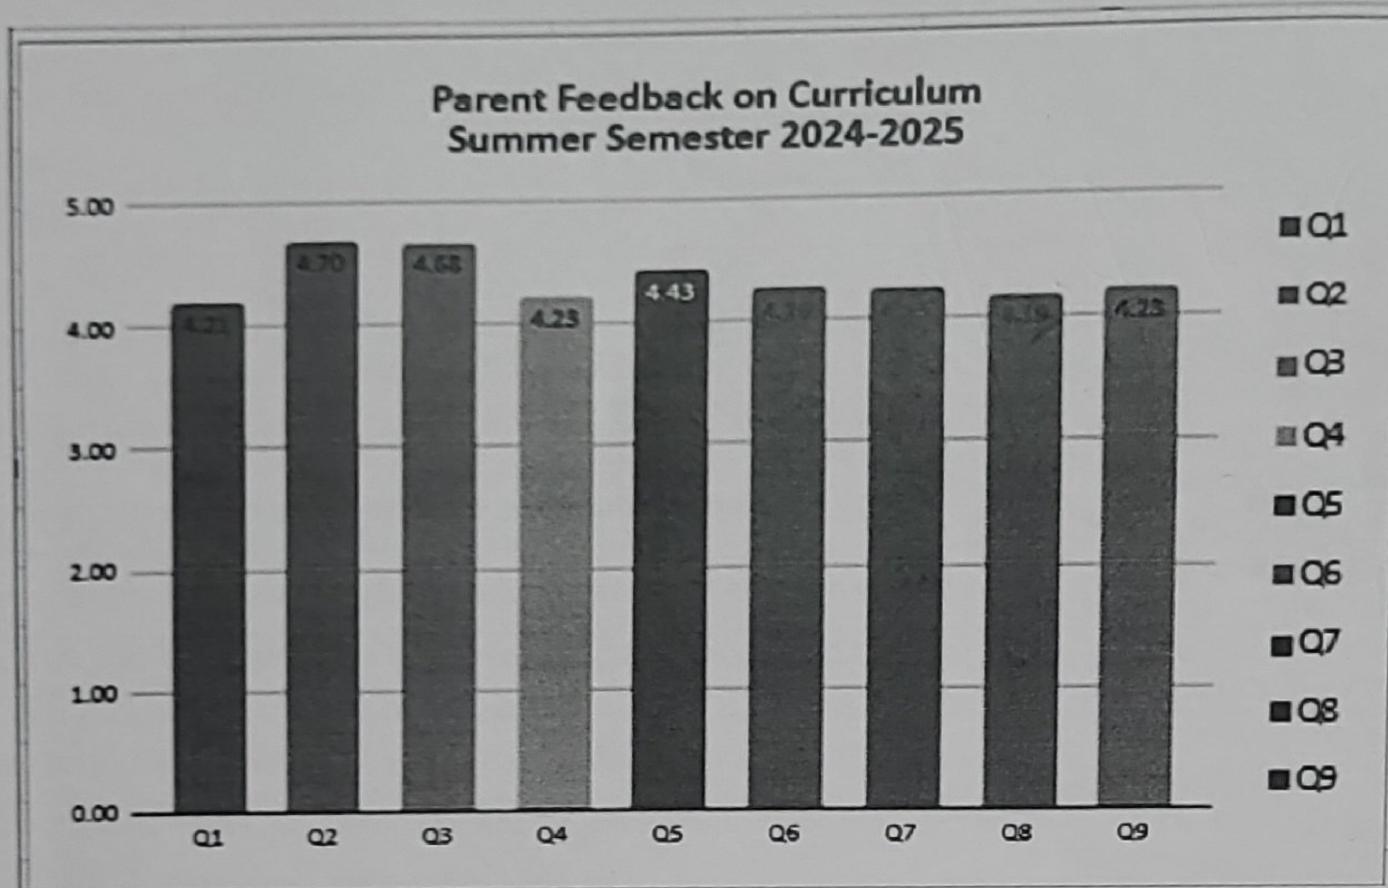

Based on the parents' feedback analysis few courses were introduced, and some courses were revised in the curriculum under various categories:

SNO	COURSE NAME	CATEGORY	BOS REFERENCE
1	Introduction to Internet of Things	Program Elective	40th BOS 30-12-2024
2	React JS & Angular JS	Industry / Higher Institute Learning Interaction	40th BOS 30-12-2024

 Head of the Department  
 Computer Science & Engineering  
**Vel Tech**  
 Rangarajan Dr. Sagunthala  
 RSD Institute of Science and Technology  
Approved by the University Council of UGC Act. 1956

The following questions are given to the parents about feedback on curriculum and the response is mentioned in the graph below:

1. How do rate the infrastructure provided to your ward?
2. How do you rate mentor-mentee communication with you?
3. How do you value the level of academic support to your ward?
4. How do you value the level of career guidance provided to your ward?
5. How do you rate our "Dial Your University Programme"?
6. How do assess the academic growth of your ward after joining the institution?
7. How do you rate your ward's level of satisfaction overall learning environment at the institution?
8. How do you rate the extra-curricular activities organized by the institution?
9. How do you rate the co-curricular activities organized by the institution?

The above feedback analysis shows that parents have given an average rating of 4.23/5 for Q4, regarding the level of career guidance provided to their ward. The ratings for Q1 are 4.21/5, where parents provide ratings for the infrastructure provided to their ward. The ratings for Q8 and Q9 are 4.19/5 and 4.23/5, where parents rate the extra-curricular and co-curricular activities organized by the institution.

**Winter Semester 2024-2025**

The parents are the important stakeholders of B. Tech Computer Science and Engineering Programme. In the Winter semester 2024-2025, suggestions collected in the form of structured feedback from B. Tech CSE parents. We have received 25 feedbacks from parents on curriculum and the major suggestions are listed below:

1. Suggested to include more industry-relevant electives in the curriculum to help students better match their learning with the current job market needs.
2. Courses focusing on practical skills, such as AI in Healthcare, Agriculture, or FinTech, are recommended to equip students with real-world application knowledge.
3. The inclusion of a course on Industrial Automation to enable students to learn the principles of industrial automation including control systems, sensors, actuators etc ,robotics.
4. Recommended to incorporate courses on Robotics & Automation to enhance students' technical capabilities and hands-on experience
5. Greater emphasis on industry exposure and soft skill development is recommended to prepare students for professional environments and teamwork.
