**Parents' Feedback on Curriculum 2023-2024**

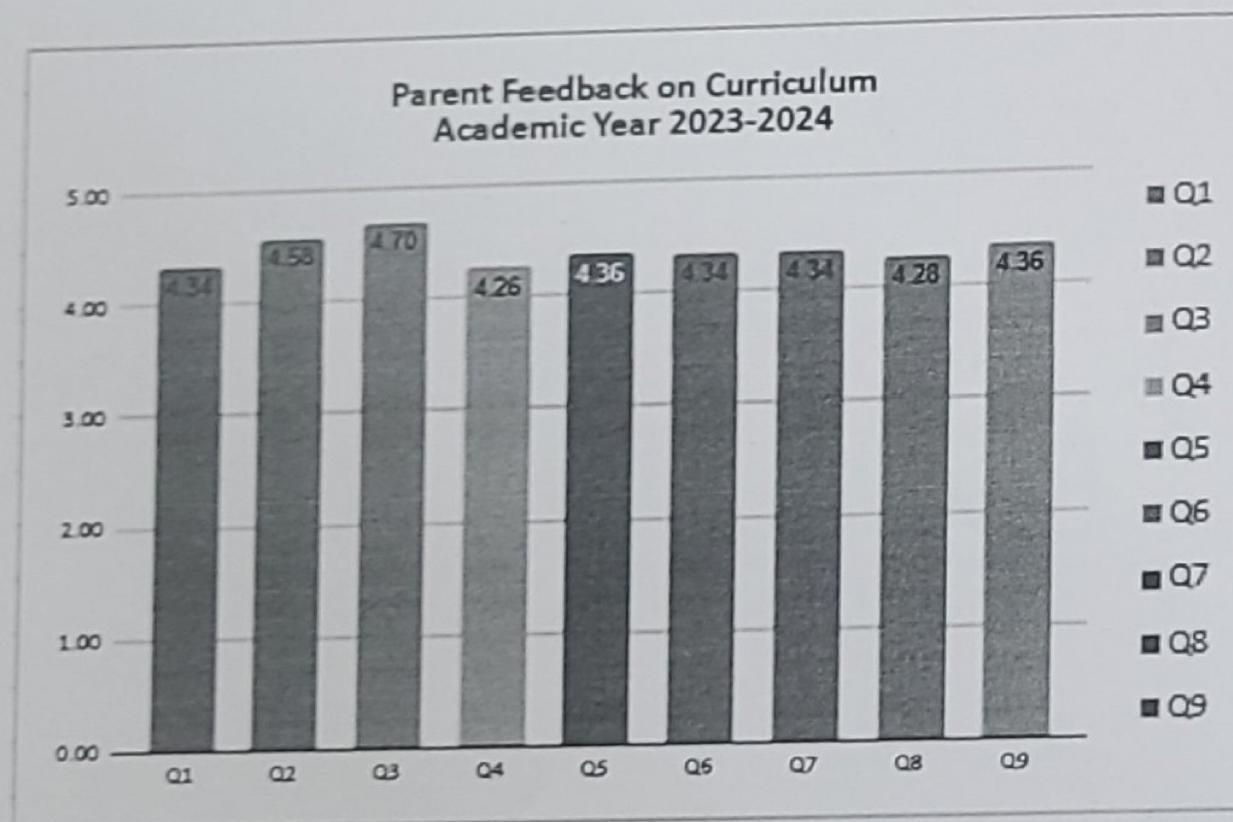

The parents are key stakeholders in the B.Tech Computer Science and Engineering Programme. In the academic year 2023-2024, suggestions were collected in the form of structured feedback from parents of B. Tech CSE students. We have received 38 feedbacks from parents on the curriculum, and the major suggestions are listed below:

1. Recommended to include new courses like Generative AI.
2. Requested courses related to Cyber Security and Ethical Hacking.
3. Parents requested increased opportunities for internships, industrial exposure, and hands-on projects.
4. Parents recommended the introduction of skill-development modules such as communication skills, critical thinking, and problem-solving.
5. Parents also suggested continuous mentoring and career guidance sessions to support students' overall development.

The following questions are given to the parents about feedback on curriculum and the response is mentioned in the graph below:

1. How do rate the infrastructure provided to your ward?
2. How do you rate mentor-mentee communication with you?
3. How do you value the level of academic support to your ward?
4. How do you value the level of career guidance provided to your ward?
5. How do you rate our "Dial Your University Programme"?
6. How do assess the academic growth of your ward after joining the institution?
7. How do you rate your ward's level of satisfaction overall learning environment at the institution?
8. How do you rate the extra-curricular activities organized by the institution?
9. How do you rate the co-curricular activities organized by the institution?

The above feedback analysis shows that parents have given an average rating of 4.26/5 for Q4, regarding the level of career guidance provided to their ward. The ratings for Q8 are 4.28/5, where parents provide ratings for the extra-curricular activities organized by the institution.
