

**Vel Tech**  
Rangarajan Dr. Sagunthala  
R&D Institute of Science and Technology  
(Deemed to be University Estd. u/s 3 of UGC Act, 1956)

### **Prevention of polluted water entering the water system**

In Vel Tech premises, groundwater is extracted in a respective place viz. Vel Tech campus, prince hostel, queens hostel, b3 hostel, leaders hostel, and Vel Vinayaga hostel. STP also available in each location and taken separately through pipe lines and through STP lorry. There was no mixing of groundwater and STP treated water pipe lines. The treated water is used for gardening in all places of Vel Tech premises, flushing system in hostel, and used for construction purposes.
