THOUGHT OF THE DAY

THE OBSTACLES IN OUR PATH

In ancient times, a king had a boulder placed on a roadway. Then he hid and watched to see if anyone would remove the huge rock. Some of the king's wealthiest merchants and courtiers came by and simply walked around it.

Many loudly blamed the king for not keeping the roads clear, but none did anything about getting the big stone out of the way. Then a peasant came along carrying a load of vegetables. On approaching the boulder, the peasant laid down his burden

and tried to move the stone to the side of the road. After much pushing and straining, he finally succeeded.

As the peasant picked up his load of vegetables, he noticed a purse lying in the road where the boulder had been. The purse contained many gold coins and a note from the king indicating that the gold was for the person who removed the boulder from the roadway. The peasant learned what many others never understand. Every obstacle presents an opportunity to improve one's condition.

Thought of the Day:

Most of us perceive roadblocks as problems that hinder us from achieving our goals in life but look at these challenges this way: they are there to help you become a better person. These challenges will lead you to success! Instead of avoiding the inevitable, face it head on. Who knows? You might find treasure underneath all your struggles the same way the peasant found a bag of gold coins underneath the rock he just pushed out of the way!

A SONG DEDICATED TO MY WIFE

நிலாவே வா செல்லாதே வா
எந்நாளும் உன் பொன்வானம் நான்
எனை நீ தான் பிரிந்தாலும்
நினைவாலே அணைப்பேன
நிலாவே வா செல்லாதே வா
காவேரியா கானல் நீரா
பெண்ணே என்ன உண்மை
முள்வேலியா முல்லைப்பூவா
சொல்லு கொஞ்சம் நில்லு
அம்மாடியோ நீ தான்
இன்னும் சிறு பிள்ளை
தாங்காதம்மா நெஞ்சம்
நீயும் சொன்ன சொல்லை
பூந்தேனே நீ தானே
சொல்லில் வைத்தாய் முள்ளை
நிலாவே வா
செல்லாதே வா
பூஞ்சோலையில்
வாடைக்காற்றும் ஆட
சந்தம் பாட கூடாதென்று
கூறும் பூவும் ஏது மண்ணின் மீது
ஒரே ஒரு பார்வை
தந்தால் என்ன தேனே
ஒரே ஒரு வார்த்தை
சொன்னால் என்ன மானே
ஆகாயம் தாங்காத
மேகம் ஏது கண்ணே
நிலாவே வா செல்லாதே வா
எந்நாளும் உன்
பொன்வானம் நான்

Oh Moon, don't leave—come back, come near.
I am your golden sky, always here.
Even if distance keeps us apart,
I'll hold you close in memory's heart.
Oh Moon, don't leave—come back, come near.
Kaveri's sacred waters—or a mirage on parched
earth?
Girl, what is the truth? Are you thorns or
jasmine's birth?
Speak now—stop just a moment.
My dear, you are still but a little child.
My heart cannot bear the pain
Inflicted by your words.
Oh! You are sweet as honey.
How could your words carry thorns?
Oh Moon, don't leave—come back, come near
In the flower's paradise, where breezes dance
and sing,
Can any earthly bloom insist on not to sing
rhythm?
Oh honey, why won't you spare even a single
glance?
Oh my dear, why won't you utter even a single
word?
Is there a sky not bearing the clouds, my dear?
Oh Moon, Come on, do not go, come on.
I am your golden sky forever.

INNOVATION EXCELLENCE AWARD 2025 ON 27TH OCTOBER 2025

Vel Tech High Tech Dr. Rangarajan Dr. Sakunthala Engineering College proudly hosted the Innovation Excellence Award 2025 on 27th October 2025 at the Vel Dr. R. R. and Dr. S. R. Convention Centre, a signature event celebrating creativity, research, and the relentless pursuit of innovation. This year's event witnessed a remarkable 812 project submissions across multiple disciplines, each showcasing technical brilliance and a commitment to solving real-world challenges through sustainable and impactful solutions. After a rigorous two-stage review process, 215 outstanding projects were selected for recognition, with the invaluable contributions of 87 industry experts who evaluated the projects based on innovation, sustainability, and societal impact. The event was graced by Dr. P. Senthil Kumar, Associate Professor at the Centre for Pollution Control and Environmental Engineering, School of Engineering and Technology, Pondicherry University — a Top 2% Scientist and Ranked #1 in India by Stanford University, whose achievements in environmental and chemical engineering truly inspired the gathering. The spirit of innovation and mentorship filled the atmosphere as students expressed their gratitude towards their mentors and leaders. A heartfelt standing ovation was given to Prof. Dr. E. Kamalanaban, Principal, for his visionary leadership, constant encouragement, and for creating such meaningful platforms that empower young innovators to explore, create, and excel beyond boundaries.

EMPOWERING MINDS AND EXPLORING EXCELLENCE IN COMPUTER SCIENCE- INDUSTRIAL VISIT & TRAINING: SCOPE OF AI & ML IN REAL LIFE- DEPARTMENT OF COMPUTER SCIENCE, VEL TECH RANGA SANKU ARTS COLLEGE)-25 OCT 2025

The Department of Computer Science organized a one-day Training and Industrial Visit on “Scope of AI & ML in Real Life” for II-year and III-year B.Sc. Computer Science students on 25th October 2025 at HCL Technologies Ltd, located in the Elcot Special Economic Zone, Sholinganallur, Chennai. This initiative offered students practical exposure to industry-relevant tools and methodologies, effectively bridging academic Artificial Intelligence and Machine Learning across various domains, while also observing the corporate work environment and professional culture firsthand.

To facilitate focused interaction, the 210 students were divided into five batches of 40 each. The visit encouraged active participation, and 25 students who responded enthusiastically during the sessions were recognized with appreciation gifts. All attendees received certificates, marking their successful engagement in the programme.

The visit proved to be a meaningful experience, enriching students’ academic journey and strengthening their understanding of industry expectations and technological advancements.

WEALTH AND WISDOM – A DIVINE REFLECTION TO GODDESS

The moment we pray, Goddess Lakshmi responds instantly, showering wealth. But do you know how she received this power? It is said that Lakshmi, after serving Lord Vishnu for countless ages by holding his feet in devotion, once asked him for a boon: “I wish to give something to my devotees. Please grant me a blessing.” Pleased by her devotion, Vishnu replied: “I grant you a boon. Whoever comes to you and asks, you shall bestow wealth upon them so that their lives may be fulfilled.” But Vishnu, wise as ever, knew human nature. “People will always go where wealth is there,” he thought. So, he added a condition: “You may give as much as you wish, but they will receive it only if I choose them.” Watching all this was Goddess Saraswati. She went straight to her husband, Lord Brahma. “Lakshmi has received a boon. I too seek one. But mine must be greater—she said. Brahma asked, “What kind of wealth do you wish to give?” Saraswati replied: “Of all forms of wealth, the highest is the wealth of knowledge. Grant me the power to bestow education upon those who seek it.” Now the question arises: Should we go to the deity who gives money? Or to the one who gives wisdom? Brahma remained silent for a moment, then declared: “Let me write a divine decree. What Lakshmi gives may be taken back by Lord Vishnu. But the education you grant, Saraswati, shall never be revoked by anyone.” Because she represents learning. She is the teacher who elevates lives. She is the mark of a scholar. And that mark alone is enough for a person to be recognized as noble. With that identity, one can live with dignity and rise to the highest levels of society. Thanks to the wisdom that transforms lives.

செல்வமும் கல்வியும் - ஓர் ஆன்மிகக் கதை

லட்சுமி தேவியை நாம் பிரார்த்தனை செய்தவுடன், அவர் தயங்காமல் தருவார்.

இந்த வரம் எப்படி வந்தது தெரியுமா?

லட்சுமி, நம்முடைய விஷ்ணுவின் பாதங்களை பன்னெடும் காலமாக சேவித்ததற்காக, ஒரு நாள் அவரிடம் ஒரு வரம் கேட்டார்:

“என் பக்தர்களுக்கு நான் ஏதேனும் தர வேண்டும். எனக்கு ஒரு வரம் தாருங்கள்.”

மகிழ்ந்த விஷ்ணு பதிலளித்தார்:

“உன் இடத்தில் யார் கேட்டாலும், அவர்கள் வாழ்க்கை நிறைவடையும்படியாக செல்வத்தை வழங்கும் ஒரு வரத்தை உனக்கு அளிக்கிறேன்.”

ஆனால் விஷ்ணு நம்மைப் பற்றி நன்கு அறிந்தவர்.

“மக்கள் எங்கே செல்வம் இருக்கிறதோ, அங்கேதான் போவார்கள்,” என்று எண்ணினார்.

அதனால் லட்சுமிக்கு ஒரு நிபந்தனை விதித்தார்.

“நீ எவ்வளவு வேண்டுமானாலும் கொடுக்கலாம். ஆனால் நான் விரும்பினால் மட்டுமே அவர்களுக்கு கொடுக்க முடியும்.

இதை பார்த்துக்கொண்டிருந்தார் நம்முடைய சரஸ்வதி.

நேராக தன்னுடைய கணவர் பிரம்மாவிடம் சென்றார்.

“லட்சுமி ஒரு வரம் பெற்றுவிட்டார். நீங்களும் எனக்கு ஒரு வரம் தாருங்கள். ஆனால் அது லட்சுமியின் வரத்தை விட சிறந்ததாக இருக்க வேண்டும்.”

பிரம்மா கேட்டார்:

“நீ என்ன செல்வம் தர விரும்புகிறாய்?”

சரஸ்வதி பதிலளித்தார்:

“எல்லா செல்வத்திலும் தலைசிறந்த செல்வம்—கல்விச் செல்வம். யாராவது கேட்டால், அதை வழங்கும் சக்தியை எனக்கு அளியுங்கள்.”

இப்போது நம்மிடம் ஒரு கேள்வி:

நாம் செல்வம் தரும் சாமியிடம் செல்ல வேண்டுமா? கல்வி தரும் சாமியிடம் செல்ல வேண்டுமா? பிரம்மா அமைதியாக இருந்தார். மின்னர் நிபந்தனை விதித்தார்.

லட்சுமி வழங்கிய செல்வத்தை பகவான் விஷ்ணு திரும்பப் பெற முடியும். ஆனால் சரஸ்வதி வழங்கும் கல்வியை யாராலும் திரும்பப் பெற முடியாது.”

கற்றோருக்கே உரிய தனிச்சிறப்பு.
