- Students have the choice to apply only Hackathon Projects.
- Students have the choice to apply both for SDG Projects and Hackathon Projects.

### SDG PROJECTS REGARDING:

- Students can submit student projects of their own under any one of the 8 themes.
- After submission of Abstract, the same will be scrutinized by a team of experts for acceptance and you will get an email confirmation from [visai@veltech.edu.in](mailto:visai@veltech.edu.in). If you have any queries, you can email to us with your application number as Reference for correspondence.
- You must make payment **on line** through the website – [@ your Login](http://www.veltech.edu.in/visai2024) within 3 days of receipt of acceptance mail from us.
- After the payment is made you must work on idea and make the prototype / video demonstration ready and present before the panel of jury on 23<sup>rd</sup> and 24<sup>th</sup> February 2024 for which you and your team members must be physically present at Vel Tech.

### FOR HACKATHON PROJECTS REGARDING:

- Students has to choose any one of the problem statements given by industries. For details on problem Statements given by Industries such as Ashok Leyland/Mahindra & Mahindra/Viruksa/Turbo Energy etc, students should go through go through Problem Statement details, given in website – [www.veltech.edu.in/visai2024](http://www.veltech.edu.in/visai2024)

- As Problems are well defined there will be no scrutiny. Students should make the payment **on line** through the website – [www.veltech.edu.in/visai2024](http://www.veltech.edu.in/visai2024) and submit the abstract also.
- On getting payment and abstract we shall organize 2 online sessions with Industry experts. This gives the rare opportunity to interact with industry experts for the students. These sessions will be mentoring sessions that help students in better understanding of the problems, modify their ideas, matching with the expectations of the industries in getting the best solution, a WIN-WIN for both students and the industries.
- This gives exposure to all the students to get the feel of Placements, a preview experience of placement cum Interview/ a real time exposure unmatched with a rich exposure, as you will be facing similar challenges in real time situations later in your career.
