Innovation Challenge for Development of a Video Conferencing Solution under Digital India Programme

The challenge will be conducted in three stages

STAGE

1

Ideation:

Top 10 teams would be selected from this stage after the submission of their innovative ideas. Each team will receive a funding of **INR 5 Lakh to build the prototype.**

STAGE

2

Prototype:

The shortlisted entries from Stage-1 will get a chance to present their prototypes to a distinguished Jury. Top 3 teams will be shortlisted for the Final Stage. Each team will receive a funding of **INR 20 Lakh to build the solution.**

STAGE

3

Solution Building:

The winner will get a fixed amount of **INR 1 Crore along with certificate from the Hon'ble Minister of Electronics & IT** towards deploying the solution for use by Government of India and State Governments for a year and further support @ **Rs 10 lakhs per year** towards Operations & Maintenance, for a period of 3 years after the first year of deployment subject to terms and condition of the final contract to be signed.

Application Deadline - 30th April 2020
