R&D Institute of Science and Technology  
(Deemed to be University Estd. u/s 3 of UGC Act, 1956)

To

Dear Principal,  
Greetings from Vel Tech !!!

Date: 01.06.2018

We are pleased to inform you that we are announcing the **Winter Session for the year 2018 -2019 of the DST - INSPIRE Project for students in the state of Tamil Nadu scheduled between 1st August to 5th August, 2018 at Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology Campus.** Innovation in Science Pursuit for Inspired Research (INSPIRE) being implemented by the Department of Science Technology (DST), New Delhi is a program launched by the Government of India to inspire students into natural science streams & to strengthen the National Science and Technology base in India.

Scheme for Early Attraction of Talent (SEATS) aims to attract talented youth to study science by providing a Science INSPIRE camp for toppers in Class Xth board examinations ( Please refer the Eligibility guidelines attached to this letter) with global leaders in science to experience the joy of innovations. The FULLY SPONSORED camp is for 5 days and includes food & accommodation for STUDENTS in our hostel. The Principals are advised to nominate the eligible students to the above Inspire science camp.

The Students will be addressed by experts from various fields of Science & Technology through which they will be encouraged to take up research career in Natural Science Streams and thus strengthening the Research Base of our Science & Technology Society. A striking feature of the program is that it does not believe in conducting competitive exams for identification of talent at any level rather it believes in and relies on the efficacy of the existing educational structure for identification of talent.

To give you a detailed idea on the programme and the selection procedure two separate enclosures are attached with this letter.

The eligible students are advised to submit their application forms as attached with this document through the respective principals to the following,

**Dr. P.Chandrakumar**  
Programme Coordinator,  
Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology  
400 feet Outer Ring Road,  
Avadi, Chennai-600062  
09600040254 / 09042559778 / 08189878851  
Ph: 044-26840605
