

## **Ph.D REGULATIONS - 2016.**

These regulations are applicable to all candidates admitted into any of the Ph.D Degree Programmes from the academic year 2016 - 2017 onwards.

The Ph.D. programme is intended to provide advanced training in research. The research carried out towards this degree should lead to new results, new method(s) of analysis or new relationship publishable in any referred journal. The candidate can register Ph.D. under Full-time, Part-time or Extramural/ Interdisciplinary category depending upon the fulfillment of the respective eligibility criteria.

The following Regulations shall be applicable to all Programmes of Ph.D Degree in Engineering and Technology, Computer Applications, Management and Science & Humanities offered by Vel Tech Rangarajan Dr. Sagunthala R & D Institute of Science and Technology (Deemed to be University), Chennai.

### **DEFINITIONS AND NOMENCLATURE**

In these Regulations, unless the context otherwise requires,

- i. “Institution“means Vel Tech Rangarajan Dr. Sagunthala R & D Institute of Science and Technology (Deemed to be University).
- ii. “Research Board” means the Board duly constituted by the Vice-Chancellor of the Institution to oversee the academic research activities of the Institution.
- iii. “Programme” means Doctoral Programme leading to the award of Ph.D. in Engineering / Technology / Science / Humanities / Management Sciences, and Humanities.
- iv. “Branch” means specialization or discipline of any Programme, like Electrical, Mechanical, Management, etc.
- v. “Course” means a theory or practical subject that is normally studied in a semester, like Research Methodology, Embedded Systems, Image Processing, etc.
- vi. “Dean, Research” means the authority of the Institution who is responsible for all Research programmes of all the Departments for implementation of relevant rules of these Regulations.
- vii. “Controller of Examinations” means the authority of the Institution who is responsible for all activities of the Examinations.
- viii. “Research Supervisor” means a faculty of the Institution who fulfills the requirements of the Institution to guide and supervise the research scholars registered for PhD. He will be the principle supervisor.

ix. “Co-Supervisor” means a recognized supervisor to guide the scholars in interdisciplinary research that require more than one expert or to take care of the administrative and research responsibilities of the scholar.

x. “Research Advisory Committee” means a committee constituted by the Institution for each scholar to monitor the progress of his/her research work.

## 1. ELIGIBILITY FOR ADMISSION:

1.1. The eligibility for admission into Ph.D programmes is PG degree of the Institution or any other qualification recognized as equivalent thereto in the field of study as notified in the Table A below.

TABLE-A

<b>Programme</b>	<b>Qualification for Admission</b>
Ph.D. Degree in Engineering/ Technology	M.E. / M.Tech. / M.S. (Research) in the relevant branch of Engineering or Technology.
Ph.D. Degree in Management Sciences	MBA / M.Phil / Post Graduate Diploma in Business Management or Administration awarded by Indian Institute of Management (IIM) / M.S. (By Research) in Management Sciences.
Ph.D. Degree in Science and Humanities	M.Sc. / M.A. / M.S. (By Research) /M.Phil in the relevant branch of Science and Humanities / M.C.A.

1.2. The candidate should obtain minimum of 55% marks or CGPA of 6.0 on a 10 point scale in the qualifying examinations, or its equivalent grade 'B' in the UGC 7-point scale or an equivalent degree from a foreign educational Institution accredited by an Assessment and Accreditation Agency.

1.3. A relaxation of 5% of marks, from 55% to 50%, or an equivalent relaxation of grade, may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently-Abled and other categories of candidates as per the decision of the Commission from time to time.

## 2. PROGRAMMES OFFERED

2.1. The Institution offers the following Programmes leading to the award of PhD degree

- i. Engineering
- ii. Technology
- iii. Business Administration

- iv. Computer Applications
- v. Science & Humanities

2.2. The specializations offered in each of these programmes shall be listed in the Institution website from time to time.

2.3. The programmes may change or vary as may be decided by the Institution Research Board from time to time.

### **3. MODES OF Ph.D PROGRAMME**

The programmes may be offered as full time and /or part time mode for any or all the programmes as may be decided by the Board from year to year but announced at the time of inviting applications for that year.

#### **3.1. Full-Time Ph.D. Programme**

- 3.1.1. Candidates under full-time shall do research work in the Institution and shall be available during the working hours for curricular, co-curricular and related activities.
- 3.1.2. Candidates in employment who want to pursue full-time studies should be sponsored by their employer and should avail leave for the research period and should get formally relieved from their duty to join the research programme.
- 3.1.3. Candidates who are sponsored by the AICTE under Quality Improvement Programme from Teachers of Engineering Colleges and who satisfy the eligibility conditions shall be eligible for full-time only, in the disciplines as notified in AICTE guidelines.
- 3.1.4. Candidates who are selected in Fellowship programme of National or any recognized bodies and who satisfy the eligibility conditions as per the regulations are eligible for full-time studies in the respective disciplines.
- 3.1.5. Foreign nationals sponsored by the Government of India on any exchange programme and who satisfy the eligibility conditions as per the regulations are eligible for full – time study
- 3.1.6. The scholars who are receiving financial assistance from the institution have to take teaching assistance work, if assigned.

#### **3.2. Part Time (Internal) Ph.D Programme**

- 3.2.1. Any faculty member of the Institution possessing the minimum prescribed qualifications and one year experience or as may be decided by the Board from time to time can apply in the prescribed form to work on a part-time basis for PhD degree.
- 3.2.2. Candidates with requisite qualifications working in research projects in Campus and selected by a selection committee constituted / approved by the Institution are eligible to register for Ph.D. after putting in at least six months of service in the

project and the project should have a valid tenure of at least two years from the date of submission of application by the candidate.

### **3.3. Part Time (Extramural) Ph.D Programme**

The candidates who seek admission under the following categories are considered to be under part time (Extramural) Ph.D programme.

- 3.3.1. Candidates working as teachers in other PG and professional colleges in permanent positions having minimum of one year experience and sponsored by their employers candidates, sponsored by R&D organizations of following categories are eligible to apply to work on a part time basis for PhD degree and shall be called Part time extramural candidates.
- 3.3.2. Candidates working in industrial units/ R&D Departments / National Laboratories / Units of Government / Quasi Government / any reputed organization or any other research laboratories which are recognized by the Institution to do collaborative research with the Institution and sponsored by the respective employer.
- 3.3.3. The extramural candidates have to submit the original No Objection Certificate [NoC] stating that he/she is permitted to pursue studies on part time basis, before submission. Also the No Objection Certificate must further state that he/she is permitted to pursue studies on part time basis and that (i) his/her official duties will permit sufficient time for research, (ii) facilities for research are available at the place of work, (iii) he/she will be permitted to attend full time course work at the Institution for at least 6 months during his/her registration for the degree if the place of work is outside 50 km radius of the Institution.

Their course work and all curricular, co-curricular activities and pre and co requisites shall be as determined by the advice of doctoral committee. In this mode, the candidates shall attend classes as prescribed by the Research Supervisor to complete courses as scheduled on any day including holidays and Sundays, along with Full time students or not as the case may be.

- 3.4. Conversion from one mode of study to the other shall not be permitted. However, the change will be permitted under extraordinary circumstances and by the approval of vice chancellor on recommendation of Dean-Research.

## **4. SUPERVISOR RECOGNITION AND ALLOCATION**

- 4.1. The research supervisor should be a regular faculty of the Institution / School/ Department and should possess Ph.D. degree.
- 4.2. Any regular Professor with at least five research publications in refereed journal and any regular Associate / Assistant Professor with at least two research publications in refereed journals may be recognized as Research Supervisor.

- 4.3. The above condition may be relaxed by the Vice Chancellor for recognition of person as a Research Supervisor in the areas / disciplines where there is no or only a limited number of refereed journals.
- 4.4. Recognition as a Research Supervisor for guiding research work shall be accorded by the Vice-Chancellor on the recommendations of the Institution Research Board or Dean Research.
- 4.5. External supervisors are not allowed. However, Co-Supervisor can be allowed in inter-disciplinary areas from other departments of the same Institution or from other related institutions with the approval of Vice Chancellor on the recommendation of Institution Research Board.
- 4.6. The allocation of Research Supervisor for a selected research scholar shall be decided by the Department concerned depending on the number of scholars per Research Supervisor, the available specialization among the Supervisor and research interest of the scholars as indicated by them at the time of interview/ Viva Voce.
- 4.7. In case of topics which are of inter-disciplinary nature where the Department concerned feels that the expertise in the Department has to be supplemented from outside, the Department may appointment a Research Supervisor from the Department itself, who shall be known as Research Supervisor, and a Co-Supervisor from outside the Department/ Institution terms & conditions are specified by the Research Advisory Committee and agreed upon by the consenting Institution /College.
- 4.8. Contact of Thesis examiners by the Supervisor/Co-Supervisor after the submission of Synopsis/Thesis of his/her scholar in connection with the evaluation report shall lead to the withdrawal of his/her supervisorship for a period of three years and he/she shall be debarred from guiding the scholars for any research programme in the Institution till such period.

## **5. CHANGE OF SUPERVISOR**

- 5.1. When a supervisor of a research scholar happens to be away from the Institution, for more than 6 months and up to one year, he / she shall continue to guide the research scholar, but a supervisor-in- charge shall be nominated by the Dean (Research) in consultation with the Head of the Department (HOD). The supervisor-in-charge shall function till the supervisor returns.
- 5.2. When a supervisor of a research scholar happens to be away from the Institution for more than one year, an alternate supervisor shall be nominated by the Dean (Research) in consultation with the concerned HOD of the Research Scholar.
- 5.3. When a supervisor retires from service on superannuation or leaves service, he / she shall make arrangements for alternative supervisor for his / her research scholar in consultation with the Head of the Department. However, such supervisor may be allowed to continue to guide the research scholar, on his / her written request as a Co-Supervisor on the recommendation of the Department.
- 5.4. In case of relocation of a women scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the Institution to which the scholar intends to relocate provided all other conditions in these regulations are followed in letter and spirit and the research work does not pertain to the project secured by the parent institute / Supervisor from any funding agency. The scholar will however give due credit to the parent guide and institute for the part of research already done.

## **6. NUMBER OF SCHOLARS:**

A Research Supervisor / Co-Supervisor who is a Professor, at any point of time, cannot guide more than eight (8) Ph.D. scholars. An Associate Professor can guide up to a maximum of six (6) Ph.D. scholars and an Assistant Professor can guide up to a maximum of four (4) Ph.D. scholars.

## **7. ADMISSION PROCEDURE**

- 7.1. Depending on number of available Research Supervisors, specialized areas and existing number of scholars, the vacant Ph.D. seats under each discipline shall be decided in advance and notified in the Institution website and through advertisements.
- 7.2. The Institution shall notify and hold an Entrance Examination for all eligible applicants. The syllabus of the entrance test shall consist of 50% of research methodology and 50% shall be subject specific. The student should secure 50% marks in the entrance test so as to qualify for interview/ viva voce examination.
- 7.3. Candidates with UGC/CSIR (JRF)/NET/SLET/Teacher -Fellowships/MPhil/ other National level eligibility test may be exempted from written entrance examinations.
- 7.4. The candidates short listed in written test shall be called for interview/viva-voce. The candidates are required to discuss their research interest/ area through a power point presentation before a duly constituted Departmental Research Committee.
- 7.5. The interview / viva-voce shall also consider the following aspects, viz whether;
  - 7.5.1. The candidate possess the competence for the proposed research;
  - 7.5.2. The research work can be suitably undertaken at the Institution ;
  - 7.5.3. The proposed area of research can contribute to new/additional knowledge.
- 7.6. Selected candidates shall be provisionally admitted for Ph.D programme with the approval of the Vice-Chancellor on verification of original certificates and payment of prescribed fee.
- 7.7. Admission into Ph.D. Programme will be made in accordance with the existing and applicable reservation rules in force.
- 7.8. The list of registered candidates with particulars of their topic of research, supervisor, and date of enrollment / registration will be placed in Institution website.

## 8. COURSE WORK

After having been admitted, each Ph.D student shall be required to undertake course work of minimum of 8 credits and maximum of 16 credits. The course content shall be formed such that each credit content course takes at least 15 teaching contact hours.

- 8.1. The course work shall typically include courses on
  - i. Research Methodology which includes quantitative methods, computer applications and research ethics for 4 credits.
  - ii. Advanced course work in the specific area of research offered under any approved PG programme of the Institution as per the credits assigned by respective Board of Studies.
  - iii. Any other course(s) shall be prescribed to the research scholar by the Department on the recommendations of the Research Advisory Committee.
- 8.2. If any course specific to the area of research has to be newly designed, then such course shall be formulated as a special elective and the course syllabus shall be designed by the Research Advisory Committee and got approved by the Chairman Board of studies of the Faculty. Such course shall be of P.G. level.
- 8.3. The prescribed course work shall normally be completed within one year from the date of provisional registration in the case of full-time research scholars and two years in the case of part-time research scholars.
- 8.4. Candidates already holding M. Phil. degree and admitted to the Ph.D. programme may be exempted by the Department from the Ph.D. course work. All other candidates admitted to the Ph.D. programme shall be required to complete the Ph.D. course work prescribed by the Department.
- 8.5. All the above course works of the scholar are to be undertaken as per the academic norms and shall be evaluated by the norms of this Institution.
- 8.6. No change in the prescribed course works shall be made without the approval of the Research Advisory Committee. The changes in course content/syllabus and grades shall be approved by the Academic Council.
- 8.7. Only courses taken after the date of provisional registration shall count towards this requirement. Any courses already passed by the candidate prior to the registration shall not be counted for this purpose.
- 8.8. The Ph.D. scholar has to obtain a minimum of 55%, of marks or it's equivalent grade or 6.0 CGPA on 10-point scale in the course work in order to be eligible to continue in the program and to submit the dissertation /thesis.

## **9. RESEARCH ADVISORY COMMITTEE**

9.1. There shall be a Research Advisory Committee for each scholar to monitor the progress of research.

9.2. The Research Supervisor shall furnish for every scholar a panel of 6 experts with doctoral qualifications in the field of proposed research, from the faculty members of the Institution / other premier institutions or universities/ experts from R&D Departments from which two will be recommended by the Vice-Chancellor as advisory committee members (at least one within the Institution and other may be outside expert).

9.3. The Supervisor of the research scholar shall function as the convener of the Committee.

9.4. The Co-Supervisor, if any, shall also be a member.

9.5. The committee shall have the following responsibilities:

9.5.1. To review the research proposal and finalize the topic of research.

9.5.2. To guide the research scholar to develop the study design and methodology of research and identify the courses that he/she may have to do.

9.5.3. To periodically review and assist in the progress of the research work of the Research scholar.

9.6. A research scholar shall appear before the Research Advisory Committee once in six months to make a presentation of the progress of his/ her work for evaluation and further guidance. The progress report shall be submitted by the Research Advisory Committee to the Dean Research with a copy to the research scholar.

9.7. In case the progress of the scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the research scholar fails to implement these corrective measures, the Research Advisory Committee may recommend to Vice Chancellor with specific reasons for cancellation of the registration of the research scholar.

## **10. DURATION OF THE PROGRAMMES**

10.1. The duration of the programme and the time for submission of thesis are counted from the date of registration.

10.2. The minimum duration of the programme in engineering, technology, and management and allied programmes for Full-time/Part-time shall be 36/ 48 months respectively.

10.3. The minimum duration of the programme in Science & Humanities for Full-time/Part-time shall be four/five years respectively. However, for M.Phil Degree holders, the

minimum duration shall be two years, if the M.Phil Degree relates to the field of research of the programme.

10.4. The maximum duration shall be additional three years over the respective minimum duration of the PhD programme.

10.5. Extension of required period not exceeding two more years may be permitted by Vice Chancellor under genuine reasons with recommendation of Research Advisory Committee. If permission is granted, the scholar has to get re-registration with the prescribed fee.

10.6. The women candidates and persons with disability (more than 40%, disability) may be allowed a relaxation two years for Ph.D. in the maximum duration. In addition, the women candidates may be provided maternity leave/ child care leave once in the entire duration of Ph.D. up to 240 days.

10.7. If the scholar will complete the requirement earlier than the prescribed period, the Vice-Chancellor may permit for an early submission of synopsis and thesis before six months provided the request is justified and substantiated by commendable research work with high quality publications.

10.8. Vice Chancellor on the recommendation of the Research Advisory Committee, shall permit, if deemed fit for reasons, break of study for the scholar under extraordinary circumstances such as medical grounds and other compelling reasons which warrants his/her absence to the programme. However, the break of study period shall not be counted for the minimum duration of the programme.

10.9. Break of study to scholars shall be granted up to a maximum period of two years with prior permission of vice chancellor on the recommendation of the Dean, Research. If prior permissions is not sought and obtained, it will be considered as a case of discontinuation and action will be taken to cancel the registration of such scholars. The scholar should remit the semester fees during the break of study period.

## **11. STRUCTURE OF THE PROGRAMME**

11.1. Every Programme shall conform to the UGC regulations relating to the process of review of research work leading to submission of PhD thesis.

11.2. After satisfactory completion of course work of required credits & CGPA and research work, scholar shall produce draft thesis / dissertation shall in reasonable time as indicated in clause 8.

11.3. Prior to submission of thesis/ dissertation, the scholar shall make a pre PhD presentation in the respective department before the Research Advisory Committee in the presence of the entire faculty and other research scholars. The feedback and comments

obtained from them may suitably incorporate into the draft dissertation/ thesis in consultation with Research Advisory Committee.

- 11.4. Every PhD candidate, before submission of thesis, shall produce evidence in the form of acceptance letter or reprint in proof of having published two research papers in referred journals and in which at least one research paper have his or her name as principal or first author and other may be as co author.
- 11.5. The thesis shall be prepared in the prescribed form and specified format and submit four copies.
- 11.6. The thesis shall be evaluated by his/ her research supervisor and at least by two external experts with known and confirmed expertise in the particular area of study, of which one expert shall be outside the country.
- 11.7. On receipt of satisfactory evaluation report, a suitable date may be notified for conducting viva-voce examination giving at least 15 days of clear notice and circulated to other universities and institutions offering such programmes in India and on the website of the Institution and the UGC.
- 11.8. The Degree shall specify that the same has been awarded in accordance with the provisions of the UGC (Minimum Standards and Procedures for Award of PhD) Regulations, 2016.

## **12. MONITORING THE PROGRESS**

- 12.1. All research scholars shall renew their registrations and pay the semester fee regularly.
- 12.2. A research scholar shall appear before the Research Advisory Committee once in six months to make a presentation of the progress of his/ her work for evaluation and further guidance. The progress report shall be submitted by the Research Advisory Committee to the Dean Research with a copy to the research scholar.
- 12.3. In case the progress of the scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the research scholar fails to implement these corrective measures, the Research Advisory Committee may recommend to Vice Chancellor with specific reasons for cancellation of the registration of the research scholar.
- 12.4. Full-time research scholars shall sign the attendance register in the Department of the Supervisor on all working days. They are eligible for a total of 15 days leave every semester and a maximum of 30 days in a calendar year, which they shall avail after obtaining permission from the supervisor and head of the department. However, those scholars who are availing financial assistance from funding agency shall be governed by the rules of the respective agency.

### **13. CANCELLATION OF REGISTRATION**

- 13.1. The registration of a research scholar who has exceeded the maximum period stipulated for the Ph.D. programme as in Clause 10.4 shall stand cancelled automatically. However, Re-registration will be permitted for extension of one year on the recommendation of the Doctoral committee after satisfying the progress of the work with proper justification. Scholar has to pay re-registration fee addition to regular fee.
- 13.2. The registration is liable for cancellation administratively by the Dean (Research) if
- i. The research scholar has not paid the semester fees within the stipulated time with the necessary fine.
  - ii. The progress reports are not submitted consecutively twice or the reports are not satisfactory.
  - iii. The performance is not satisfactory to the research advisory committee and accordingly recommended for cancellation.
  - iv. The research scholar wishes to withdraw the course and wishes to cancel his / her registration.
- 13.3. In all the above cancellation cases, the fees paid by the research scholar shall not be refunded.

### **14. SUBMISSION OF SYNOPSIS**

- 14.1. The research scholar shall be permitted to submit the synopsis only after obtaining the confirmation of coursework completion and completion of the minimum duration of the programme applicable to the scholar.
- 14.2. The Scholar has to publish two journal papers with scopus index and impact factor as first author or second author, if the supervisor is first author, based on his/her research work and specifically recommended by the Doctoral committee.
- 14.3. Prior to submission of the synopsis, the scholar shall prepare a draft copy of the thesis and shall make a pre-Ph.D presentation in the Department before the Research Advisory Committee and be open to all the faculty members and research scholars. The feedback and comments obtained during the presentation may suitably incorporated in the draft thesis under the advice of doctoral committee.
- 14.4. The research scholar shall submit to the Research Advisory Committee through the Supervisor, ten copies of the synopsis of the Ph.D. work along with a softcopy.
- 14.5. If the Doctoral Committee approves the research work reported in the synopsis, it shall forward the ten copies of the approved synopsis to the Controller of examinations through Dean (Research) along with a panel of at least eight examiners four from India and four from abroad.

## **15. SUBMISSION OF THESIS**

- 15.1. The thesis shall report, in an organized and scholarly fashion, an account of original research work of the research scholar leading to the discovery of new facts or techniques or correlation of facts already known (analytical, experimental, hardware oriented etc.,) and demonstrating a quality as to make a definite contribution to the advancement of knowledge as well as the research scholar's ability to undertake sustained research.
- 15.2. Six copies of thesis shall be prepared in accordance with the format and specifications prescribed. These shall be submitted along with a softcopy within three months from the approval of the Synopsis by the Research Advisory Committee along with three copies of the abstract of the thesis in about 400 words. Under no circumstances, the thesis submission can be delayed except under extra ordinary special circumstances, where an extension of three months may be permissible with the recommendation of the Vice-Chancellor.
- 15.3. The thesis shall include an undertaking from the research scholar and a certificate of the supervisor (and co- supervisor if applicable), to the effect that the thesis is a record of the bonafide research work carried out by the research scholar under his / her supervision and guidance and that the work reported in the thesis has no plagiarism and has not been submitted elsewhere for a degree or diploma.
- 15.4. Fees shall be paid by the research scholars for every semester till the submission of the thesis.

## **16. THESIS EVALUATION**

- 16.1. The thesis shall be checked for plagiarism before sending to the adjudicator. In case the research scholar found copied the thesis, the thesis is rejected for submission. The scholar shall be debarred and the research supervisor shall be debarred from guiding the research scholar for a period of five years.
- 16.2. The thesis shall be evaluated by his/ her research supervisor and two external adjudicators , one from India and another from outside country, nominated by the Vice-Chancellor from the panel of adjudicators recommended by the Research Advisory Committee. The Vice-Chancellor, if he deems it necessary, may also nominate the examiners from outside the panel.
- 16.3. All three examiners are expected to send their reports in the prescribed form within two months from the date of receipt of the thesis.
- 16.4. Controller of the Examinations shall take steps when necessary to receive the reports from the examiners as quickly as possible.

- 16.5. The examiner shall include in the report an overall assessment placing the thesis with the following recommendations.
- 16.5.1. Recommended in the present form without revision
  - 16.5.2. Recommended for minor revision without resubmission
  - 16.5.3. Recommended for main revision of thesis and resubmission
  - 16.5.4. Recommended for rejection of the thesis.
- 16.6. The examiner shall also enclose a detailed report in about 500 words, indicating the quality and standard attained in case of 16.5.1, the nature of revision in case of 16.5.2 & 16.5.3 and specify reasons in case of 16.5.4.
- 16.7. If all recommend the award of the degree as indicated in clause 16.5.1, the thesis shall be provisionally accepted.
- 16.8. If any examiner recommends for minor revision as indicated in clause 16.5.2, the revision is carried by the research scholar as suggested by examiner(s) and the thesis is submitted with a certificate from the supervisor to that effect.
- 16.9. In case one of the external examiner's recommendation falls under clause 16.5.4, the Institution shall send the dissertation/ thesis to another external examiner out of the approved panel of examiners and the *viva-voce* examination shall be held only if the report of the latest examiner is satisfactory. If the report of the latest examiner is also unsatisfactory, the dissertation/ thesis shall be rejected and the research scholar shall be declared ineligible for the award of the degree.
- 16.10. Individual cases not covered by the above clauses shall be referred to the Vice - Chancellor. On deemed fit reasons, the Vice-Chancellor shall refer to the Research Board which in turn, shall refer to the Academic council, if necessary.

## 17. VIVA-VOCE EXAMINATION

- 17.1. On receipt of the favorable report of the thesis, the Research Advisory Committee shall recommend a panel of three experts from recognized institutions within India for constitution of a Viva-voce examination Board.
- 17.2. The Viva-voce Examination Board shall be constituted by the Vice-Chancellor as follows:
- a. Adjudicator of the thesis in India or an expert in the subject from the panel of Indian adjudicators (in the absence of the former) - Member
  - b. One expert from a recognized institution as per clause 17.1 - Member
  - c. Research Supervisor of the candidate – Convener
- 17.3. The Viva-voce Examination shall be conducted as “Open Defense Type” examination, with a circular communicating the date and venue to all faculty members/ research scholars/other institution one week prior to the date of Viva-voce examination.

A minimum of ten members excluding the viva-voce examination board member shall be present to the viva-voce examinations.

- 17.4. On satisfactory completion of viva-voce examination the candidate shall submit a copy of the thesis along with a soft copy in CD ROM duly certified by the supervisor that all the corrections have been duly carried out as suggested by the examiners if any, for INSTITUTION ARCHIVES.
- 17.5. If the Viva-voce Examination Board reports the performance of the scholar as “not satisfactory” then he/she may opt to reappear for the viva-voce examination at a later date (not later than six months from the date of the first Viva-voce Examination). On the second occasion, the Viva-voce Examination Board shall include one more expert nominated by the Vice-Chancellor.
- 17.6. If the performance of the scholar in the Viva-voce examination in the second occasion also reported to be “not satisfactory”, the Vice-Chancellor, if deems it necessary, shall refer the remarks of the Viva-voce Examination Board, along with the thesis and comments of the Examiners, to a Committee constituted for this purpose and the decision of the Vice-Chancellor shall be final.

## **18. AWARD OF Ph.D. DEGREE**

If the report of the Viva-voce Examination Board is SATISFACTORY, the candidate will be awarded the Ph.D. Degree with the approval of the Board of Management.

## **19. DEPOSITORY WITH INFLIBNET**

- 19.1. Following the successful completion of the evaluation process and before announcements of the award of Ph.D, the Institution shall submit an electronic copy of the Ph.D thesis to INFLIBNET, UGC for hosting the same so as to accessible to all Institutions/ Colleges/ Universities.
- 19.2. Prior to the actual award of the degree, the Institution shall issue a provisional certificate to the effect that the Degree has been awarded in accordance with the provisions of UGC Regulations, 2016.
