

**Vel Tech**  
 Rangarajan Dr. Sagunthala  
 R&D Institute of Science and Technology  
 (Deemed to be University Estd. u/s 3 of UGC Act, 1956)

**Semester End Examinations Time Table - June/July 2022**

**B.Tech. - Computer Science and Engineering**

**Arrear Courses**

**Applicable for 2018,2019 & 2020 Admitted Batches Only**

**Duration : 3.00 Hrs**

**Time - FN: 10.00 am to 01.00 pm**

**AN: 02.00 pm to 05.00 pm**

| S.No      | Date             | Course Code | Course Name  |
|-----------|------------------|-------------|--|
| 1         | 15.06.2022<br>AN | 1150MA104   | Transforms and Partial Differential Equations                |
|           |                  | 1151CS107   | Database Management Systems                                  |
|           |                  | 1151CS118   | Microprocessors and Controllers                              |
|           |                  | 1151CS119   | Introduction to Design and Analysis of Algorithms            |
|           |                  | 1151CS201   | Mobile Application Development                               |
|           |                  | 1152CS104   | Ethical Hacking  |
|           |                  | 1152CS140   | Machine Learning Techniques                                  |
|           |                  | 1152CS191   | Data Visualization   |
|           |                  | 1153BM103   | Telehealth Technology  |
|           |                  | 1153BT101   | Biochips and Microarrays                                     |
|           |                  | 1153EE110   | Power Supply Quality   |
|           |                  | 1154CE101   | Resource and Energy Recovery from Waste                      |
|           |                  | 1154CE108   | Application of Remote Sensing and GIS in Disaster Management |
|           |                  | 1154EE118   | Green Energy Resources                                       |
|           |                  | 1154EE124   | Electrical Safety and Safety Management                      |
|           |                  | 1154ME112   | Energy Management  |
|           |                  | 1154ME113   | Solar Thermal Technology                                     |
| 1154PH102 | Nanostructures   |             |  |
| 2         | 16.06.2022<br>AN | 1150EN102   | Technical Communication                                      |
|           |                  | 1150EN201   | Technical English  |
|           |                  | 1150MA103   | Engineering Mathematics - II                                 |
|           |                  | 1151CS109   | Theory of Computation  |
|           |                  | 1151CS110   | Computer Organization and Architecture                       |
|           |                  | 1151CS120   | Data Structures and Algorithms                               |
|           |                  | 1152CS137   | Artificial Intelligence                                      |
|           |                  | 1153BM202   | Brain Computer Interface                                     |
|           |                  | 1153EE102   | Biomedical Instrumentation                                   |
