

# Vel Tech

Rangarajan Dr. Sagunthala  
R&D Institute of Science and Technology  
(Deemed to be University Estd. u/s 3 of UGC Act, 1956)

## End Semester Supplementary Examinations through Online Mode

### B.Tech - Computer Science Engineering

### ARREAR COURSES

### TIME TABLE - SEPTEMBER 2021

### Applicable for 2017 Admitted Batch Only

Duration : 1.30 Hrs

Time - FN: 10.00 am to 11.30 am

AN: 02.00 pm to 03.30 pm

| S.No | Date       | Session | Course Code | Course Name                                     |
|------|------------|---------|-------------|---|
| 1    | 02-09-2021 | FN      | 1153BT102   | Biosensors and Instrumentation                  |
|      |            |         | 1153EC103   | Embedded System Design                          |
|      |            |         | 1154AE111   | Space Exploration                               |
|      |            |         | 1154CH101   | Cryofuels                                       |
|      |            |         | 1154EE117   | Computer Aided Analysis of Electrical Apparatus |
|      |            |         | 1154ME105   | Industrial Safety, Health and Hazards           |
|      |            |         | 1154ME111   | 3D Printing                                     |
|      |            |         | 1154ME111   | 3D Printing                                     |
|      |            | AN      | 1153EC106   | Wireless Communication Networks                 |
|      |            |         | 1153EE102   | Biomedical Instrumentation                      |
|      |            |         | 1154AU104   | Automobile Engineering                          |
|      |            |         | 1154CE101   | Resource and Energy Recovery from Waste         |
|      |            |         | 1154EN101   | Academic Writing                                |
|      |            |         | 1154MA101   | Advanced Vedic Mathematics                      |
| 2    | 03-09-2021 | FN      | 1153EC105   | Analog and Digital Communication                |
|      |            |         | 1154CE105   | Construction Engineering                        |
|      |            |         | 1154CE105   | Construction Engineering                        |
|      |            |         | 1154EE124   | Electrical Safety and Safety Management         |
|      |            |         | 1154ME112   | Energy Management                               |
|      |            | AN      | 1154CE104   | Building Materials                              |
|      |            |         | 1154PH101   | Medical Physics                                 |
| 3    | 04-09-2021 | FN      | 1153BT101   | Biochips and Microarrays                        |
|      |            |         | 1153EE110   | Power Supply Quality                            |
|      |            | AN      | 1154ME102   | IPR and Patents Rights                          |
| 4    | 05-09-2021 | FN      | 1150CE101   | Basic Civil Engineering                         |
|      |            |         | 1150ME202   | Engineering Graphics                            |
|      |            | AN      | 1150MA103   | Engineering Mathematics - II                    |

|    |            |                         |                                  |   |
|----|------------|-------------------------|----------------------------------|---|
| 5  | 06-09-2021 | FN                      | 1150EE101                        | Basic Electrical Engineering                      |
|    |            |                         | 1150MG101                        | Project Management and Finance                    |
|    |            | AN                      | 1151CS106                        | Design and Analysis of Algorithms                 |
|    |            |                         | 1151CS114                        | Data Warehousing and Data Mining                  |
|    |            |                         | 1151CS202                        | Internet Programming                              |
|    |            |                         | 1152CS102                        | High Speed Networks                               |
|    |            |                         | 1152CS108                        | User Interface Design                             |
|    |            |                         | 1152CS140                        | Machine Learning Techniques                       |
|    |            |                         | 1152CS141                        | Cyber Physical System                             |
|    |            |                         | 1152CS187                        | Digital Forensics Methods                         |
| 6  | 07-09-2021 | FN                      | 1150CH101                        | Engineering Chemistry                             |
