IMPORTANT INSTRUCTIONS

1. As the duration of the mock test is 30 minutes only, you need not try to attempt all questions. Instead, you can familiarize yourself with the exam interface and location of control buttons.
2. The students are advised to use the same laptop/desktop for the mock test as well as the examination.
3. The pattern of question paper is MCQ (Multiple Choice Questions) type. The duration of End Semester Main Examination will be 90 minutes.
4. A detailed circular on “Online Examination Procedures — M.Tech & MBA Examination” is available on the Institution website www.veltech.edu.in/examination. It contains the screenshots of the exam portal and all the instructions to be followed. Read it carefully before attempting the mock test.
5. Use the opportunity for mock test wisely to have yourself accustomed to the online examination portal and its controls.
6. Any doubts during mock test related to hardware/software compatibilities, user queries will be cleared through a dedicated help desk whose details will be shared on the date of examination.
