CONDUCT OF END SEMESTER EXAMINATIONS FOR THE ARREAR COURSES OF B.TECH DEGREE PROGRAMMES THROUGH ONLINE MODE
(For the students admitted in 2016, 2015, 2014, 2013, 2012 & 2011 only)

GENERAL INSTRUCTIONS TO STUDENTS

1. For the benefit of students admitted in 2016, 2015, 2014, 2013, 2012 and 2011 for various B.Tech degree programmes (under regulations VTUR15, Regulations A & B), it is proposed to conduct the examinations for arrear courses through Internet based online mode.

2. The students who have arrears shall register themselves in the institution website “www.veltech.edu.in/examination” from 07.07.2020 onwards, in order to be eligible for this online examination.

3. Only registered students will be considered for this examination in online mode. Students who are not able to register will be permitted to take an offline exam, once the normalcy is restored and after the reopening of institution in the next semester.

4. The students must mandatorily take examinations using a laptop/desktop fitted with a webcam and mic along with a mobile phone capable of taking pictures of answer sheets. A reliable Internet connectivity on the laptop/desktop is compulsory for the examination.

5. The exams are of descriptive answering type and the duration is 2 hours. The scheme of question paper consists of Part A with 10 questions, each carrying 1 mark and all questions must be answered. Part B consists of 5 questions, with either or choice type and each carrying 6 marks. The questions will cover all the 5 units of study in the prescribed syllabus.

6. The student shall write the exam on a blank A4 size paper after viewing the questions displayed on screen in exam software, take a snapshot of the written answers using mobile phone and upload the same in the exam portal. Suitable time allowances will be given for taking the snapshot and uploading.

7. This will be a real time monitored examination and students are strictly advised to refrain from any kind of malpractices. Misconducts will be seriously dealt with as per the rules and regulations of the institution.

8. Mock Tests/ Practice Tests will be provided to all the registered students before the actual examinations and the schedule for the same will be published in institution’s website.

9. The students are advised to regularly check the institution’s website for necessary updates. For any queries email to “onlineexams@veltech.edu.in”
