**IMPORTANT INSTRUCTIONS**

1. Duration of mock test is 30 minutes only. Don't try to attempt all questions. Instead familiarize yourself with the exam interface, location of control buttons, typing in text field, taking snapshot and upload of written answers using mobile phone.
2. The students are advised to use the same laptop/desktop for the mock test as well as the end semester main examinations.
3. The question paper pattern for the mock test is same as that of the main examinations. However, the main examinations will be conducted for 2 hours and 30 minutes.
4. **A detailed circular on "Online Examination Procedures" is available on the institution's website [www.veltech.edu.in/examination](http://www.veltech.edu.in/examination). It contains the screenshots of the exam portal and all the instructions to be followed. Read it carefully before attempting the mock test.**
5. Use the opportunity for mock test wisely to have yourself accustomed to the online examination portal and its controls.
6. Any doubts during mock test related to hardware/software compatibilities, user queries will be cleared through a dedicated help desk whose details will be shared on the date of examination.
