

B.Tech. - Mechanical Engineering (2015 - Regulation)
Semester End Examinations Time Table Dec - 2023
Arrear Course for Passed-out Batches

Duration : 3.00 Hrs

Time - FN : 10.00 am to 01.00 pm

AN : 02.00 pm to 05.00 pm

S.No.	Date	Course Code	Course Name
1	15.12.2023 FN	1150CH101	Engineering Chemistry
		1150MA104	Transforms and Partial Differential Equations
		1151ME108	Applied Engineering Thermodynamics
		1151ME201	Engineering Metrology and Measurements
		1154EE124	Electrical Safety and Safety Management
2	15.12.2023 AN	1153AU101	IC Engines
		1153AU102	Automotive Transmission
3	16.12.2023 FN	1150MA202	Engineering Mathematics - I
		1151ME114	Design of Transmission Systems
		1152ME114	Nano Materials and Applications
4	16.12.2023 AN	1153CE105	Air Pollution Management
5	18.12.2023 FN	1150EN201	Technical English
		1151ME102	Engineering Thermodynamics
		1152ME105	Computational Fluid Dynamics
6	18.12.2023 AN	1154BT101	Biomaterials Engineering
7	19.12.2023 FN	1150MG101	Project Management and Finance
		1151ME111	Design of Machine Elements
		1151ME112	Thermal Engineering
		1152ME141	Finite Element Modelling of Composite Structures
8	19.12.2023 AN	1154IT104	Operating Systems
9	20.12.2023 FN	1150GE101	Biology for Engineers
		1151ME115	Heat and Mass Transfer
		1152ME102	Applied Hydraulics and Pneumatics
10	21.12.2023 FN	1150ME202	Engineering Graphics
		1152ME101	Additive Manufacturing Technology
		1154ME105	Industrial Safety, Health and Hazards
11	22.12.2023 FN	1152ME118	Tool Design Engineering
12	23.12.2023 FN	1152ME124	Non Traditional Machining Processes
