17	AMENDMENTS TO REGULATIONS	37

1.SHORT TITLE AND COMMENCEMENT

- a) The regulations here under are common for Post graduate level Arts and Science Degree programmes (Academic Programme and Industry Collaborated Programme) - M.Sc. /M.A. offered by Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology (Deemed to be University u/s 3 of UGC act, 1956) with effect from the academic year (2023-24) and they are called “VTR PGAS - 2023” regulations.
- b) The regulations here under are subject to amendments as may be made by the Academic Council of the University from time to time, keeping the recommendations of the Board of Studies (BOS) in view. Any or all such amendments shall be effective from such date and to such batches of students including those already undergoing the programme, as may be decided by the Academic Council.

2. DEFINITIONS

- a) “Commission” means University Grants Commission (UGC)
- b) “Council” means All India Council for Technical Education (AICTE)
- c) “University” means Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology
- d) “Programme” means cohesive arrangement of courses, co-curricular and extra-curricular activities to accomplish predetermined objectives leading to the award of a degree.

- e) “Course” means a unit of teaching, which encompasses various topics, that typically lasts one semester, is led by one or more faculty and has a fixed set of registered students.
- f) “Degree” means an academic degree conferred by the University upon those, who complete the postgraduate programme successfully.
- g) “Regular Students” means students enrolled into the two year programme in the first year.
- h) “Academic Year” means constituting of two consecutive (one summer + one winter) semesters.
- i) “Choice Based Credit System (CBCS)” means providing choice for students to select courses from the prescribed course categories (programme core, programme elective, Independent learning, extension activities, life skills) in the preferred semester complying prerequisites and based on their learning aptitudes.

3. PROGRAMMES

3.1 Academic Programme

Academic Programme means a programme designed developed and delivered in consultation with relevant Industry, Research Organizations and Academia.

3.2 Industry Collaborated Programme

Industry Collaborated Programme means programme designed, developed and delivered in close collaboration with the industry/ Research partner in the subject area of their expertise, in addition to the academic programme.

3.3 Nomenclature of Programmes

3.3.1 The nomenclature and its abbreviation given below shall continue to be used for the degree programmes under the University, as required by the Council and the Commission.

Master of Science shall be abbreviated as M.Sc. / Master of Arts shall be abbreviated as M.A. Besides, the name of the programme shall be indicated in parenthesis after the abbreviation. For example

a) Postgraduate (PG) Science degree academic programme in Physics shall be mentioned as

Master of Science (M.Sc.) in Physics

b) Postgraduate (PG) arts degree in English shall be mentioned as

Master of Arts (M.A.) in English

3.3.2 Master of Science (M.Sc.) and Master of Arts (M.A.) degree programmes are offered in various subject areas by different departments as shown in Table1.

Table 1. Illustrative list of M.Sc. /M.A. degree programmes offered by different departments

S. No.	Department offering the Programme	Programme Name
1	Physics	M.Sc. Physics
2	Chemistry	M.Sc. Chemistry
3	Mathematics	M.Sc. Mathematics
4	Computer Science	M.Sc. Data Analytics
5	English	M.A. English

If the university on the recommendation of Academic Council offers any other new programme(s) or modify the existing programme(s), the same regulations shall be applicable.

4. DURATION OF THE PROGRAMME

4.1 Minimum Duration of the Programme

- 4.1.1 The minimum duration of the programme for regular students shall be two years consisting of four semesters.

4.2 Maximum Duration of the Programme

The maximum duration which a student can take to complete a programme shall be as follows for students admitted from 2023 - 2024 academic year onwards:

- a) Maximum duration = $N+2$ years, where N stands for the minimum duration (In Years) prescribed for completion of the programme.*
- b) Under any exceptional circumstance, a further extension of one more year may be granted subject to approval of Vice- chancellor for the requisition made by the student.*
- c) During the extended period (beyond maximum duration) the student shall be considered as a private candidate and also not eligible for first class.*

4.3 Minimum Duration of a Semester

Each semester consists of a minimum of 90 instructional days as per the guidelines of Commission and Council.

5. **ADMISSION CRITERIA**

The eligibility criteria for admission into PG programmes are as per the norms of Commission, Council and Board of Management framed from time to time.

6. **CREDIT SYSTEM AND GRADE POINTS**

6.1 **Credit Definition**

A credit is the unit by which the course work is measured. It determines the number of contact hours of instructions required per week. One credit is equivalent to one contact hour of lecturing/tutorial or two contact hours of practical work or three contact hours of field work per week.

6.2 **Credit Structure**

A typical credit structure for course work (M.Sc. and M.A. Programme) based on the above definition is given in Table 2.

Table 2. Typical credit allocation scheme for courses

Lecture (L)	Tutorial (T)	Practical (P)	Total Contact Hours	Total Credits (C)
4	-	-	4	4
3	2	-	5	5
3	-	2	5	4
2	-	4	6	4
3	-	-	3	3
2	2	-	4	4
2	-	2	4	3
1	-	4	5	3
2	-	-	-	2
-	-	4	4	2
1	-	-	1	1
-	-	2	2	1

6.3 Course Registration

6.3.1 The student shall register and withdraw the courses at least five working days before and after the commencement of the academic semester, respectively. The dates for registration and withdrawal shall be mentioned in the academic calendar. Maximum number of students allowed to register for a course shall be indicated against each course.

6.3.1.1 The student is eligible to register a course if he/she fulfills the eligibility requirement of pre-requisite course.

6.4 Grade Points and Letter Grade for a Course

The grade point and letter grade shall be awarded to student in each course based on his/her performance as per the grading system shown in Table 3.

Table 3. Grade points and letter grade scheme for a course

Range of Marks	Letter Grade	Grade Point
91 - 100	O	10
81- 90	A+	9
71 - 80	A	8
61 - 70	B+	7
56 - 60	B	6
50 - 55	C	5
< 50	F	0
-	AB	0

F - Failure due to insufficient marks in the course

AB – Non-appearance in the Examination

6.5 Semester Grade Points Average (SGPA)

- 6.5.1 The SGPA is given at the end of each semester. It is a measure of performance of work done in a semester. It is the ratio of sum of product of credit and grade point earned by a student in various courses in a semester and the sum of the credits earned in that semester. It shall be expressed up to two decimal places and shall be computed using the formula given below.

$$SGPA = \frac{\sum_{i=1}^n C_i G_i}{\sum_{i=1}^n C_i}$$

Where

C_i denotes the credit earned in the i^{th} course

n is the number of courses through which credits earned by a student in a semester

G_i is the Grade Points secured by a student in the i^{th} course.

SGPA shall be mentioned in the grade sheet as per the format table

Table 4 Format for mentioning SGPA in Grade sheet

Total credits registered in a semester	Total credits earned in a semester	SGPA
---	---------------------------------------	------

6.6 Cumulative Grade Point Average (CGPA)

- 6.6.1 It is a measure of cumulative performance of a student in a programme. The CGPA is the ratio of sum of product of credit and grade point earned by a student in various courses in all the semesters and total credits earned in all the semesters. It shall be expressed up to two decimal places and shall be computed using the formula given below.

$$CGPA = \frac{\sum_{i=1}^m C_i G_i}{\sum_{i=1}^m C_i}$$

Where

C_i denotes the credit earned in the i^{th} course

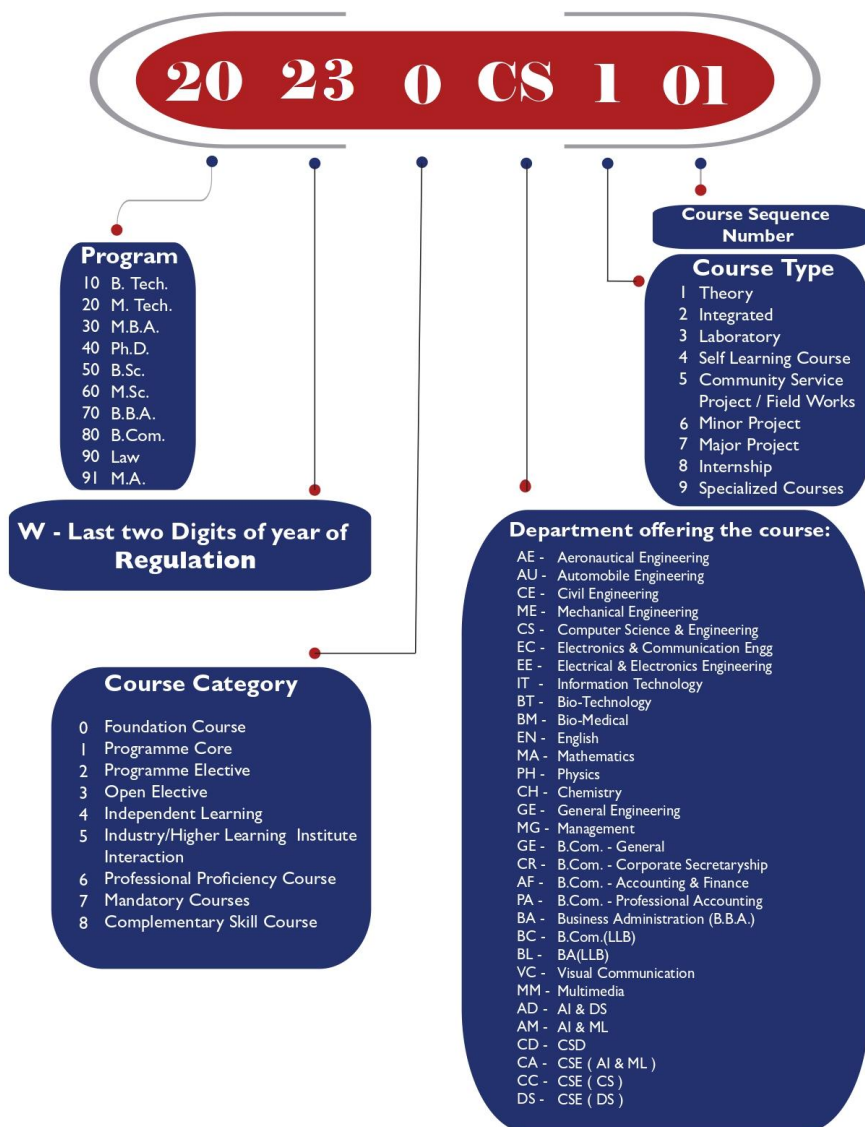

n is the number of courses through which credits earned by
a student in a semester

G_i is the Grade Points secured by a student in the i^{th} course.

6.6.2 The CGPA shall be calculated as per section 6.6.1, considering the courses selected by the students, satisfying the prescribed norms in Section 13.1.

6.7 Course Numbering Scheme

The course number consists of digits/alphabets. A typical course number is illustrated below.

7. CURRICULUM FRAMEWORK

7.1 Preamble

Curriculum framework is important in setting the right direction for a Degree programme as it takes into account the type and quantum of knowledge, skills and attitude necessary to be acquired by a student to qualify for an award in his/her chosen programme.

7.1.1 Besides, this also helps in assigning the credits for each course, sequencing the courses, and finally arriving at the total number of courses to be studied, and the total number of credits to be earned by a student to fulfill the requirements for the award of the degree.

7.1.2 Generally, each theory course shall consist of five units.

7.2 Programme Structure

The programme structure is designed in such a way that it facilitates the courses required to attain the expected knowledge, skills and attitude by the time of their graduation as per the needs of the stakeholders and University Grants Commission (UGC), New Delhi. The programme structure consists of various course categories (as described in Sections (7.2.1 to 7.2.5)) to cover the depth and breadth required for the programme and for the attainment of programme outcomes of the corresponding programme. The curriculum shall satisfy the programme specific criteria recommended by professional bodies of the respective programme. Courses shall be offered under

various categories as explained below, among which only programme core and programme elective courses shall have flexible credits while other courses shall have same fixed credits.

7.2.1 ***Programme Core Courses***

Programme core consists of set of courses considered necessary for the students of the specific programme. The courses and their contents under this category should satisfy the programme specific criteria prescribed by the appropriate professional societies.

7.2.2 ***Programme Electives***

Programme electives are the courses offered in the programme which covers depth and breadth to further strengthen the programme specific knowledge. The students shall register for appropriate electives offered in the programme based on their area of interest.

In the programme elective, students may choose two courses (three credits each) of twelve weeks duration from the NPTEL/Swayam/MooC platforms which are recommended the respective Board of Studies. Students need to submit the course certificate along with the scorecard in the department to transfer the credit within one week from the last working day of the semester.

7.2.3 ***Open Electives***

Open electives are the courses offered across the schools to enhance the knowledge breadth and professional competency of the students. The students shall register for appropriate electives offered in other schools based on their area of interest. The courses offered under this

category cover the interdisciplinary/trans disciplinary knowledge.

Students shall take the open elective courses (2 courses) of twelve weeks duration from the courses offered by the online platform like NPTEL/Swayam/MooC, as approved by the respective BoS. Students need to submit the course certificate along with the scorecard in the department to transfer the credit within one week from the last working day of the semester.

7.2.4 Independent Learning

The students are expected to learn the courses offered under this category on their own.

7.2.4.1 Field Study/Internship

The student shall earn two credits either through field study or Internship. Students shall undergo field study/Internship in the industry/higher learning institute approved by the office of Industry Relations during any time after the first semester and shall earn a minimum of two credits.

7.2.4.2 Project Work

- a) Project Work Phase-I, which carries 2 credits, shall be carried out by the student for a minimum period of six months. The project work phase - I shall be carried out in the major areas pertaining to the programme approved by the Project Review Committee (PRC) and may address societal problems/issues related to the programme. In order to register for project work phase

- I, the student shall earn 12 credits from the previous semesters.

- b) Project Work Phase-II, which carries 8 credits is a continuation of project work phase - I, shall be carried out by the student for a minimum period of six months, i.e., one semester. The student shall register for project work phase- II if he/she has earned the credits for Phase-I. It is mandate to present/publish at least one paper of the project work in the National/International conference or Scopus Indexed/UGC Care listed Journals

7.2.5 Life Skills

Life skills consist of training for all our post graduate students so that they are able to face the challenges and adapt to day to day demands on their everyday lives. A life skill is used to describe basic skills acquired through learning or knowledge. Life skills are directed towards personal actions or actions towards others. It helps the students to improve their self-esteem, social competence, confidence etc.,

The students shall undergo this life skill courses and earn a minimum of two credits. In Life Skills category (2 credits), students can choose an eight weeks duration course in Business Communication / Technical Writing course in NPTEL/ Swayam/MooC platform. Students need to submit the course certificate along with the scorecard in the department to transfer the credit within one week from the last working day of the semester.

7.2.6 Extension activity

Extension activities include activities conducted by various cells that are in the University which provides a link between the University and Community such as outreach, V-Doers, UBA, etc. The students shall undergo this extension activity and earn a minimum of one credit.

7.2.7 Special Curricular Accomplishments

7.2.7.1 Research Publications:

The student shall be awarded credits if he/she publishes a research paper with Veltech affiliation pertaining to their major area of his/her programme in any one of the refereed journals (Scopus/SCI Indexed/UGC Care), which are approved by the Dean of the respective school. He / She will be exempted up-to a maximum of three credits in any course categories as per their wish, other than the Program Core.

The number of credits, awarded to the students, is based on the recommendations of the expert committee constituted as per the direction of the Dean of the school. The expert committee shall review the published paper and shall give its recommendations for the award of credits. This shall be applicable to the first author only. The student shall work under the supervision of a guide (faculty member/resource person from Industry /Higher Learning Institute).

7.2.7.2 Innovation driven prototype/Business models

The student shall be awarded credits if he/she successfully comes out with Innovation driven prototype/Business models at the Veltech Technology Business Incubator (TBI). The Prototype/Business models shall be certified by the Head and CEO of Veltech TBI, recommended by the HoD and approved by the Dean of the respective school. The student will be exempted up-to a maximum of two credits in the projects phase-1 under 7.2.4 Independent Learning category. The grade for the project(s) may be awarded by the BoS of the respective school based on the recommendation from Head and CEO of Veltech TBI.

7.2.7.3 Start-up by the Student Inventors

Student successfully come-up with a start-up at Veltech TBI, shall be awarded with credits. On submission of documents for the start-up, endorsement by TBI Manager, CEO & the Head of the Department where student is studying, the Dean of the School may recommend to the Vice-chancellor for the exemption of Project Phase-II under 7.2.4 Independent Learning category. The grade for the Project Phase-II may be awarded by the respective BoS based on the recommendation from Head and CEO of Veltech TBI and senior level faculty from the respective department, nominated by the Dean of the school.

7.3 Minimum Credits Required in Various Course Categories

The students shall earn credits in various course categories as indicated in Table 5.

Table 5
Programme structure and Minimum credits required in course Categories

S. No.	Section	Course Category	Total Credits
1	7.2.1	Programme Core	44
2	7.2.2	Programme Elective	15
3	7.2.3	Open Elective	06
4	7.2.4	Independent Learning i) Internship/Field Study ii) Project Phase-I iii) Project Phase-II	02 02 08
5	7.2.5	Life Skills	02
6	7.2.6	Extension activities	01
Total			80

7.4 Medium of Instruction and Examination

The medium of instruction and examination is English.

8. EXAMINATIONS AND SCHEME OF EVALUATION

8.1 Description

8.1.1 Continuous Evaluation (CE) shall be conducted by the course handling faculty/course coordinator all through the semester; it includes midterm tests, assignments, projects and other means covering the entire syllabus/all the course outcomes.

8.1.2 Semester End Examination (SE) shall be conducted by the Controller of Examinations at the end of a semester as per the academic calendar and it includes a written examination for theory courses, and practical examination with viva voce for laboratory courses/project work.

8.2 Scheme of Continuous Evaluation

8.2.1 Theory courses

Courses with contact hours only for the lecture or lecture and tutorial are considered as theory courses.

8.2.1.1 For all the theory courses, the continuous evaluation shall be for a maximum of 40 marks consisting of two mid-term tests, assignment and seminar. The tests shall be conducted on the dates mentioned in the academic calendar and assignments/seminars submission dates shall be given by the course faculty.

8.2.1.2 There shall be two mid-term tests each carrying 20 marks, One Assignment and One Seminar each carrying of 20 Marks. The average of the Mid-term tests mark shall be considered for continuous evaluation. It shall measure the knowledge and skills of the students in all levels as mentioned against the respective course outcomes, in cognitive learning domain as per the revised Bloom's taxonomy. The test shall consist of two parts – Part A and Part B. Part A shall cover remember and understand level questions and carry five marks. Part B shall cover understand and above levels questions as mentioned against the respective course out comes and it shall consist of four questions each carrying five marks, out of which students shall answer any three questions.

8.2.1.3 There shall be assignments and seminars decided by the course handling faculty for twenty marks. It shall measure the knowledge of the students in apply and above levels, in cognitive learning domain as per the revised Bloom's taxonomy. The twenty marks shall be awarded as per the rubric prepared by the course handling faculty and shall be informed to the students well in advance before the evaluation.

8.2.2 **Laboratory courses**

Courses with contact hours only for practice or practice cum tutorial are considered as laboratory courses.

For all the laboratory courses, the continuous evaluation shall be for a maximum of 40 marks consisting of student's performance in each laboratory session and model test.

8.2.2.1 For each experiment in a laboratory course, maximum of 15 marks shall be awarded as per the rubrics shown in the Table 6. The average of all the experiment marks shall be considered for continuous assessment. The rubric shall be informed to the students well in advance before the evaluation.

Table 6 Rubrics for evaluation of laboratory experiment

Performance in conducting experiment (5)	Result and Analysis (3)	Viva Voce (3)	Record (4)
--	---------------------------------	--------------------	---------------

8.2.2.2 In each laboratory course, model laboratory test shall be conducted for maximum of 25 marks on appropriate dates as mentioned in the academic calendar. A rubric, prepared considering the performance indicators given in Table 7, shall be informed to the students well in advance before the evaluation.

Table 7 Rubrics for evaluation of model laboratory test experiment

Performance in conducting experiment (15)	Result and analysis (5)	Viva Voce (5)
---	-------------------------------	-------------------

8.2.3 Integrated Courses

Courses with contact hours of lecture and practice are considered as integrated courses.

8.2.3.1 For the integrated courses which have more than 50% credit contribution from lecture classes, the continuous evaluation shall be for a minimum of 40 marks consisting of two mid-term tests and one practical test. The tests shall be conducted on the dates mentioned in the academic calendar and assignment submission dates shall be given by the course faculty.

The average of the mid-term tests mark shall be considered for continuous evaluation. It shall measure the knowledge and skills of the students in all levels as mentioned against the respective course outcomes, in cognitive learning domain as per the revised Bloom's taxonomy. The test shall consist of

two parts – Part A and Part B. Part A shall cover remember and understand level questions and carry five marks. Part B shall cover understand and above levels questions as mentioned against the respective course outcomes and it shall consist of four questions each carrying five marks, out of which students shall answer any three questions.

Practical Test: A practical test shall be conducted for maximum of 20 marks on appropriate date as mentioned in the academic calendar. A rubric, prepared considering the performance indicators given in Table 8, shall be informed to the students well in advance before the evaluation.

Table 8 Rubrics for evaluation of model practical test for theory dominated integrated course

Performance in conducting experiment (5)	Result and analysis (5)	Viva Voce (5)	Record (5)
--	-------------------------	-----------------	------------

8.2.3.2 For the integrated courses which have more than 50% credit contribution from practical classes, the continuous evaluation shall be for a maximum of 40 marks consisting of students' performance in each laboratory session and model test as mentioned in Section 8.2.2.

8.2.4 Project Work

For project work, Head of the department shall constitute the Project Review Committee (PRC)

consisting of two faculty members with diversified specializations and the project guide. Continuous evaluation for 40 marks shall be done as given in Table 9.

Table 9 Continuous assessment scheme for project work

Review I	Review II	Assessment by Project Guide	Total
10 Marks	15 Marks	15 Marks	40 Marks

Rubrics shall be prepared by Project Review Committee using appropriate performance indicators for Review I and II separately and informed to the students well in advance. Average marks of Project Review Committee members shall be scaled to 10 marks for Review I and 15 marks for Review II. Separate Rubrics shall also be prepared by the individual project guide with appropriate performance indicators based on the nature of the project work and shall be approved by the PRC. Project guide shall evaluate for maximum of 15 marks during the entire project period.

8.3 Scheme of Semester End Examination

- 8.3.1 For all the theory, practical, and project courses, the semester end examination shall be for a maximum of 60 marks. For independent learning courses end semester examination shall be for a maximum of 100 marks.

8.3.2 The semester end examination for theory courses shall be conducted for maximum of 60 marks on dates as mentioned in the academic calendar. It shall measure the knowledge and skills of the students in all levels as mentioned against the respective course outcomes, in cognitive learning domain, as per the revised Bloom's taxonomy. The examination shall consist of three parts – Part A, and B.

- Part A shall cover remember and understand level questions and carry 20 marks.
- Part B shall cover understand and above levels questions and consist of five questions of either or type, one from each unit, and carry 40 marks.

The questions in Part A and Part B shall evenly address all the course outcomes.

However, a different pattern of question paper can be recommended by the BOS to meet the course specific requirement to the Vice-Chancellor

8.3.3 The semester end examination for laboratory courses shall be conducted for maximum of 60 marks on appropriate dates as mentioned in the academic calendar and shall be evaluated as per the rubrics given in Table10.

Table 10. Rubrics for evaluation of semester end laboratory examination

Performance in conducting experiment (30)	Result and analysis (20)	Viva Voce (10)
--	-----------------------------	---------------------

- 8.3.4 For the integrated courses which have more than 50% credit contribution from lecture classes, the semester end examination shall be conducted for a maximum of 60 marks as same as for theory courses.
- 8.3.5 For the integrated courses which have more than 50% credit contribution from practical classes, the semester end examination shall be conducted for a max. of 60 marks on appropriate dates as mentioned in the academic calendar. Rubrics, prepared for model test, shall be used with proper scaling based on mark distribution as given in Table 11.

Table 11 Rubrics for evaluation of semester end laboratory examination in practical dominated course

Part-A	Part-B		
Theory questions to evaluate the knowledge and understanding (20)	Performance in conducting experiment (25)	Result and analysis (10)	Viva-Voce (5)

- 8.3.6 For semester end evaluation of project work, Project Evaluation Committee (PEC) shall be constituted with three examiners; one member from PRC (Section 8.2.4) nominated by HoD, one member nominated by VC and project guide. For each student in a project team, the semester end evaluation for 60 marks shall be conducted on dates as mentioned in the academic

calendar. Separate Rubrics shall be prepared and made available for semester end project evaluation. Average marks of Project Evaluation Committee members shall be scaled to 60marks.

8.3.7 For evaluation of extension activities, student shall submit the comprehensive report to the department within a week time after the completion of the extension activity. One credit shall be awarded to the student who underwent either one spell of field study which has a minimum of five days' duration with at least 8 hrs. per day. Based on the Rubrics prepared for the purpose, the report shall be evaluated for 100 marks by a three-member review committee constituted by the Head of the Department.

8.3.8 The semester end examination for the course (7.2.4, 7.2.5 & 7.2.6) under independent learning / life skills/extension activity category shall be evaluated for 100 marks by the faculty expert nominated by the Head of the department. The question paper pattern shall be decided by the faculty expert at the beginning of the course and the same shall be approved by the Head of the department.

8.4 Conditions for Pass

8.4.1 A candidate shall be declared "Pass" in individual theory/drawing course if he/she secures a minimum of 50% aggregate marks (continuous evaluation and semester end examination marks put together),

subject to a minimum of 45% marks in the semester end examination.

- 8.4.2 For the courses listed under Section 7.2.4, a student shall be declared to have passed if he/she secures a minimum of 50% marks in the semester end examination.
- 8.4.3 A candidate shall be declared to have passed in individual lab/project course, if he/she secures a minimum of 50% aggregate marks (continuous evaluation and semester end examination marks put together), subject to a minimum of 50% marks in the semester end examination.
- 8.4.4 If a candidate fails to secure a pass in programme core courses (Section 7.2.1), it is mandatory that he/she shall register again and reappear for the examination in those courses during subsequent supplementary examinations and/or examinations conducted at the end of subsequent semesters. After the publication of the results of every semester examination, a supplementary examination shall be conducted for the benefit of students who have failed in the current semester courses. If a candidate fails to secure a pass in the course(s) covered under Section 7.2.2 to 7.2.6, he/she shall register and reappear for the examination in those courses or register any other course(s) in the respective category in the subsequent semesters.

8.4.5 On passing a course of a program, the student shall earn assigned credits for that course.

8.4.6 A candidate shall apply for revaluation of his/her semester end examination answer paper in a theory course, within the stipulated time from the declaration of results, on payment of prescribed fee along with prescribed application to the COE.

9 CRITERIA TO ATTEND SEMESTER END EXAMINATION AND PROMOTION TO HIGHER SEMESTER

9.1 Eligibility for Semester End Examinations

A student shall secure a minimum of 75% attendance in a course in order to attend semester end examination of that particular course. Condonation of shortage in attendance may be recommended by the respective course handling faculty through proper channel on genuine medical grounds/participation in sports/co-curricular activities provided the student puts in at least 65% attendance and provided the Vice Chancellor is satisfied with the genuineness of the reasons and the conduct of the student. Students shall have to pay requisite fee towards condonation.

10 BREAK IN STUDY

10.1 A candidate is not normally permitted to temporarily break the study. However, if a candidate intends to temporarily break the programme in the middle for valid reasons (such as accident or hospitalization due

to prolonged ill health) and to rejoin the programme, he/she shall apply in advance to the Vice Chancellor through the Dean of the concerned school stating the reasons therefore in any case, not later than ten instruction days after starting of the academic session.

- 10.2 The candidate permitted to rejoin the programme after the break shall be governed by the rules and regulations in force at the time of rejoining.
- 10.3 The duration specified for passing all the courses for the purpose of classification as mentioned in Section 13 shall not be altered by the period of such break of study permitted.
- 10.4 The total period for completion of the programme reckoned from the commencement of the first year to which the candidate was admitted shall not exceed the maximum period specified in Section 4 irrespective of the break of study in order that he/she may be eligible for the award of the degree (as mentioned in Section 13).

11 TRANSITORY REGULATIONS

For transitional students, a Transitional Committee shall be formed consisting of Dean of School and HOD of the department concerned. The committee shall refer to the guidelines of BOS and advise transitional students with regard to their curricula, courses and

other requirements for the completion of degree. The decision of the committee shall be placed for ratification before BOS, Academic Council and BOM. Every such application shall be disposed off by the Dean concerned in 15 days from receipt of application. While rejoining for the degree programme, a transitory student shall follow the same Regulations as those followed by regular students.

12 MIGRATION

The University academic programme offers Choice Based Credit System and transfer of credits. Transfer of credits enables a student to transfer the credit earned by him in one school to another and from one institution to another. This enables a student to migrate mid-stream from other institutions to this University. Thus students from other universities within and outside India can also join programmes of their choice mid-stream subject to eligibility but with facility to transfer the credits earned by such student in the university from which he is migrating.

12.1 Migration from one programme of a school to another within the same school in the University

In case of an application by a student of the University for transfer from the programme of the school in which he has enrolled to another programme in the

same school, a Migration Committee consisting of the Dean of the School and the HoD of the transferee Department shall refer to the guidelines of BOS and decide the courses the student would have to complete to qualify to receive a degree from the transferee programme to the condition that the student fulfills the required number of credits for the new programme including those which can be transferred. The decision of the Migration Committee shall be placed for ratification before the BOS, Academic Council and BOM. In each such case a specific order in writing shall be issued by the Registrar with the approval of the Vice Chancellor and communicated to the student, Dean, HOD of the transferee department, COA, COE and Finance Departments. Every such application shall be disposed off by the Dean concerned in 15 days from receipt of application with prescribed processing fee.

12.2 Migration from any other University in India to Veltech with or without change in programme

In case of an application by a student of any other Indian university for migration into Veltech with or without change in programme of study, a Migration Committee consisting of the Registrar, Dean of the School and the HOD of the transferee Department shall refer to the guidelines of BOS and decide the courses the student would have to complete to qualify to receive a degree from the department to which migration is sought subject to the condition

that the student fulfills the required number of credits for the new branch including those which can be transferred. The decision of the Migration Committee shall be placed for ratification before the BOS, Academic Council and BOM. In each such case a specific order in writing shall be issued by the Registrar with the approval of the Vice Chancellor and communicated to the student, Dean, HOD of the transferee department, COA, COE and Finance Departments. Every such application shall be disposed off by the Dean concerned in 15 days from receipt of application with processing fee. Migration from any foreign university to Veltech with or without change in programme

12.3 Migration from any other University in abroad to Veltech with or without change in programme

In case of an application by a student of any foreign university for migration into Veltech with or without change in programme of study, a Migration Committee consisting of the Vice Chancellor, Registrar, Dean of the School and HOD of the transferee Department shall refer to the guidelines of BOS and decide the eligibility of the candidate for migration, recognition status of the foreign university with AIU/Washington Accord membership/UGC, Programme / course equivalence ,courses the student would have to complete to qualify to receive a degree from the department to which migration is sought for subject to the condition that the student fulfills the

required number of credits for new programme including those which can be transferred. The decision of the Foreign University Migration Committee shall be placed for ratification before BOS, Academic Council and BOM. In each such case a specific order in writing shall be issued by the Registrar with the approval of the Vice Chancellor and communicated to the student, Dean of school, HOD of the transferee department, COA, COE and Finance Departments. Every such application shall be disposed off by the Dean concerned in 15 days from receipt of application with processing fee.

12.4 Course work for migration students

Once the respective migration committee has finalized the course work required to be done by the migrant student for a particular programme and he/she has been admitted to, the student shall be permitted to do the courses in his/her pace spread over the balance period of his/her studies in which such courses are offered. While doing so, he/she may have the option to attend such course(s) by mutual arrangements with the faculty concerned. For Continuous Evaluation purposes, he/she shall submit the assignments, and write tests and appear for all practicals and other examinations as the regular students of such course(s) do.

13 ELIGIBILITY FOR AWARD OF M.Sc. / M.A, DEGREE

The M.Sc. / M.A. degree shall be conferred on a candidate who has satisfied the following requirements.

13.1 Regular Students
