

**Vel Tech**  
Rangarajan Dr. Sagunthala  
R&D Institute of Science and Technology  
(Deemed to be University Estd. as per UGC Act, 1956)

## **B.Tech. Computer Science and Engineering (Cyber Security)**

**Semester End Examinations Time Table Nov/Dec - 2025**

**Regular Courses**

**Applicable for 2022 Admitted Batch Only**

**Duration : 3Hrs**

**Time FN: 10.00 am to 01.00 pm**

**AN: 02.00 pm to 05.00 pm**

| S.No. | Date             | Course Code | Course Name                                      |
|-------|------------------|-------------|--------------------------------------------------|
| 1     | 17.11.2025<br>AN | 10212CC232  | Vulnerability Management and Penetration Testing |
| 2     | 20.11.2025<br>AN | 10210MA103  | Probability, Statistics and Queuing Theory       |
| 3     | 21.11.2025<br>AN | 10212CC230  | Forensics in Cyber Security                      |
| 4     | 24.11.2025<br>AN | 10213EC104  | Wireless Communication Networks                  |
| 5     | 26.11.2025<br>AN | 10213CE101  | Building Materials                               |
|       |                  | 10213EC107  | Industrial Automation                            |
| 6     | 01.12.2025<br>AN | 10210BM101  | Biology for Engineers                            |
| 7     | 02.12.2025<br>AN | 10213EC109  | Embedded Systems                                 |
