ADMISSIONS

OPEN

Eligibility:

B.Sc. in Mathematics discipline with a minimum aggregate score of 50% marks for M.Sc. & 55% marks for Integrated Ph.D.

About the Programme

Admissions Open for M.Sc. and Integrated Ph.D. Programmes – a gateway to advanced research and academic excellence. These programs are tailored for bright minds passionate about exploring the depths of mathematical theory and its real-world applications. Students benefit from a rigorous curriculum, expert mentorship, and exposure to cutting-edge research. Opportunities include research assistantships, publications, and participation in national and international conferences. Embark on a transformative academic journey and shape your future in mathematics and beyond.

Fee Structure

Particulars	Amount in INR	
	1st year	2nd year
Application Fee	400	...
Tuition Fee	10,000	10,000
Exam Fee	2,000	2,000
Caution Deposit (Refundable)	3,000	...
Total	15,000	12,000

Faculty Highlights

- » The Department has 45 highly qualified and experienced faculty members with expertise in various domains.
- » 100% faculty members are Ph.D. qualified.
- » They have secured prestigious research grants funded by government agencies.
- » They have also published extensively in Scopus, SCI, and SCIE indexed journals, contributing to global academic discourse and innovation.

Student Benefits

- » Fellowship as per Institute norms.
- » Our students are trained to achieve 100% placement, securing positions in top organizations with attractive salary packages.
- » Opportunities for Higher Studies in India and abroad.
- » The department maintains robust industry tie-ups, providing students with valuable internship opportunities that bridge the gap between academic learning and real-world applications. These collaborations enhance professional skills, industry exposure, and employability.
- » Students benefit from workshops, seminars and industry interaction.
- » High-end computer with access to industry-standard software MATLAB, R, ANSYS, etc.
- » A well-stocked library with an access to thousands of text books, research journals, and e-books.
